Love Piglet:

Love from Piglet A. A. Milne, 2001-12-01 **Piglet** Melissa Shapiro, Mim Eichler Rivas, 2022-06-07 In the tradition of the Marley and Me and Oogy The Dog Only a Family Could Love Piglet is a charming inspirational memoir about empathy resilience kindness and an adorable deaf blind pink dog **Piglet** Lottie Hazell, 2024-02-27 A New York Times Notable Book A Belletrist Book Club Pick An elegant razor sharp debut about women s ambitions and appetites and the truth about having it all Outside of a childhood nickname she can t shake Piglet s rather pleased with how her life s turned out An up and coming cookbook editor at a London publishing house she s got lovely loyal friends and a handsome fianc Kit whose rarefied family she actually most of the time likes despite their upper class eccentricities One of the many many things Kit loves about Piglet is the delicious unfathomably elaborate meals she s always cooking But when Kit confesses a horrible betrayal two weeks before they re set to be married Piglet finds herself suddenly hungry The couple decides to move forward with the wedding as planned but as it nears and Piglet balances family expectations pressure at work and her quest to make the perfect cake she finds herself increasingly unsettled behaving in ways even she can t explain Torn between a life she s always wanted and the ravenousness that comes with not getting what she knows she deserves Piglet is by the day of her wedding undone but also ready to look beyond the lies we sometimes tell ourselves to get by A stylish uncommonly clever novel about the things we want and the things we think we want Piglet is both an examination of women s often complicated relationship with food and a celebration of the messes life sometimes makes for us *Piglet's Process* Bruce G. Epperly, 2019-11-13 Does theology have to be dry and boring in order to be serious Not at all The prophet Isaiah once said a little child will lead them But what about a character from Winnie the Pooh Can anxious yet adventurous Piglet help us understand our relationship with God and one another Theology is serious business So serious that it can t be left solely to adults Bruce Epperly s imaginative conversations with Piglet explore the contours of theological reflection from the perspective of Process Theology Process Theology is often seen as far too complicated for adults to understand and impossible to teach or preach to laypeople In this text an experienced pastor and professor and a beloved character from the Winnie the Pooh stories bring Process Theology to life and explore themes such as beauty spirituality adventure friendship healing and God s presence in our lives In the spirit of Jesus parables Piglet s Process will inspire your imagination and creativity and invite you on a never ending spiritual journey with a theologian stuffed animal and the healer from Nazareth as your companions This is a book to read for fun and study seriously It s theology for everyone *The Shadows of Rookhaven* Pádraig Kenny, 2022-10-11 The exquisite sequel to The Monsters of Rookhaven following the half human and half monster Mirabelle on a mission to protect the only home she s ever known from a sinister new threat bent on eradicating her family perfect for fans of Christian McKay Heidicker Robert Beatty and Victoria Schwab Shadows are gathering over Rookhaven Village and no human or monster is safe In the wake of the shocking revelation that Mirabelle is part human and part monster our heroine feels like an outsider

both at home and in the greater human world She isn't quite like the rest of the monsters who raised her at Rookhaven Manor but she also doesn't recognize herself in humanity especially after witnessing the terrifying damage left by The Blitz But as the Great Configuration a once in a hundred years event descends upon Rookhaven Village there's barely enough time to think of herself Humans and monsters are gathering from all over the country to take part in the festivities Though amid the guests is an insidious interloper A young boy named Billy who is desperate to protect his own is working for someone who wants to destroy Mirabelle's family When Billy steals something precious to Mirabelle there's more than just her family at stake Billy is being used for an experiment that could incite a disaster that will affect humans and monsters alike With the fate of the world on her shoulders Mirabelle must risk everything and everyone to save the people she loves most A stunning gothic fantasy with a beating heart *The Shadows of Rookhaven* concludes P. Craig Kenny's duology with a masterful ending that reveals the crucial truth that family is much more than just a place it's the people you love and the home you find within yourself
