The Ascent of Humanity Charles Eisenstein, 2013-02-05 The author of *The More Beautiful World Our Hearts Know Is Possible* explores the history and potential future of civilization tracing the converging crises of our age to the illusion of the separate self Our disconnection from one another and the natural world has mislaid the foundations of science religion money technology economics medicine and education as we know them It has fired our near pathological pursuit of technological Utopias even as we push ourselves and our planet to the brink of collapse Fortunately an Age of Reunion is emerging out of the birth pangs of an earth in crisis Our journey of separation hasn't been a terrible mistake but an evolutionary process and an adventure in self discovery Even in our darkest hour Eisenstein sees the possibility of a more beautiful world not through the extension of millennia old methods of management and control but by fundamentally reimagining ourselves and our systems We must shift away from our Babelian efforts to build ever higher towers to heaven and instead turn out attention to creating a new kind of civilization one designed for beauty rather than height **Sleeping**

Feathers,2013-09 It had been almost a year since Todd and I decided to go our separate ways It was a mutual decision to break up We had simply grown apart We still loved each other very much but we just couldn t seem to get past the differences that grew between us the last year that we were together It wasn t an easy decision for either one of us We did however remain friends through the break up We still talked to each other all the time and in the first few months after the breakup I found it hard to talk to him and not ask if he wanted to try and work things out only because I didn t want to be alone I was learning firsthand what the word lonely really meant There were a couple of other boyfriends before Todd but I knew that they weren t going to last They had simply been someone to hang out with and have fun with someone to go out to dinner with or a movie I had no intentions of getting too serious with them like I had with Todd I had always thought that Todd was the one for me my true and everlasting soul mate He made me feel special and he didn t obsess over me or what I did I felt that I could be myself a free spirit with him He was soft and loving toward me he was protective but not overbearing He made me feel safe I knew that I didn t have to worry about anyone hurting me Todd would stand back and let things happen till he sees that I needed his help Then he would step in and take over No one messed with me while I was with Todd

started to retain copies in college My poems moved from just words to life stories personal thoughts and my God I have shared some with a few friends which for me is difficult because I tend to keep most everyone at arms length My journey has been filled with lifes up and downs and my poems reflect the joys and sorrows I experienced and some you may have experienced Most important for me is that Jesus is my constant companion who rejoices with me in the good times and carries me through the hard times Psalm 23 The Lord is my shepherd I shall not be in want NIV He makes me to lie down in green pastures he leads me beside quiet waters he restores my soul He guides me in paths of righteousness for his names sake Even though I walk through the valley of the shadow of death I will fear no evil for you are with me your rod and your staff they comfort me You prepare a table before me in the presence of my enemies You anoint my head with oil my cup overflows Surely goodness and love will follow me all the days of my life and I will dwell in the house of the Lord forever
