Children Catriona Ellis,2023-08-24 From as early as the 1920s state policy towards children in South India was framed through the lens of a universal ideal of modern childhood This reflected the participation of policy makers and civil society activists in global discourses of child saving and the new opportunities of governance under the constitutional reforms of 1919 Children became viewed as both objects to be saved and investments as future citizens The book considers how adults used this concept of universal childhood to conceptualise themselves as both modern and avuncular gaining authority through an appropriation of familial terms as well as the claim to modern scientific expertise Through a detailed study of education health and juvenile justice the book reveals that the implementation of policy was still informed by other markers of difference and contrasts adult intentions with the autobiographical memories of school family and peer relationships

Love and Devotion Nityacaitanya Yati, 1979 **Eternal Dance of Love** Ranchor Prime, 2022-02 *Autobiography of a Yogini* Kamala Easton, Kamala Easton Ph.D., 2012-11-01 AUTOBIOGRAPHY OF A YOGINI is the story of the author's spiritual transformation and mystical and tempestuous 7 year relationship with one of the world's most renowned gurus Sri Sri Ravi Shankar. I wasn't raised to become a devotee or follower. I was a black single mother who was raised by a black single mother. Education had been my path to enlightenment, pulling me up out of a chaotic childhood. With a psychology degree from UC Berkeley and a Ph.D. in Education from UCLA, I spent 20 years in the ashram of higher education. Although I had studied God, I was completely unprepared for contacting God the way I did through this famous and powerful spiritual leader and world figure who has over twenty million followers. Intellectual pursuits became irrelevant as I was consumed by an extraordinary relationship with a man who could read my mind and make his thoughts my own. Unbelievable spiritual powers opened within me. I became able to see, hear and connect to the Divine at will. The unveiling of these powers was a continual source of surprise to me as they expanded my consciousness of this world. But all of this transcendence occurred against a backdrop of heartache. Although he and I were living out this ancient love inside one of the largest spiritual organizations in the world, we were also just a man and a woman. **Phênphil**, 2017
