Louis XIV And The Parlements The Assertion Of Royal Authority:

Louis XIV and the Parlements John Jeter Hurt, 2002 This is the first scholarly study of the political and economic relationship between Louis XIV and the parlements of France the Parlement of Paris and all the provincial tribunals The author explains how the king managed to impose strict political discipline for which this reign and only this reign is known Hurt shows that the king built upon that discipline to extract large sums of money from the judges in the parlements thus damaging their economic interests When the king died in 1715 the regent Philippe d'Orléans after a brief attempt to befriend the parlements through compromise resorted to the authoritarian methods of Louis XIV and perpetuated the Sun King's political and economic legacy This study calls into question current revisionist understanding of Louis XIV and insists that absolute government had a harsh reality at its core Based upon extensive archival research this remarkable book will be of interest to all students of the history of early modern France and the monarchies of Europe

Louis XIV and the Parlements John J. Hurt, 2004 This is the first scholarly study of the political and economic relationship between Louis XIV and the parlements of France the Parlement of Paris and all the provincial tribunals The author explains how the king managed to impose strict political discipline for which this reign and only this reign is known Hurt shows that the king built upon that discipline to extract large sums of money from the judges in the parlements thus damaging their economic interests When the king died in 1715 the regent Philippe d'Orléans after a brief attempt to befriend the parlements through compromise resorted to the authoritarian methods of Louis XIV and perpetuated the Sun King's political and economic legacy This study calls into question current revisionist understanding of Louis XIV and insists that absolute government had a harsh reality at its core Based upon extensive archival research this remarkable book will be of interest to all students of the history of early modern France and the monarchies of Europe

Maritime Power and the Power of Money in Louis XIV's France Benjamin Darnell, 2023 A detailed analysis of the limitations of the system which relied on intermediaries and private suppliers to finance build and maintain the French navy Although Louis XIV's navy did not win in any recognisable sense during the wars of the later seventeenth and early eighteenth centuries it was nevertheless one of the largest military institutions of the entire early modern world at a key moment in the evolution of the modern state and modern warfare This book examines how Louis XIV's navy was financed arguing that the way the state spends money and the relative efficiency and accountability of that spending is fundamental to understanding the effectiveness of a military system It outlines how the French crown depended on fiscal intermediaries and private suppliers explores how its failure to control the spending and activities of its contractors fundamentally limited France's strategic possibilities at sea and discusses how these structural problems were progressively and disastrously exposed as the state's financial situation deteriorated The book sets the activities of the French navy in the wider context of the wars of the period showing that France necessarily had to give precedence to the funding of its army Overall the book highlights the limitations of the contractor state demonstrating that

early modern navies were both too complex and investment heavy to be entirely outsourced

Parliament and Foreign Policy in the Eighteenth Century Jeremy Black, 2004-02-26 Drawing on a wide range of British and foreign archival sources this book tackles the role of Parliament in the conduct of eighteenth century foreign policy the impact of this policy on parliamentary politics and the quality of parliamentary debates It is also an important study for our assessment of eighteenth century Britain and also more generally for an understanding of the role of contingency in the assessment of political systems Reflecting over a quarter century of work on parliamentary sources the book highlights the influence of Parliament positive and negative direct and indirect on foreign policy and politics It also has great contemporary relevance as we consider the effectiveness of democratic states when confronting authoritarian rivals and the rights of representative bodies to be consulted before wars are launched

Coercion, Conversion and Counterinsurgency in Louis XIV's France Roy McCullough, 2007-03-31 This is a study of the domestic application of armed coercion during the reign of Louis XIV It examines the coercive aspects of tax collection the royal response to tax revolts and the use of force to convert the king's Protestant subjects and to wage a devastating counterinsurgency campaign against Protestant rebels in the mountains and plains of Languedoc Relying heavily on archival sources the study demonstrates that both the coercive inclination of Louis XIV and the coercive capabilities of the French army have been overstated This raises questions about some common assumptions regarding the role of the army in the projection of state power and its contribution to the process of state formation in Early Modern France

