Love Or Honor:

Who Is Phaedrus? Marshall Bradley, 2012-11-06 *Who Is Phaedrus* This book delivers answers Many have said Phaedrus is the most intriguing of Plato's works Phaedrus is certainly one of the most difficult to follow and fathom In part this is because the title figure Phaedrus himself has remained a mystery *Who Is Phaedrus* takes us on a tour of this intricate dialogue a work of philosophy and history and a work of art In *Who Is Phaedrus* we see how and why Phaedrus became involved in the most sensational scandals both religious and political in ancient Athens and yet we see Phaedrus come across as a person remarkably contemporary someone who could walk through a time seam and be wholly understandable as a soul in the twenty first century Perplexed as well as perplexing Phaedrus in the final analysis needs Socrates timeless philosophy as a salve and therapy and we follow along as Socrates delivers

MarriageBiz Dr. Stephanie Knarr, 2011-10-02 *MarriageBiz* uses an innovative approach to teach couples to transfer service oriented skills used in their business life right into their marriage relationship Profitable businesses teach attitudes and skills to effectively service consumer complaints Likewise successful marriage partners have attitudes and skills that resolve relationship complaints *MarriageBiz* is an important read for couples because it addresses a primary predictor for relationship failure unresolved complaints *MarriageBiz* is a quick straightforward book with humorous examples meant to create more successful marriage relationships

Reverence Paul Woodruff, Betty S. Flowers, 2014 *Reverence* is an ancient virtue that survives among us in half forgotten patterns of civility and moments of inarticulate awe *Reverence* gives meaning to much that we do yet the word has almost passed out of our vocabulary *Reverence* says philosopher and classicist Paul Woodruff begins in an understanding of human limitations From this grows the capacity to be in awe of whatever we believe lies outside our control God truth justice nature even death It is a quality of character that is especially important in leadership and in teaching although it figures in virtually every human relationship It transcends religious boundaries and can be found outside religion altogether Woodruff draws on thinking about this lost virtue in ancient Greek and Chinese traditions and applies lessons from these highly reverent cultures to today's world The book covers reverence in a variety of contexts the arts leadership teaching warfare and the home and shows how essential a quality it is to a well functioning society First published by Oxford University Press in 2001 this new edition of *Reverence* is revised and expanded It contains a foreword by Betty Sue Flowers Distinguished Teaching Professor Emeritus at the University of Texas at Austin a new preface two new chapters one on the sacred and one on compassion and an epilogue focused on renewing reverence in our own lives

To Love, Honor, and Obey in Colonial Mexico Patricia Seed, 1988 An account of the transformation of cultural assumptions affecting parental authority and children's freedom to choose marriage partners this book traces colonial period changes in ideas about free will love and honor and in the views of the Catholic church

Sex and Love in Porfirian Mexico City Michael Matthews, 2025-05-06 Exploring the sexual lives of the poor and working class in turn of the century Mexico This social history explores the romantic and sexual lives of the

poor and working class in Mexico City during the rule of dictator Porfirio Díaz from 1876 to 1911. By analyzing sexually based crime cases and stories in the penny press, Michael Matthews sheds light on everyday struggles, joys, and desires. Matthews argues that lower class individuals had more liberated sexual lives than their wealthier counterparts, influenced by the city's growth and cultural changes. In this book, Matthews examines how Mexico City's expanding infrastructure, increasing factory work, and new leisure and entertainment activities shaped courtship and sexual practices. He delves into the world of tenement buildings and street life to reconstruct days defined by love and desire, romance and rape, seduction and sex work, and promises kept and broken. Matthews connects the sexual culture of the poor to the changes taking place as the Mexican state modernized and underwent tremendous capitalist growth and development. *Sex and Love in Porfirian Mexico City* provides insights into how social and economic developments shaped cultural norms surrounding honor, marriage, morality, and parental authority during this period. It will spur new reflections on the possible influence of lower class culture on modern day romance and sexual values.

Of Love and Loathing Nicholas A. Robins, 2015-12. Policies concerning marriage, morality, and intimacy were central to the efforts of the Spanish monarchy to maintain social control in colonial Charcas. The Bourbon Crown depended on the patriarchal caste-based social system on which its colonial enterprise was built to maintain control over a vast region that today encompasses Bolivia and parts of Peru, Chile, Paraguay, and Argentina. Intimacy became a fulcrum of social control, contested by individuals, families, the state, and the Catholic Church, and deeply personal emotions and experiences were unwillingly transformed into social, political, and moral challenges. In *Of Love and Loathing*, Nicholas A. Robins examines the application of late colonial Bourbon policies concerning marriage, morality, and intimacy. Robins examines how such policies and the means by which they were enforced highlight the moral, racial, and patriarchal ideals of the time and more importantly, the degree to which the policies were evaded. Not only did free unions, illegitimate children, and de facto divorces abound, but women also had significantly more agency regarding resources, relationships, and movement than has previously been recognized. A surprising image of society emerges from Robins's analysis, one with considerably more moral latitude than can be found from the perspectives of religious doctrine and royal edicts. [The New Jerusalem Magazine](#), 1851. Includes Journal of the Massachusetts Association of the New Jerusalem Church, 94th to 127th Meeting, 1877.

93 **The Millennial Harbinger** Alexander Campbell, Charles Louis Loos, 1833 **The Visual Dominant in Eighteenth-Century Russia** Marcus C. Levitt, 2011-10-01. The Enlightenment privileged vision as the principle means of understanding the world, but the eighteenth-century Russian preoccupation with sight was not merely a Western import. In his masterful study, Levitt shows the visual to have had deep indigenous roots in Russian Orthodox culture and theology, arguing that the visual played a crucial role in the formation of early modern Russian culture and identity. Levitt traces the early modern Russian quest for visibility from jubilant self-discovery to serious reflexivity to anxiety and crisis. The book examines verbal constructs of sight in poetry, drama, philosophy, theology, essay, memoir, that provide evidence for

understanding the special character of vision of the epoch Levitt's groundbreaking work represents both a new reading of various central and lesser known texts and a broader revisualization of Russian eighteenth century culture Works that have considered the intersections of Russian literature and the visual in recent years have dealt almost exclusively with the modern period or with icons The Visual Dominant in Eighteenth Century Russia is an important addition to the scholarship and will be of major interest to scholars and students of Russian literature culture and religion and specialists on the Enlightenment

Secrets To Lasting Love Gary Smalley, 2001-02-08 Gary Smalley is one of the world's foremost speakers and experts on love and relationships His gift for helping couples create more meaningful communication and deeper understanding so that they can establish an unwavering bond is the inspiration behind Secrets to Lasting Love the culmination of Smalley's decades of work In it he outlines the three essential skills that move couples to the highest levels of intimacy Respect your spouse for all of his or her individual qualities and differences from you Communicate with each other in a way that moves conversations into deeper realms of understanding Renew and recharge your spouse emotionally mentally physically and spiritually constantly It is not easy to recognize and then apply these skills But Secrets to Lasting Love shows everyone how to do just that so they can reach what Smalley calls the fifth or ultimate level of intimacy where there's a marital bond strong enough to withstand the inevitable highs and lows of life With Gary Smalley you will have the tools to create a heightened sense of commitment that will allow you to reach your spouse's heart and spirit
