Second Coming Sandra Diaz Ph.D., 2015-06-19 This book is the result of a therapist's spiritual journey which intensified after four vivid lucid dreams where she came face to face with Christ and God who filled her with the energy of pure love

This led to a search for the meaning behind the dreams She learned that love is the most powerful force in the universe and is in fact what we are made of By being the love that we are she discovered that we put the heart in its rightful place of master and the mind servant In so doing we live from the higher levels of consciousness where we are able to manifest our hearts deepest desires Christ taught that manifestation requires that we charge our positive thoughts with love She learned that by being love and living from the heart and the highest levels of consciousness we essentially create heaven on earth