Louis XIV's Assault on Privilege Gary B. McCollim, 2012 Louis XIV's Assault on Privilege examines Nicolas Desmaretz one of the most important finance ministers of the Bourbon monarchy McCollim brings to life the man who was arguably the central figure in the final transformative years of Louis XIV's reign Controller General Desmaretz was the nephew of famed finance minister Jean Baptiste Colbert and had extensive experience in the administration prior to 1683 when he suffered disgrace His expertise was so renowned in his day that other chief financial officials sought his advice in secret Desmaretz has been called the ablest man ever to head French finances and the war financing problems he faced from 1708-14 the greatest challenge faced by the Bourbon monarchy until the French Revolution

Expansion and Crisis in Louis XIV's France Darryl Dee, 2009 New insights on the growth of the territorial state in early modern Europe the nature of the French absolute monarchy and the political legacy of the Sun King Driven by a desire for glory and renown Louis XIV presided over France's last great burst of territorial expansion in Europe During the first three decades of his rule his armies conquered numerous territories along France's borders After 1688 however the tide of conquest turned as the kingdom was plunged into crisis For the remainder of his reign the king and his people endured wars against grand alliances of European powers ecological disasters economic depression state bankruptcy and demographic stagnation Expansion and Crisis in Louis XIV's France examines these central yet understudied aspects of the age of the Sun King through the experience of Franche Comte a possession of the Spanish empire with a long history of

autonomy conquered by Louis XIV in 1674 Dee's detailed research reconstructs the ensuing dialogue sometimes harmonious sometimes discordant between the king and the elites who ruled this province The integration of Franche Comté into France proved to be a protracted process involving confrontation negotiation and compromise The resulting regime was then severely tested by the challenges of Louis XIV's late reign its survival demonstrated how the king had brought a distinctly early modern state to the height of its development This study offers significant new insights on the growth of the territorial state in early modern Europe the nature of the French absolute monarchy and the political legacy of the Sun King Darryl Dee is Assistant Professor of History Wilfrid Laurier University Waterloo Canada Constitutionalism and the Rule of Law Maurice Adams, Anne Meuwese, Ernst Hirsch Ballin, 2017-02-02 Rule of law and constitutionalist ideals are understood by many if not most as necessary to create a just political order Defying the traditional division between normative and positive theoretical approaches this book explores how political reality on the one hand and constitutional ideals on the other mutually inform and influence each other Seventeen chapters from leading international scholars cover a diverse range of topics and case studies to test the hypothesis that the best normative theories including those regarding the role of constitutions constitutionalism and the rule of law conceive of the ideal and the real as mutually regulating **Death and the crown** Anne Byrne, 2020-01-15 Looking at royal ritual in pre revolutionary France Death and the crown examines the deathbed and funeral of Louis XV in 1774 the lit de justice of November 1774 and the coronation of Louis XVI including the ceremony of the royal healing touch for scrofula It reviews the state of the field in ritual studies and appraises the status of the monarchy in the 1770s including the recall of the parlements and the many ways people engaged with royal ritual It answers questions such as whether Louis XV died in fear of damnation why Marie Antoinette was not crowned in 1775 and why Louis XVI's coronation was not held in Paris This lively accessible text is a useful tool for under and post graduate teaching which will also be of interest to specialists on this under researched period **Kings, Nobles and Commoners** Jeremy Black, 2004-09-24 Jeremy Black's revisionist history shows that both thrusting bourgeois Protestant states like the Netherlands and Britain prospered and in Britain's case became a global power The reactionary Catholic states like Austria and France at various times remained stable until the deluge of the French Revolution Absolutism was no myth but absolutist states still had to rule with consent Black weaves these themes into a rich and coherent tapestry to give a clear and authoritative picture of the complexities of the early modern period Provincial Power and Absolute Monarchy Julian Swann, 2003-08-21 This is the first book in English to study the history of the Estates General of Burgundy during the classic period of absolute monarchy Although not a representative institution in any modern sense the Estates were constantly engaged in a process of bargaining with the French crown and this book examines that relationship under the Ancien Régime Julian Swann analyses the organization membership and powers of the Estates and explores their administration their struggles for power with rival institutions and their relationship with the crown and with the Burgundian people The Estates

