

I wish you knew

Hello, My name's Jess and I'm sick. "Oh, but you don't look sick". Really? "You look fine to me". These are just somethings I get day to day from pretty much everyone in my life and to be honest I'm getting a bit tired of it. I have to justify myself all the time just because I have an invisible illness. I look fine on the outside as I don't have any visual symptoms but on the inside I'm in so much pain that some days I just want to scream and shout, and not only is it bad enough having this type of illness, but having to justify it to other people really sucks.

Virtually no one understands. My teachers just question me all the time, about why my homework isn't done and why I miss so much school. My friends are nice enough but I never get invited anywhere anymore because I either don't turn up because I'm sick or when I'm there I'm quiet and reserved because I'm in pain and sometimes my own family thinks I'm being over dramatic and putting it on.

I wish they knew. I wish they could understand that sometimes just putting on a smile and being brave is hard enough or that sometimes walking around for half an hour makes me so tired that I can't concentrate. Then there's the pain... I wouldn't wish that on anyone. Tiny little things can trigger such a huge surge of pain, but I suffer in silence because if I screamed every time I was in pain my whole life would be one huge scream.

I don't want sympathy or to be the center of attention, I just wish people understood and accepted me. They wouldn't even need to say anything, just take my hand and be there... It can feel so lonely living with this pain, I wish they knew.
