Love Me Anyway:

Still as Death Sarah Stewart Taylor, 2025-10-16 Art history professor Sweeney St George is in the middle of putting together an exhibit on her specialty the art of death for the university museum when she makes an unusual discovery A valuable piece of Egyptian funerary jewelry that should be in the museum's collection seems to be missing Searching for answers Sweeney learns that a student intern at the museum was the last person to check out the piece a young woman who died of an apparent suicide soon after she handled the piece more than twenty five years ago Going on with the exhibition without the intricately beaded Egyptian collar Sweeney can't let it drop altogether Nor can she forget the student Karen Philips who died just a few months after working with the piece A little digging shows that Karen was working at the museum the night it was robbed that same year and Sweeney becomes even more curious But her interest in mysteries past pales when a present day murder brings Sweeney and her colleagues at the museum under the Cambridge Police Department spotlight in the person of Detective Tim Quinn whom Sweeney has worked with before In the latest installment in this rich and fascinating series Sweeney and Tim go after a killer trying to resolve questions both immediate and decades old before it's too late

Breath of a Fallen Angel Damaris Chanza, 2025-11-07 To Begin Just a simple girl riddled with ambition destined to conquer the world until a man strips away her inhibitions She's been here before time and time again charmed by the love lore only to be heartbroken But this time she stays convinced something can change until she too starts to play and the roles are rearranged Soon a hostage to her own brain strangled by the grasp of love and hate Stability and commitment she craved but immorality is all he could demonstrate Confused by truth enamored by lies stifled by truth too torn to say goodbye With wavering strength grown from fights past will come a moment so tense she'll be aghast OK enough of that let's rewind to when summer and autumn blend With the scene set keep in mind if it's not okay it's not the end

Places Donald Shockley,2003-12 Don Shockley may be the only person in America who likes to wait He has discovered that
 active waiting opens the door to spiritual experiences that are often humorous as well as serious and deep He believes that
 the key to prayer is not in the act of asking but in the art of listening For more than twenty five years he has transformed the
 necessity to wait into an opportunity to look listen and learn More often than not this distinctive form of meditation has been
 practiced in urban environments waiting rooms of doctors and dentists on buses planes and trains in bakeries coffee shops
 and college cafeterias in libraries parks and bars These spiritual interludes have been captured in exceptionally vivid writing
 you can see what the author is saying When the late Howard Thurman one of America s foremost spiritual thinkers saw some
 of the early pieces included in this book he said they were precisely on target and should be shared Over the years since
 these Private Prayers in Public Places have been well received when read before various groups and at long last they are now
 available in print **Lady at Luke 1:45** Marvelyn Pettigrew,2018-08-06 Are you an average good hearted person who has

the countless shards of stained glass I collected as memories throughout my life It s not perfect maybe not even whole It is my stumbling steps through my own dark forest trying to make sense of the plans of the universe It is a collection of poetry made of daydreams and truths the world around me and the one inside my mind And I wanted to say it is for the fighters and the gentle souls For those lost in the night and the ones profoundly found For the ones who crave deep connection like oxygen but are forced to live in high altitudes This is for one soul and for all the billions coursing through the stars for eternity But who am I to say all that The truth is if it can help just one person to feel what they never dared to speak just like writing it helped me even if it only ever touches one heart it has fulfilled its purpose It s just mirrors and some broken glass But if you use them right The Kaleidoscope shows you another life
