

Love

I wrote your name in the sand
but the waves washed it away,
then I wrote it in the sky
but the wind blew it away,
so I wrote it in my heart
and that's where it will stay.

DeVault, 2002-12-11 Taken from life experiences and providing insight and expression to the needs cravings and desires we all share William F DeVault gives us over one hundred extraordinary poems of love The Romantic Poet of the Internet takes us into the mind and heart of everyone who has ever sought or felt love and gives us words worthy of remembering and motivating us to express our souls passions Whether you are looking for an emotional rush a poem that expresses feelings you can t find the words for or a reference book for inspiring yourself and others there is no better guide to gates of the City of Legends than the Internet s and America s master poet Fully indexed by first lines and featuring a variety of styles and states of the heart this is a perfect gift to a lover or for anyone who thinks that real poetry

and eloquence is past its prime For here is the prime of love poetry William F DeVault s poetry embodies the essence of romance Brandy Walton Senior Poetry Editor EWG Presents Renee's Poems with Wings Are Words in Flight Renee Drummond-Brown,2015-07-13 Renees Poems with Wings Are Words in Flight is a collection of poetic accounts designed to have colorblind justice hear the truth touch freedom taste love and smell the Rose of Sharon This book is written with such conviction that it is sure to cleanse the soul mend the broken heart and ultimately transform ones mind Arabic and Hebrew Love Poems in Al-Andalus Shari Lowin,2013-11-20 Arabic and Hebrew Love Poems in al Andalus investigates a largely overlooked subset of Muslim and Jewish love poetry in medieval Spain hetero and homo erotic love poems written by Muslim and Jewish religious scholars in which the lover and his sensual experience of the beloved are compared to scriptural characters and storylines This book examines the ways in which the scriptural referents fit in with or differ from the traditional Andalusian poetic conventions The study then proceeds to compare the scriptural stories and characters as presented in the poems with their scriptural and exegetical sources This new intertextual analysis reveals that the Jewish and Muslim scholar poets utilized their sacred literature in their poems of desire as more than poetic ornamentation in employing Qur'anic heroes in their secular verses the Muslim poets presented a justification of profane love and sanctification of erotic human passions In the Hebrew lust poems which utilize biblical heroes we can detect subtle subversive and surprisingly placed interpretations of biblical accounts Moving beyond the concern with literary history to challenge the traditional boundaries between secular and religious poetry this book provides a new multidisciplinary approach to existing materials and will be of interest to students scholars and researchers of Islamic and Jewish Studies as well as to those with an interest in Hebrew and Arabic poetry of Islamic Spain *How to Write a Love Poem* HowExpert Press,Howard Moore,2016-09-07 If you want to learn how to write a love poem then check out *How To Write a Love Poem* written by a love poetry enthusiast Love poetry can be about romantic love but far more It can be about love of country of a people or nation It can be about love of ideals such as freedom and peace Poetry can be rhymed or written in one of many recognized forms of poetry such as a Sonnet It can be unrhymed and follow no uniform pattern In any topic or form love poetry can be written by making images for the reader and then moving from image to image to express the writer s chosen feelings and ideas Love poetry can be inspired by experiences the classics legends heroic figures patriotism personal ideals or even the works of other poets The first step is to understand what love poetry is a way to relate feelings to the art of words It is the skillful use of words to bring ideas about feelings and emotions to a reader One important skill is to be able to capture an image This should be done in as few words as possible it can also be done very effectively at the beginning of the write such as in the opening lines or first stanza Love can mean many things in addition to romantic love love of a place a people a nation it can be love of people for various reasons Relationships friendships and family are examples of love of this kind There are unique and special bonds of love between parent and child All of these forms of love can be the subject of a love poem Once the

image is captured there are choices for the writer to make to rhyme use a poetry form use free verse use images or develop a metaphor so that some few words will stand for something much larger in scope Other forms of poetry are song lyrics Rap and spoken poetry These all have in common the idea of combining rhythm and words These are even more special talents to do blend music and or rhythms into poetry Read How to Write a Love Poem Today [The Erotic Word](#) David M.

