***Last Orgy by the Cemetery*** David Kerekes, David Slater, 2024-03-07 The meteoric rise of video technology in the early 1980s was met with suspicion in some quarters Pressure groups found certain videocassettes objectionable and video nasties became a catch all term for undesirable films or films potentially liable for prosecution under the Obscene Publications Act 1959 This book is not a discussion of the video nasties themselves but instead gives a detailed synopsis of each film from Absurd to Zombie Flesh Eaters without criticism or commentary 75 video nasty plots without dissection The book may be considered a nostalgic reverie for those fans and collectors who don't have the fortitude to sit through these films again and would like an aide memoire means of revisiting them What's more many of the films are cheap and exploitative little masterclasses of cutting corners and the brutal logic of their storylines when laid bare make for entertaining reading The material contained in *LAST ORGY BY THE CEMETERY* originally appeared in a different form in the authors *See No Evil Banned Films and Video Controversy* published by Headpress in 2000 and now out of print *Perseverance* Carolyn Rubenstein, 2025-08-22 Can you imagine being in high school or college and suddenly learning you have cancer You thought you had a lifetime ahead of you and the whole world at your feet but suddenly you're told maybe not How would you cope That's the question the twenty young people in this book had to answer when they were diagnosed with childhood cancer *Perseverance* tells of their trials and tribulations of their triumphs and of the unique challenges that day to day college life brings them *Perseverance* also provides an intimate look at the lives and journeys of these young people and how their courage and strength have affected the lives of others These honest first person accounts lend amazing depth to the inspiring stories of these young men and women Inside you'll meet Zac York who tells of climbing Mount Whitney on crutches after battling brain cancer You'll meet Alex Oden who just days after brain surgery gave his 8th grade peers a graduation speech called *A Day Well Spent* in which he challenged them to make a difference in just one day You'll meet Kristen Jones who

while battling leukemia was able to pass the MCAT and pursue her dream of becoming a pediatric oncologist Twenty unique and fascinating stories with one common theme perseverance The stories of these heroes demonstrate how anyone can learn to live with energy and passion regardless of the obstacles to be faced and will remind us all that now is everything At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied **The Dramatic Works of John Lilly, (the Euphuist.): John Lilly and his works.
