The Dance of Illusion Evelyn Pretkus,2021-08-29 The Dance of Illusion story covers the topics of courage change and the power of choice in a way that has never been done before Imagine the possibility we are all impaired at birth with the blessing of forgetfulness to the universal truth that separation is The Dance of Illusion and where there is love Divine Love there is no separation This story calls humanity forward to awaken from an unidentified silent epidemic of an addiction to suffering caused by an underlying unrecognized belief system rooted in separation What is required as the entrance ticket to new beginnings in life It is for the reader to answer an invitation to love Divine Love that stands the test of time with a resounding YES Ultimately The Dance of Illusion proposes a new way of living in the 21st century and beyond to learn and live in joy with suffering a distant memory of the past This is a story laced empowerment hope and new beginnings This is one woman s true story about awakening to something more in life and how to navigate through many sunrise and sunsets to find true love Divine love that is found on a journey within The basic universal truth offered for consideration throughout the story is that we are human beings having a spiritual experience What is important along the way is to discover the building

blocks of truth both personal and universal to rise out of tragedy to experience triumph What is triumph you might ask From the author s point of view it is the joy of living in freedom without suffering with great passion while consciously creating life with Divine Love as the foundation of faith upon which we stand Every element of the story showcases an innovative breakthrough process on how to thrive through difficult times of chaos and change and how to quiet the passions of the mind in ways that are previously unimaginable and unavailable to millions of people today The reader is encouraged to ask and seek the answer to a tough question How do we create peace in the world when so many millions of us are at war an invisible war an attack unrecognized within our own being perhaps even sleepwalking through life The described paradigm creates the set up for denying the time to question the true meaning of life on earth beyond the obvious In midlife the author asked herself the question Who am I at the core of my being The answers sought were beyond the field of right and wrongdoing beyond make a living and beyond material possessions While this sounds serious and it is there are many stories shared that will leave the reader laughing and asking for more Time may just be the new currency of wealth in the 21st century It is the author s perspective it is what we consciously choose to do with time that is up for investigation throughout this story In midlife the author found herself in emotional and financial crisis which unexpectedly led to a spiritual emergency After experiencing great loss she found herself experiencing deep depression anxiety and nagging never ending suicidal thoughts Having been raised Catholic she found herself feeling separate from God family and everyone she loved This is a story that has never been told before about suicide from a spiritual perspective This is a must read for those who suffer from

depression anxiety and suicidal tendencies those who love them and professionals who help them **A Little Something Beautiful** Brenda Scott,2016-03-31 Have you ever had a dream but needed the courage to take that first step Discover how God worked through one womans talents to turn her dreams into reality Life has often been a series of hurdles and obstacles for Brenda Scott that could only be overcome with her unwavering faith and constant determination for continuous improvement This self taught artist found her way through many art mediums with no formal training but was instead empowered by many strong creative women along the way Learn lessons of humility gratitude patience and forgiveness as she takes us on a journey of her lifetime path of art and creativity Discover how her goal to become a successful artist led to the biggest project of her life renovating her old country Victorian home It became a major undertaking that would test both her spirit and her resolve to see the process through to the very end Savoring country life while taking on the challenges of that renovation taught her the beauty to be found in the ordinary everyday life all around her on the acreage Through this endeavor she began to realize that she was on a course that would determine who she was as an artist and that the real restoration project was within herself **you will not live** ,2022-10-05 Living with my memories is not enough I do not want My hopes my tomorrows I want you Do not wipe up my tears leave them let them flow without you Do not give me comfort not without being you I want you **Painting, a Picture, a Poem...** Gloria M. Kemp Van Ee,2021-10-27 Many people will come

in to our lives They will leave out lives And some people some where down the line will come to stay in our lives forever
Though is there really such a thing as forever For me I have not found that forever friend but when I do I will be glad to let
you know These words are not just any old words or poems They are the thoughts in which I think the feelings in which I feel
This is the part of me in which I have kept hidden away from the rest of the world meaning people that do not understand
others such as my self It is my heart In the last 20 years of my life I have come to discover that everything revolves around
one thing Weather it is good or bad Happy or sad Everything revolves around some kind of love That is why everything is love
to me We all go through easy and hard times and in the end we always turn to the one thing we say we will never turn to or
do again And can you guess what that is Love **Film and Sexual Politics** Kylo-Patrick R. Hart,2009-01-14 Film and
Sexual Politics A Critical Reader features a variety of noteworthy critical essays that explore the evolution representation and
social construction of sex gender and sexual orientation from the early days of cinema to the early twenty first century This
collection investigates the complex relations between film form style and sexual politics past and present as well as the
ideological and social ramifications of those relations for the lived realities of individuals in the United States over the course
of the twentieth century and beyond Contrary to popular perceptions of films as relatively simplistic forms of entertainment
the essays in this collection demonstrate clearly how the act of producing meaning through the use of cinematic verbal and
visual signs is far from a simple process with negligible historical consequences This book offers insightful and satisfying
reading to established and emerging scholars who explore film history theory and criticism as well as to all readers with a
general interest in film history and the effects of cinema on individuals and popular culture The range of films analyzed
includes Being John Malkovich Citizen Kane Elizabeth Female Perversions From Here to Eternity Gidget The Incredible
Shrinking Man Jackass the Movie The Matrix Maurice My Own Private Idaho Porcile The Road to Ruin and Wilde
