Reflections on Romans Dr. Randy L. James, 2021-11-15 Out of the Covid 19 Pandemic something meaningful emerged Beginning at a time when people were locked in their homes while the schools businesses and most of society were under quarantine a desire emerged to do something that would encourage people who were alone This book began as a daily audible devotional message made possible by an email link to friends and family around the world hoping to provide some light during a dark time Though the virus and its variants are still with us and have taken quite a toll on the nations of the world there is hope for a day when this particular sickness will be behind us But even if it lingers or should another such crisis arise we always have the Word of God to give us comfort and provide grace to face whatever challenges may come our way Reflections on Romans will hopefully be a tool that will aid those who continue to look for direction for their lives and a connection to their God amid such times **3 1/2 Seconds to Live** Kate Thomas Baker, Don Baker, 2017-01-17 From a