The Essential June Jordan June Jordan,2021-05-04 This volume of verse displays the undeniable legacy June Jordan left on both our literature and culture Collected here are blazing examples of poetry as activism stanzas that speak truth to power and speak out against violence against women and police brutality But Jordan also speaks on the significance of hope mixing as Brown puts it the doom and devastation made mundane through media with the hard decision to love anyway O The Oprah

Magazine The Essential June Jordan honors the enduring legacy of a poet fiercely dedicated to building a better world In this definitive volume introduced by Pulitzer Prize winner Jericho Brown June Jordan s generous body of poetry is distilled and curated to represent the very best of her works Written over the span of several decades from Some Changes in 1971 to Last Poems in 2001 Jordan s poems are at once of their era and tragically current with subject matter including racist police brutality violence against women and the opportunity for global solidarity amongst people who are marginalized or outside of the norm In these poems of great immediacy and radical kindness humor and embodied candor readers will re discover a voice that has inspired generations of contemporary poets to write their truths June Jordan is a powerful voice of the time honored movement for justice a poet for the ages Introduced by Jericho Brown winner of the 2020 Pulitzer prize in poetry

Between Hebrew and Arabic Poetry Yosef Tobi,2010-07-14 The book includes sixteen studies about medieval Hebrew poetry compared with Arabic poetry It is well known that since the tenth century medieval Hebrew poets took Arabic poetry as the ultimate paradigm in terms of prosody language purism and rhetorical devices and even in regard to poetical genres However the concept unifying all studies in this book is that a comparative examination must consider not only the identical elements in which Hebrew poetry borrowed from the Arabic one but also what is much more significant what Hebrew poetry stubbornly set itself at a distance from Arabic poetry The conclusive result of this sort of examination is that Hebrew poetry combined selectively borrowed Arabic poetical values with traditional ethical Jewish values to create a distinctive poetical school

The Writing of Yehuda Amichai Glenda Abramson,2012-02-01 Yehuda Amichai is an Israeli poet of international distinction Known as Israel s master poet Amichai conveys a portrait of life in modern Israel summarizing and reflecting all the major preoccupations of his generation Unlike most of his Israeli contemporaries he explores the alteration of Jewish perspectives the loss of religious orthodoxy and the nature of Jewish identity in the mid 20th century He illuminates the dislocation of Jewish life after the Holocaust and the dilemma of response on the part of young

Israelis His poetic language is rich in figuration and laced with quotations from classical Jewish texts which he manipulates into ironic discourse with the problems of the present Echoing the 17th century metaphysical poets Amichai's writing reveals a tussle between physical love and spirituality its tension lies in his failure to synthesize both in religious faith Abramson presents a detailed critical description and thematic analysis of Amichai's work with reference to the historical background from which it has emerged The problems of an emerging national culture are seen subjectively through the eyes of one of its most sensitive and perceptive literary observers The Poetry of Raymond Carver Sandra Lee Kleppe, 2016-02-24 Best known as one of the great short story writers of the twentieth century Raymond Carver also published several volumes of poetry and considered himself as much a poet as a fiction writer Sandra Lee Kleppe combines comparative analysis with an in depth examination of Carver's poems making a case for the quality of Carver's poetic output and showing the central role Carver's pursuit of poetry played in his career as a writer Carver constructed his own organic literary system of autopoetics a concept connected to a paradigm shift in our understanding of the inter relatedness of biological and cultural systems This idea is seen as informing Carver's entire production and a distinguishing feature of Kleppe's book is its contextualization of Carver's poetry within the complex literary and scientific systems that influenced his development as a writer Kleppe addresses the common themes and intertextual links between Carver's poetry and short story careers situates Carver's poetry within the love poem tradition explores the connections between neurology and poetic memories and examines Carver's use of the elegy genre within the context of his terminal illness Tellingly Carver's poetry which has aroused slight interest among literary scholars is frequently taught to medical students This testimony to the interdisciplinary implications of Carver's work suggests the appropriateness of Kleppe's culminating discussion of Carver's work as a bridge between the fields of literature and medicine **A German and English Dictionary** Karl Breul, 1906 Fictions of Masculinity Peter F. Murphy, 1994-07 We are just beginning to understand masculinity as a fiction or a localizable historical and therefore unstable construct This book points the way to a much needed interrogation of the many modes of masculinity as represented in literature Both women and men who are engaged in critical thinking about genders and sexualities will find these essays always thoughtful and often provocative Thas E Morgan Associate Professor of English Arizona State University Peter Murphy has assembled an innovative challenging and important set of contributions to a growing field of inquiry into constructions of masculinities in literature inspired principally by feminist and gay studies Illuminatingly crossing lines of genders sexualities cultures and methodologies Fictions of Masculinity greatly advances our understanding of representations of men masculinities misandry and misogyny in a wide range of literary works and genres and helps us to imagine and thereby ultimately bring about alternative constructions Harry Brod Editor The Making of Masculinities The New Men's Studies A Mensch Among Men Explorations in Jewish Masculinity and Theorizing Masculinities Women writing about women dominates contemporary work on sexuality Men have been far more willing to discuss female sexuality than

