Love in Relief (L'amour en Relief) Guy Hocquenghem, 1986 **Love in Relief (L'amour en Relief)** Guy Hocquenghem, 1986 *Between Men and Feminism (RLE Feminist Theory)* David Porter, 2013-05-20

Between Men and Feminism had its origins in a lively colloquium at St John's College Cambridge in 1990. It discusses how two decades of feminism have affected the ways men define their own masculinities and how they have responded in their own social, sexual and political lives to the challenges posed by the evolving feminist critiques of patriarchy and maleness itself. The collection contains a great diversity of approaches from Britain and North America. It includes viewpoints from academics, a poet, an educational researcher and the members of an active men's group. Gay issues feature prominently, as do psychoanalytical views, and a number of the pieces provide a refreshingly personal and practical outlook. Between Men and Feminism shows men finding their own way within the spaces feminism has opened to them, rediscovering their own gendered voices and participating in the transformation of controlling ideologies in their daily lives. These very readable accounts will appeal not only to students in the social sciences and gender studies but to all men who find themselves responding to the feminist challenge.

First published in 1990, *The Encyclopedia of Homosexuality* brings together a collection of outstanding articles that were at the time of this book's original publication classic, pioneering and recent. Together, the two volumes provide scholarship on male and female homosexuality and bisexuality and reaching beyond questions of physical sexuality, they examine the effects of homophilia and homophobia on literature, art, religion, science, law, philosophy, society and history. Many of the writings were considered to be controversial and often contradictory at that time and refer to issues and difficulties that still exist today. This volume contains entries from A-L.

Love. ("L'amour.") Jules Michelet,1859 *The Cumulative Book Index* ,1988 A world list of books in the English language *Blackwood's Edinburgh Magazine* ,1878 **Blackwood's Magazine** ,1862 *Love, Desire and Transcendence in French Literature* Paul Gifford,2016-12-05 European literature and theory of the twentieth century have been intensely preoccupied with questions of Desire whereas love has increasingly represented a fractured and strange if not

actually suspect proposal this is a prime symptom of an age of deep cultural mutation and uncertainty Paul Gifford's book allows this considerable contemporary phenomenon to be observed steadily and whole with strategic understanding of its origins nature and meaning Gifford paints a clear and coherent picture of the evolution of erotic ideas and their imaginary and formal expressions in modern French writing He first retraces the formative matrix of French tradition by engaging with five classic sources Plato's Symposium the Song of Songs the myth of Genesis the tension between Greek Eros and Christian Agape and the repercussions of Nietzsche's declaration of the death of God Modern variations on these perennial problematics are then pursued in ten chapters devoted to Proust Valéry Claudel Breton Bataille Duras Barthes Irigaray Emmanuel Kristeva Literary and theoretical perspectives are perfectly blended in his study of these attempts at deciphering Eros The book will appeal not only to students of French literature but to all those interested in the cultural upheavals of the twentieth century
