Love of Friendship in the Christian Life Jonathan Sammut, 2019-12-27 Theological reflection on friendship as a particular form of Christian love emerges in Holy Scripture and continues to be elaborated in the Christian tradition However love of friendship was at times absorbed into the other traditional understanding of love love of God and of neighbor After a philosophical historical study of the Greco Roman roots of friendship in moral reflection and how and to what extent this was appropriated in the Christian tradition this book illustrates the transcendental character and the novelty of the Christian understanding of friendship found in Holy Scripture focusing particularly on the most relevant texts in the Fourth Gospel where love and friendship stand to be important themes It also shows how Saint Thomas Aquinas through his exegesis of the Fourth Gospel his synthesis of the Christian tradition and his ability to rearticulate Christian theology through Aristotelian philosophy inimitably defines the theological virtue of caritas as friendship with God In so doing he depicts friendship as the finality the telos of the Christian life Finally the book aims to show how the retrieval of a proper theology of friendship rooted in Holy Scripture and Christian tradition can enrich the life of an authentic Christian and contribute to the ongoing process of renewing moral theology

Way of Love Norman Wirzba, 2025-10-30 Way of Love invites readers to discover the Christian faith as a school that forms people in the practices of love Love is the heart of Christian life because believers are called to follow in the footsteps of the God who is love While attending to Scripture and the lives of saints and strugglers Wirzba shows why love is hard but also why it is necessary for the healing of our communities and world Way of Love is unique because it shows that love is both a practice and the key to understanding what Christian teaching is fundamentally about and why it matters for our daily lives In a time when an increasing number of people see religion as irrelevant and Christian faith as mired in rancor and hate

Wirzba challenges Christians to a better way that prioritizes care and compassion for people and for the whole of creation