male sexuality while the most radical and insightful analyses of male sexuality have come from women When men consider the issue of female sexuality they often speak from assumptions of security about their own unexamined sexuality This book maintains that men have to interrogate their own sexuality if there is to be a revision of phallogentric discourse and that this revision of masculinity must be done in dialogue with women The essays included in this collection examine the deep structure of masculine codes They ask the question Who are the men in modern literature Examining the force of the dominant values of Western masculinity they synthesize insights from feminism psychoanalysis post structuralism and new historicism These perspectives help explain how male sexuality has been structured by fictional representations By examining the images of masculinity in modern literature the essays explore traditional and non traditional roles of men in society and in personal relationships They look at how men are represented in literature the fiction of manhood They attempt to unravel the assumptions behind these representations by looking at the implications of this imagination And they speculate on possibilities for creating a new imaginary of masculinity by identifying what literature has to say about that change With analyses of a range of genres novels poetry plays and autobiography Western and Third World literatures and theoretical perspectives Fictions of Masculinity provides a significant contribution to this rapidly growing field of study Contributors are David Bergman Towson State University Miriam Cooke Duke University Martin Danahy Emory University Richard Dellamora Trent University Ontario Leonard Duroche University of Minnesota Jim Elledge Illinois State University Alfred Habegger University of Kansas Suzanne Kehde California Polytechnic University San Luis Obispo David Leverenz University of Florida Christopher Metress Wake Forest University Peter F Murphy SUNY Empire State College Rafael Prez Torres University of Pennsylvania David Radavich Eastern Illinois University and Peter Schwenger St Vincent University Nova Scotia Kāvya in South India Herman Tieken,2021-12-28 Old Tamil Ca kam poetry consists of eight anthologies of short poems on love and war and a treatise on grammar and poetics The main part of this corpus has generally been dated to the first centuries AD and is believed to be the product of a native Tamil culture The present study argues that the poems do not describe a contemporary society but a society from the past or one not yet affected by North Indian Sanskrit culture Consequently the main argument for the current early dating of Ca kam poetry is no longer valid Furthermore on the basis of a study of the historical setting of the heroic poems and of the role of Tamil as a literary language in the Ca kam corpus it is argued that the poetic tradition was developed by the P iyas in the ninth or tenth century This volume deals with the identification of the various genres of Ca kam poetry with literary types from the Sanskrit K vya tradition Counterparts have been found exclusively among Pr krit and Apabhra a texts which indicate that in Ca kam poetry Tamil has been specifically assigned the role of a Pr krit As such the present study reveals the processes and attitudes involved in the development of a vernacular language into a literary idiom **Writing about Literature with 2009 MLA Update** Janet E.
