Love's Refuge and Sonnets Dudley (Chris) Christian,2017-05-12 The title doesn't say it all What it does is attempt to lay open life's experiences over the past 50 years In this you will find instances of love gone good and love gone bad You will learn of peoples and places many times like people and places you already know As I journey back through these past experiences I hope some of you will feel to join and relive with me in these forages Others I hope will see themselves and in so doing will avoid pitfalls which I have crossed over pains which I have endured and pleasures and loves which were my rewards Love's Refuge in truth if you read the table of contents it will also help you to understand the frame of minds at the different times that these words were put together
