

HOW LUCKY AM I TO
HAVE KNOWN YOU
THE WAY I DID

* Realising that life is actually so short
and to have known someone and loved
someone is a beautiful thing despite
what fate had in store for us *

HOW LUCKY AM I
TO HAVE BEEN
SOMEONE YOU ONLY
HELD CLOSE.

I'VE FOUGHT SO HARD
TO BE HERE.

I KNOW - I'M SO
GLAD YOU DID.

Love, Beauty or Morality Alberto Castelli, 2024-05-23 This book is moved by two main questions Is Love a matter of beauty or mortality In other words is love an ethical ideal Also modernity understood as the age of mechanical reproduction has shaped not simply our cities but our very same way of feeling How has our conception of love changed if it has in the past two centuries This book is to address these questions It is not to trace the evolution of the idea of love in Western culture from Plato to the present day It aims to bring to the surface different shades of love lingering at the heart of Western culture to rehabilitate the myth of love to its original credibility Our confused civilization has split love into sensual and moral

aspects but to be aware of it is perhaps to defeat a dilemma that seems so unnatural This book is about how we make sense of our lives through love and how nineteenth and twentieth century literature records it **The Self-Love Journal** Kelsey Layne,2023-06-13 Tap into your magic with this thoughtfully designed daily journal Self love is everything It allows us to connect with our inner magic and has the power to make us feel inner peace and pure joy But it can be hard to find time to show ourselves love when the stresses of day to day life take over This is why The Self Love Journal was created The weekly prompts will help you to check in with yourself set challenges for healthy growth plan nourishing meals and practice self care activities The monthly illustrated affirmations will empower you further on your mindful journey of self discovery Whether you re a longtime fan of journaling or just starting this powerful practice you ll find the nurturing space you need on these well designed and encouraging pages **The Psychology of Love** Robert J. Sternberg,Michael L. Barnes,1988-01-01 Psychologische studie over het verschijnsel liefde **International Handbook of Love** Claude-Hélène Mayer,Elisabeth Vanderheiden,2021-05-04 This handbook is the winner of the William B Gudykunst Award for Outstanding Book in 2023 given by the International Academy of Intercultural Research This handbook includes state of the art research on love in classical modern and postmodern perspectives It expands on previous literature and explores topics around love from new cultural intercultural and transcultural approaches and across disciplines It provides insights into various love concepts like romantic love agape and eros in their cultural embeddedness and their changes and developments in specific cultural contexts It also includes discussions on postmodern aspects with regard to love and love relationships such as digitalisation globalisation and the fourth industrial revolution The handbook covers a vast range of topics in relation to love aging health special needs sexual preferences spiritual practice subcultures family and other relationships and so on The chapters look at love not only in terms of the universal concept and in private intimate relationships but apply a broad concept of love which can also for example be referred to in postmodern workplaces This volume is of interest to a wide readership including researchers practitioners and students of the social sciences humanities and behavioural sciences In the 1970s through the 90s I was told that globalization was homogenizing cultures into a worldwide monoculture This volume as risky and profound as the many adventures of love across our multiplying cultures are proves otherwise The authors revolutionary and courageous work will challenge our sensibilities and expand the boundaries of what we understand what love is But that s what love does It communicates what is offers what can be and pleads for what must be I know you ll enjoy this wonderful book as much as I do Jeffrey Ady Associate Professor retired Public Administration Program University of Hawaii at Manoa Founding Fellow International Academy for Intercultural Research The International Handbook of Love is far more than a traditional compendium It is a breath taking attempt to synthesize our anthropological and sociological knowledge on love It illuminates topics as diverse as Chinese love one night stands teen romance or love of leaders and many more This is a definitive reference in the field of love studies Eva Illouz author of The End of Love A sociology of Negative relationships

Oxford University Press This is not a volume to be read in a single sitting though I almost did due to a protracted hospital stay nor is it romantic or inspirational reading though in some cases I had hoped for more narrative examples and case studies Rather it is a highly diverse scholarly effort a massive resource collection of research papers on love in a variety of contexts personal and professional settings and cultures The work is well referenced providing a large number of resources for deeper exploration We owe our thanks to the authors and editors of this handbook for work well done though that word in the title should not lead readers to suspect that enlightening as it is this book is a vade mecum or practical tour guide that provides ready solutions to the vicissitudes and challenges of our love lives Reviewed by Dr George F Simons on amazon com Please see Claude H l ne Mayer s interview related to the handbook in LeanHealth Talks published by Bernadette Bruckner <https://www.youtube.com/watch?v=yVNXA9sWuWo> Please see Claude H l ne Mayer s interview related to the handbook published In Iran News Daily <https://newspaper.irandaily.ir/nid/6941/pid/6/type/0>