proved remarkably resilient when confronted by the challenges posed by the Bourbon monarchy and by the reign of Louis XVI they were seemingly more powerful than ever However the desire to protect their privileges and to extend their authority had not been accompanied by an attempt to forge a meaningful relationship with the people they claimed to serve

Rethinking Global Governance Justin Jennings,2023-05-09 This book argues that long ignored non western political systems from the distant and more recent past can provide critical insights into improving global governance These societies show how successful collective action can occur by dividing sovereignty consensus building power from below and other mechanisms For a better tomorrow we need to free ourselves of the colonial constraints on our political imagination A pandemic war in Europe and another year of climatic anomalies are among the many indications of the limits of global governance today To meet these challenges we must look far beyond the status quo to the thousands of successful mechanisms for collective action that have been cast aside a priori because they do not fit into Western traditions of how people should be organized Coming from long past or still enduring societies often dismissed as savages and primitives until well into the twentieth century the political systems in this book were often seen as too acephalous compartmentalized heterarchical or anarchic to be of use Yet as globalization makes international relations more chaotic long ignored governance alternatives may be better suited to today s changing realities Understanding how the Zulu Trypillian Alur and other collectives worked might be humanity s best hope for survival This book will be of interest both to those seeking to apply archaeological and ethnographic data to issues of broad contemporary concern and to academics politicians policy makers students and the general public seeking possible alternatives to conventional thinking in global governance

Custom, Law, and Monarchy Marie Seong-Hak Kim,2021 Custom Law and Monarchy explores how law evolved in early modern France from an amalgam of customs Roman and canon law royal edicts and judicial decisions to the unified Civil Code of 1804 In exploring the history of this codification of law Marie Seong Hak Kim lays out a new way of understanding French history

Culture and Power Jonathan Davies,2009-03-16 Traditionally grand ducal Tuscany and its cultural politics have been viewed through the lens of absolutism Based on a wide range of newly found sources and building on recent revisionist scholarship this study uses the universities of Pisa and Siena to expose the contradictions and the tensions which characterised the grand duchy Setting the universities against the diplomatic military administrative economic ecclesiastical and cultural development of the grand duchy it shows how innovation mixed with tradition and local privileges were not only upheld but extended significantly

Fealty and Fidelity: The Lazarists of Bourbon France, 1660-1736 Seán Alexander Smith,2016-03-09 The career of the French saint Vincent de Paul has attracted the attention of hundreds of authors since his death in 1660 but the fate of his legacy entrusted to the body of priests called the Congregation of the Mission Lazarists remains vastly neglected De Paul spent a lifetime working for the reform of the clergy and the evangelization of the rural poor After his death his ethos was universally lauded as one of the most important elements in the regeneration of the French

church but what happened to this ethos after he died This book provides a thorough examination of the major activities of de Paul s immediate followers It begins by analysing the unique model of religious life designed by de Paul a model created in contradistinction to more worldly clerical institutes above all the Society of Jesus Before he died de Paul made very clear that fidelity to this model demanded that his disciples avoid the corridors of power However this book follows the subsequent departures from this command to demonstrate that the Congregation became one of the most powerful orders in France The book includes a study of the termination of the little known Madagascar mission which was closed in 1671 This mission replete with colonial scandal and mismanagement revealed the terrible pressures on de Paul s followers in the decade after his demise The end of the mission occasioned the first major reassessment of the Congregation s goals as a missionary institute and involved abandoning some of the goals the founder had nourished The rest of the book reveals how the Lazarists recovered from the setbacks of Madagascar famously becoming parish priests of Louis XIV at Versailles in 1672 From then on fealty to Louis XIV gradually trumped fidelity to de Paul The book also investigates the darker side of the Congregation s novel alliance with the monarch by examining its treatment of Huguenot prisoners at Marseille later in the century and its involvement with the slave trade in the Indian Ocean This study is a wide ranging investigation of the Lazarists activities in the French Empire ultimately concluding that they eclipsed the Society of Jesus Finally it contributes new information to the literature on Louis XIV s prickly relationship with religious agents that will surprise historians working in this area

