Love Jones:

Real Sister Jervette R. Ward, 2015-11-02 From *The Real Housewives of Atlanta* to *Flavor of Love* reality shows with predominantly black casts have often been criticized for their negative representation of African American women as loud angry and violent Yet even as these programs appear to be rehashing old stereotypes of black women the critiques of them are arguably problematic in their own way as the notion of respectability has historically been used to police black women's behaviors The first book of scholarship devoted to the issue of how black women are depicted on reality television *Real Sister* offers an even handed consideration of the genre The book's ten contributors black female scholars from a variety of disciplines provide a wide range of perspectives while considering everything from *Basketball Wives* to *Say Yes to the Dress* As regular viewers of reality television these scholars are able to note ways in which the genre presents positive images of black womanhood even as they catalog a litany of stereotypes about race class and gender that it tends to reinforce Rather than simply dismissing reality television as trash this collection takes the genre seriously as an important touchstone in ongoing cultural debates about what constitutes trashiness and respectability Written in an accessible style that will appeal to reality TV fans both inside and outside of academia *Real Sister* thus seeks to inspire a more nuanced thoughtful conversation about the genre's representations and their effects on the black community *Bare* Wes L Lotus, 2013-10 Poetry is certainly a form of art that I appreciate When I want to express myself I write on paper and then I read my words out loud What I love most about poetry is that it has no boundaries and I personally believe that freedom of expression is poetry's best friend Poetry allows me to evolve in so many ways and challenges me to learn more and create art for the mind Sometimes I'm at a loss for words to write at times it takes minutes hours days and months for me to write a new piece Just like any relationship poetry requires patience dedication and understanding Anyone can write a poem if they put their mind to it but to write continuous poetry you need the passion for it Some may view my work as prose or spoken word to me personally they all come from the same family so if you are probably wondering what I write I write poetry *Speak...* Evelyn Page Lee, 2012-04-19 *Speak* when spoken to takes you through all types and rhythms of spoken word From Prayers to payback from lovers to cheaters beyond and back Experience real life through these pages of spoken word Vulgar yet sweet passionate yet bitter feelings hidden in between lines and lines of words that should have been said But life as we know it teaches us when and when not to speak when spoken to EPL *Lisa's Out Let's*, *Catalog of Copyright Entries* Library of Congress. Copyright Office, 1964 *Singular Selves* Ketaki Chowkhani, Craig Wynne, 2023-10-31 This book examines for perhaps the first time singlehood at the intersections of race media language culture literature space health and life satisfaction It adopts an interdisciplinary approach borrowing from sociology literary studies medical humanities race studies linguistics demographic studies and critical geography to understand singlehood in the world today This collection of essays aims to establish the discipline of Singles Studies finding new ways of examining it from various disciplinary and cultural

perspectives It begins with laying the field and then moves on to critically look at how race has shaped the way we understand singlehood in the West and how class age gender privilege and the media play a role in shaping singlehood It argues for a need for increased interdisciplinarity within the field for example analyzing singlehood from the perspective of medical humanities The volume also explores the role workplace living arrangements financial status and gender play in single people s life satisfaction With an interdisciplinary and transnational approach this interdisciplinary volume seeks to establish Singles Studies as a truly global discipline This pathbreaking volume would be of interest to students and researchers of sociology literature linguistics media studies and psychology Catalog of Copyright Entries, Third Series,1967 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc Catalog of Copyright Entries ,1939 **Moral Scepticism** Clement Dore,1991-05-24 **SongCite** William D.
