Love Letters to God Yvonne Annette' Stroud,2021-04-12 Relationships require nurturing in order to be strong No relationship requires more nurturing than our relationship with God God doesn't need to spend time with us to get to know us After all he is the all seeing all knowing ever present God However we need to spend quality time with God to get to know him In getting to know God we are strengthened encouraged and empowered Within the pages of this book you will find a journey that creates time for you to spend with God Daily reads and tasks are perfect for everyone even the busy The love letters have been strategically ordered by God and sectioned into three parts While they are my personal words to God read them as though they were coming from you Embrace the message in each letter In addition you will be asked to honestly reflect on your life in ways you might never have reflected Be true to yourself More importantly be true to God Finally each poem has a day set aside for you to meditate on God's Word and listen to what God is saying to you personally While reading straight through the book is tempting it is recommended you take each step one day at a time God has designed this journey to be thirty six days for a reason Just as he took his time creating the earth in all its beauty God wants this time spent with him to establish a beauty he has designed especially for you All you have to do is open your heart to God as you travel Quote from the book No one does more for us than God Even when we forget about God he doesn't forget about us **Love Letters to God** Lynn D. Morrissey,2010-07-07 Women yearn to share their experiences with the Lover of their souls in a way that is honest and simple yet deeply satisfying The key to this intimate self expression is prayer journaling By pouring her heart out on paper to God a woman can enjoy God's loving presence explore her purpose and passion appreciate life's beauty and answer its perplexities experience spiritual transformation and leave a permanent record of God's faithfulness in her life Love Letters to God is a woman's invitation to take a personal pilgrimage through her own sacred writings to the very heart of God DISCOVER THE WAY TO GOD'S HEART Your holding an invitation in your hands an invitation to take a personal pilgrimage through your own sacred writings to the very heart of God If you're intimidated by praying aloud or easily distracted during your devotional time pouring your heart out on paper will give you the privacy and intimacy you need

Inspired by these beautifully written reflections you'll find the most fulfilling way to enjoy God's loving presence, explore your purpose and passion and leave a permanent record of His love and faithfulness in your life. Find freedom, healing, hope and security as you share your deepest longings with the lover of your soul. Story Behind the Book Writing one's prayers in a journal, unlike verbal or silent prayers, provides an actual safe place to grow spiritually and to enjoy and enhance a personal relationship with God. Verbal prayers are soon forgotten, but our love letters to God become a permanent place for exploring our hearts, a tangible testimony of God's love and faithfulness in our lives and a detailed document of our spiritual journeys. We can literally see the progression of changes in our lives as expressed on the pages of our soul, our prayer journals, and we can see God's answers to our prayers recorded there. Like the psalmists, many people have discovered that writing is the key to intimate self-expression, providing a deep emotional catharsis that is often missing from their verbal or silent prayers.

Love Letters to God Devon Spencer, Katherine Willis Pershey, 2025-07-29 *Love Letters to God* is an intensely personal and deeply theological book of epistles between two dear friends. The authors hail from different backgrounds in faith, family and life circumstances but find common ground in their devotion to Christ, Christianity and each other. The letters chronicle a year in the life of this friendship, marked by fervent faith and bouts of unbelief, suffering and rejoicing, death, loss and baptism, and the sanctification of a friendship. The tone is at once literary and personal, peppered as much with theological references as unrefined vulnerability and speaks to all who cherish their faith and their friends. **Love Letters to God** Susan

Sievert, 2023-11-06 My book is first to praise God, Jesus and Holy Spirit and also to express words of love to Mother Mary. Virgin Mother, may these words speak to your heart as they have me. **Love Letters to God!!!** Marybeth Smith, 2021-03-12 The book is about love letters to God. I write about angels, love and hate in the world. I write about my feelings about dying and even respect. It is a small book but a great read. **Love Letters to God** Victoria Teran, 2004-04-20 Victoria Teran

invites you to join her on a journey of delights found in living daily. In this book, you will see the hand of the King as He reveals to her His marvelous handiwork. This inspirational book from an ordinary woman, wife and mother, will make you ponder things in your heart and help you to see the many treasures that await you if you are looking for them. **Love Letters to God**, 2008-03-25 *Love Letters* is a collection of soul-born poetry that is an expression of the writer's daily walk with the love of her life, Jesus Christ. The book renders responses to spiritual and emotional struggles and triumphs, prayers and miraculous answers, along with times of supposed distance from God and renewed fellowship and devotion. It is relatable to anyone who is familiar with the pains associated with life and daily interactions with people who are sometimes not so kind. It keeps us reminded that there is Someone always present to help us pick up the pieces and go on, to love us, to comfort us and encourage us to be all that we can. He, Jesus, is the Lover to whom these songs are written, both the giver and the object of utmost affection. The writer would also have us to understand that in spite of what the subtitle may suggest, this book, *A Book of Psalms*, is in no way to be seen as an attempt to substitute for THE book of Psalms. That simply cannot be. This is why

seventy five poems were written which is exactly half of the Book of Psalms one hundred fifty to suggest a desire to be at least half the poet that David was said with a smile It is written relative to the life devotion and struggles of one who walks with God in this present day and time and it is hopeful that the reader will discern this and thus be enhanced in some way by it
