

A photograph of a dirt path leading through a forest. The path is light brown and leads towards a bright light at the end of the path. The trees on either side have autumn foliage in shades of orange, yellow, and red. Some evergreen trees are visible in the background. The overall atmosphere is peaceful and serene.

Freedom and love go together. Love is not a reaction. If I love you because you love me, that is mere trade, a thing to be bought in the market; it is not love. To love is not to ask anything in return, not even to feel that you are giving something- and it is only such love that can know freedom.