A Virtue for Courageous Minds Aurelian Craiutu, 2016-05-31 Political moderation is the touchstone of democracy which could not function without compromise and bargaining yet it is one of the most understudied concepts in political theory How can we explain this striking paradox Why do we often underestimate the virtue of moderation Seeking to answer these questions A Virtue for Courageous Minds examines moderation in modern French political thought and sheds light on the French Revolution and its legacy Aurelian Craiutu begins with classical thinkers who extolled the virtues of a moderate approach to politics such as Aristotle and Cicero He then shows how Montesquieu inaugurated the modern rebirth of this tradition by laying the intellectual foundations for moderate government Craiutu looks at important figures such as Jacques Necker Madame de Sta l and Benjamin Constant not only in the context of revolutionary France but throughout Europe He traces how moderation evolves from an individual moral virtue into a set of institutional arrangements calculated to protect individual liberty and he explores the deep affinity between political moderation and constitutional complexity Craiutu demonstrates how moderation navigates between political extremes and he challenges the common notion that moderation is an essentially conservative virtue stressing instead its eclectic nature Drawing on a broad range of writings in political theory the history of political thought philosophy and law A Virtue for Courageous Minds reveals how the virtue of political moderation can address the profound complexities of the world today

Political Representation in the Ancien Régime Joaquim Albareda, Manuel Herrero Sánchez, 2018-09-03 What kind of political representation existed in the Ancien R gime

Which social sectors were given a voice and how were they represented in the institutions These are some of the issues addressed by the authors of this book from different institutional angles monarchies and republics parliaments and municipalities from various European territories and finally from a connected and comparative perspective The aim is twofold analyse the different mechanisms of political representation before Liberalism their strengths and limitations value the processes of oligarchisation and the possible mismatch between a libertarian model and a reality which was far from its idealised image

Family Business Julie Hardwick, 2009-06-25 In seventeenth century France families were essential as both agents and objects in the shaping of capitalism and growth of powerful states phenomena that were critical to the making of the modern world For household members neighbours and authorities the family business of the management of a broad range of tangible and intangible resources law borrowing violence and marital status among them was central to political stability economic productivity and cultural morality The business of family life involved relationships that could be intimate family and neighbours intermediate litigant and judge or distant governing authority and subject and the resources in question were the currency of the early modern world these people knew In all these regards litigation was a key means of negotiating and contesting the challenges of daily life and the larger developments in which they were embedded The relationships between families economies and states have often been reframed but the perils as well as promises have persisted Then as now husbands and wives found the experience of marriage to be fraught with uncertainty and risk economic insecurity and ubiquitous borrowing were profound challenges domestic violence was a telling marker of inequality in families Julie Hardwick examines a critical period in the long history of family business to highlight the centrality of the lived experiences of working families in major political economic and cultural transitions

The Persian Mirror Susan Mokhberi, 2019 The Persian Mirror explores France's preoccupation with Persia in the seventeenth century Long before Montesquieu's Persian Letters French intellectuals diplomats and even ordinary Parisians were fascinated by Persia and eagerly consumed travel accounts fairy tales and the spectacle of the Persian ambassador's visit to Paris and Versailles in 1715 Using diplomatic sources fiction and printed and painted images The Persian Mirror describes how the French came to see themselves in Safavid Persia In doing so it revises our notions of orientalism and the exotic and suggests that early modern Europeans had more nuanced responses to Asia than previously imagined

