Love God:

Loving God with All You've Got Sunder Krishnan, 2008-06-20 Loving God with All You've Got will inspire you to develop a deeper intimacy with God through worship prayer and meditation More than a book Loving God is a unique achievable journey that shows you how to love God with your entire being fully surrendered to him This new edition comes complete with a study guide for small groups and Sunday school classes **DO YOU REALLY LOVE GOD? GODSWORD GODSWILL** ONU, 2015-03-30 To love God is to cherish and esteem God with your whole being spirit soul and body It is to keep His Word and Commandments and also to serve Him with your whole heart To love God is to put God first before any other person or thing and to not offend or displease God because of any person desire or thing How do we prove that we love God We show and prove that we love God by keeping His Word and Commands If we say that we love Him but do not obey what He tells us to do where then is the Love of God in us Another way by which we prove our love for God and to Him is by serving Him and seeking for the wellbeing of His Kingdom Next if you love God and really love Him the love that you have for God will keep you from doing certain things saying certain things and behaving certain ways This is no joke If your Christian life is the one in which you yourself determine and decide what to obey and what not to obey then you do not love God Love Out Loud Joyce Meyer, 2011-11-02 Jesus said You must love the Lord your God with all your soul and with all your strength and with all your mind and your neighbor as yourself Luke 10:27 If one had to choose a single verse in the Bible that is a formula for successful living this would be the one to live by says Joyce Meyer love God yourself and others in that order Many Christians get mixed up about love They know they should love God and others but many do not understand that loving oneself is one third of God's equation They mistakenly think of it as selfishness or self aggrandizement Joyce Meyer believes that this misconception is one of the greatest pitfalls in the Christian journey Loving oneself in a balanced healthy manner is essential in order to have healthy relationships with God ourselves and others Drawing upon her previous work and teaching series as well as original devotions the author of Power Thoughts examines the three loves that we've been commanded to exhibit
