The Untold Story Rebecca Kaddi, 2014-06-27 Author and writer Rebecca Kaddi has a passion for saving souls and building marriages In this book she provides a true account of how Satan used his agent in the church to destroy marriages and Christians She explains that as a sign for the end times deception is on the rise even in the churches Deception is no longer dark for you to be able to distinguish easily It appears just as written in 2 Corinthians 11:13-14 For such are false apostles deceitful workers transforming themselves into apostles of Christ And no wonder For Satan himself transforms himself into an angel of light NKJV It is now very difficult to tell the difference between righteous and unrighteous good and evil clean and unclean holy and unholy and sacred and secular The false prophets select the parts of the scripture that will support their philosophical and psychological intentions and deceive many into thinking that they are real It is time for men and women to guide themselves with the spirit of discernment This book reveals what to watch for so that you do not fall into their traps They generally do not preach salvation They may call the name of God and Christ but will never want you to be saved They make you feel good and comfortable and never challenge you to come out of your sins and submit to God