Love's Grateful Striving M. Jamie Ferreira, 2001-06-07 Soren Kierkegaard s Works of Love 1847 a series of deliberations on the commandment to love one s neighbor has often been condemned by critics Here Ferreira seeks to rehabilitate Works of Love as one of Kierkegaard s most important works He shows that Kierkegaard s deliberations on love are highly relevant to some important themes in contemporary ethics including impartiality duty equality mutuality reciprocity self love sympathy and sacrifice Ferreira also argues that Works of Love bears on issues peculiar to a religious ethic such as the role of God as middle term and the possibility of preserving the aesthetic dimensions of love in a religious ethic of relation

Cross-Cultural Perspectives on the Experience and Expression of Love Victor Karandashev, 2019-06-05 This ambitious volume integrates findings from various disciplines in a comprehensive description of the modern research on love and provides a systematic review of love experience and expression from cross cultural perspective It explores numerous interdisciplinary topics bringing together research in biological and social sciences to explore love probing the cross cultural similarities and differences in the feelings thoughts and expressions of love The book s scope which includes a review of major theories and key research instruments provides a comprehensive background for any reader interested in developing an enlightened understanding of the cultural diversity in the concepts experience and expression of love Included among the chapters How do people in different cultures conceptualize love How similar and different are the experiences and expressions of love across cultures What are the cultural factors affecting the experience and expression of love Cross cultural understanding of love as passion joy commitment union respect submission intimacy dependency and more A review of the past and looking into the future of cross cultural love research Critical reading for our global age Cross Cultural Perspectives on the Experience and Expression of Love promotes a thorough understanding of cross cultural similarities and differences in love and in so doing is valuable not only for love scholars emotion researchers and social psychologists but also for practitioners and clinicians working with multicultural couples and families The most striking feature of this book is the broad array of perspectives that is covered

Love is portrayed as a universally found emotion with biological underpinnings. The text expands from this core incorporating a wide range of manifestations of love: passion, admiration of, and submission to a partner, gift giving and benevolence, attachment and trust etc. Information on each topic comes from a variety of sources, cross culturally and interdisciplinary. The text is integrative with a focus on informational value of ideas and findings. If you take an interest in how love in its broadest sense is experienced and expressed, you will find this to be a very rich text. Ype H Poortinga, Tilburg University, The Netherlands; Catholic University of Leuven, Leuven, Belgium. In this wide ranging book, Victor Karandashev expertly guides us through the dazzling complexity of our concept and experience of love. Not only does he show the many different ingredients that make up our conceptions of love in particular cultures, such as idealization of the beloved, commitment, union, intimacy, friendship and others, he draws our attention to the bewildering array of differences between their applications in different cultural contexts or to their presence or absence in a culture. In reading the book, we also get as a bonus an idea of how an elusive concept such as love can be scientifically studied by a variety of methodologies, all to our benefit. A masterful accomplishment. K. Vecses Zoltán, Eötvös Loránd University, Budapest, Hungary. Long considered a research purview of only a portion of the world's cultures, we know today that love is universal, albeit with many cultural differences in meaning, form and expression. Moreover, love has a rich history of scholarship across multiple disciplines. Within this backdrop, Karandashev has compiled a remarkably comprehensive global review of how people experience and express their emotions in love. Covering the topic from a truly international and interdisciplinary perspective, this book is an indispensable source of knowledge about cultural and cross cultural studies conducted in recent decades and is a must read for anyone interested in the universal and culturally diverse aspects of love. David Matsumoto, San Francisco State University, Director of SFSU's Culture and Emotion Research Laboratory. *Love, Intimacy, and the African American Couple*, Katherine M. Helm, Jon Carlson, 2013. *Love, Intimacy, and the African American Couple* lays out specific strategies that clinicians can use in their work with black couples, regardless of the clinician's own race or level of experience.