The Information Master Jacob Soll, 2011-08-08 Colbert has long been celebrated as Louis XIV's minister of finance trade and industry More recently he has been viewed as his minister of culture and propaganda In this lively and persuasive book Jake Soll has given us a third Colbert the information manager Peter Burke University of Cambridge Jacob Soll gives us a road map drawn from the French state under Colbert With a stunning attention to detail Colbert used knowledge in the service of enhancing royal power Jacob Soll's scholarship is impeccable and his story long overdue and compelling Margaret Jacob University of California Los Angeles Nowadays we all know that information is the key to power and that the masters of information rule the world Jacob

Soll teaches us that Jean Baptiste Colbert had grasped this principle three and a half centuries ago and used it to construct a new kind of state. This imaginative, erudite, and powerfully written book re-creates the history of libraries and archives in early modern Europe and ties them in a novel and convincing way to the new statecraft of Europe's absolute monarchs. Anthony Grafton, Princeton University. Brilliantly researched, superbly told, and timely, Soll's story is crucial for the history of the modern state. Keith Baker, Stanford University. When Louis XIV asked his minister Jean Baptiste Colbert the man who was to oversee the building of Versailles and the Royal Academy of Sciences as well as the navy, the Paris police force, and French industry to build a large-scale administrative government, Colbert created an unprecedented information system for political power. In *The Information Master*, Jacob Soll shows how the legacy of Colbert's encyclopedic tradition lies at the very center of the rise of the modern state and was a precursor to industrial intelligence and Internet search engines. Soll's innovative look at Colbert's rise to power argues that his practice of collecting knowledge originated from techniques of church scholarship and from Renaissance Italy, where merchants recognized the power to be gained from merging scholarship, finance, and library science. With his connection of interdisciplinary approaches regarding accounting, state administration, archives, libraries, merchant techniques, ecclesiastical culture, policing, and humanist pedagogy, Soll has written an innovative book that will redefine not only the history of the reign of Louis XIV and information science but also the study of political and economic history.

Louis XIV And The Parlements The Assertion Of Royal Authority Introduction

Louis XIV And The Parlements The Assertion Of Royal Authority Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Louis XIV And The Parlements The Assertion Of Royal Authority Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Louis XIV And The Parlements The Assertion Of Royal Authority : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Louis XIV And The Parlements The Assertion Of Royal Authority : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Louis XIV And The Parlements The Assertion Of Royal Authority Offers a diverse range of free eBooks across various genres. Louis XIV And The Parlements The Assertion Of Royal Authority Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Louis XIV And The Parlements The Assertion Of Royal Authority Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Louis XIV And The Parlements The Assertion Of Royal Authority, especially related to Louis XIV And The Parlements The Assertion Of Royal Authority, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Louis XIV And The Parlements The Assertion Of Royal Authority, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Louis XIV And The Parlements The Assertion Of Royal Authority books or magazines might include. Look for these in online stores or libraries. Remember that while Louis XIV And The Parlements The Assertion Of Royal Authority, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Louis XIV And The Parlements The Assertion Of Royal Authority eBooks for free, including popular titles. Online

Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Louis XIV And The Parlements The Assertion Of Royal Authority full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Louis XIV And The Parlements The Assertion Of Royal Authority eBooks, including some popular titles.

FAQs About Louis XIV And The Parlements The Assertion Of Royal Authority Books

1. Where can I buy Louis XIV And The Parlements The Assertion Of Royal Authority books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Louis XIV And The Parlements The Assertion Of Royal Authority book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Louis XIV And The Parlements The Assertion Of Royal Authority books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Louis XIV And The Parlements The Assertion Of Royal Authority audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Louis Xiv And The Parlements The Assertion Of Royal Authority books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
