MACP; C.Ht.,2015-03-25 *Learn Happiness and Love* is a self help book to guide readers on how to have better relationships and be happier in general Author Tiffany Schneider was suffering in her own personal relationship and was very unhappy She was working as a counselor after having received a master s in counseling psychology She worked with individual adults couples and teens teaching them how to be happier and have more effective relationships So then she decided to start writing lessons to herself about what she had learned in the years studying psychology and spirituality and to do research on her questions She also wanted to include what she had learned working in clinical practice with people and within her own life She decided to share her observations and learnings with others as she realized that everyone can use more help and learning on how to do relationships effectively and what being happy really takes and means During that time Tiffany also realized that traditional counseling is not appealing or available to many people for reasons of privacy or accessibility She wanted to give people tools they could learn on their own without having to expose their problems or pay a lot of money to receive Because she studied transpersonal psychology and is a certified hypnotherapist and a process therapist she wanted to blend techniques from spirituality cultural understandings alternative healing therapies and more mindfulness oriented perceptions of what makes for good relationships and a happy individual and not just a psychodynamic or traditional psychology approach or tools Finally she included a practical component to each lesson to help readers experience and practice the theories they learn in each lesson Each lesson is short and to the point so that readers can get information quickly and incorporate the theories automatically into their lives *I'll Learn to Love Again* Christian Manuel,2020-10-31 I

ll Learn to Love Again is a love story for the ages We join these lovers on their journey of trials and tribulations as they navigate through identity family cultural norms social constructs and love We learn of a hopeless love story a love so deep that it would be earth shattering to lose of revelations so devastating and ultimately life changing which alter the destiny of the lives of so many over the course of multiple generations *I ll Learn to Love Again* is a story of grappling with dysfunction grieving of lost love self discovery and self love and how you can find love in the strangest places and with people whom one would never expect to find love from one who helps one to discover the meaning of true love throughout their journey in life This book exemplifies love family passion loss grief and ultimately healing *Intuitive Tarot for Life and Love - Learn The*

Tarot Instantly! Kelly Wallace, 2025-02-12 If you've always wanted to read the tarot but find it difficult to remember the traditional meanings or simply want to find your own way to read them *Intuitive Tarot for Life and Love* Read The Tarot Instantly will help you do just that Whether you're looking for your soulmate a new career wondering if you should move or could travel or need to solve a problem the tarot can help Regardless if your current goal or situation is large or small by learning to intuitively read these cards you'll have the answers you seek Tarot cards are meant to trigger your intuition and I fully believe that everyone can and should learn to read for themselves This form of divination should never be one size fits all since everyone and every situation is different What you see in the cards will be completely different than what someone else may see and this is how it's supposed to be Later in the book I'll teach you the traditional card meanings just so you'll have a point of reference in case you get stuck After all it's sometimes difficult to read for ourselves and it's sometimes nice to have a little extra guidance Mostly I'll teach you to read the cards intuitively so you can reap the many benefits of their hidden messages Very soon you could even read for others and help offer guidance to friends relatives and even paying clients I've also included several exercises throughout the book that will help you strengthen your intuition get to know your cards better predict future events uncover obstacles that hold you back find love and learn how to recognize opportunities and higher guidance when it comes your way Now let's get started **Learning to Love and Loving to Learn** Emmelienne

Schreiner, 2018-03-12 Dr Schreiner's book *Learning to Love and Loving to Learn* is a breakthrough study dealing with relationships in the family the immediate family and the extended family She teaches the need for a strong spiritual value system as the basis for learning to love and loving to learn Dr Schreiner touches on such subjects as appropriate discipline positive encouragement helping children to reach their full potential and how to make learning an exciting adventure for all ages She deals with relevant problems of the twenty first century including such issues as addictions codependency and the trap of instant gratification She stresses the need for families to develop self control and to set realistic limits She teaches parents how to develop problem solving skills in their children so they can live more effectively in our troubled times The book opens the door for learning to be an exciting adventure as readers learn to love and to love learning Spiritual growth comes from gaining new information and insight and using that knowledge in your everyday life The author describes the spiritual principles that bring families closer as they learn about themselves and parents free themselves from effects of having been raised in an addictive incestuous or otherwise dysfunctional family Examples of how children and adults of all ages learn are included in every chapter The workbook included at the end of the book will help readers to identify the effects their parents words and methods of disciplining and showing love has had on their own self concept and automatic behaviors Automatic behaviors are emotional and sometimes physical responses to situations and events that arise because the event unconsciously reminds the reader of a similar childhood happening Sometimes automatic behaviors are positive and sometimes negative and unwanted The workbook will help readers to look at and edit the source of their automatic

behaviors thereby enabling them to change their undesirable responses *Romance Rekindled* Rick Bundschuh,Dave Gilbert,1987-12 **Deputy of Love** Dr. Don N. Bacchus,2025-06-04 Love is the most powerful force in the Universe Let us learn to love ourselves and let us learn to love each other Life is difficult We are here on this earth to help each other Let us learn to live together in love and let us learn to live together in peace Love has been implanted in the psyche of every human by a loving God Let our love grow This book Deputy of Love was written with the sole purpose of encouraging everyone to love more and to help make our world a better place This book Deputy of Love encourages us to love our fellow men irrespective of our differences Love is the only force that will keep us from destroying ourselves You are the Deputy of Love
