Love Simon May, 2019-03-28 Simon May develops a radically new understanding of love as the emotion we feel towards those we experience as grounding our life as offering us a promise of home in a world that we supremely value He also proposes that the child is supplanting the romantic partner as the supreme object of love **The Passion of Love in the**

Summa Theologiae of Thomas Aquinas Daniel Joseph Gordon, 2023-05-19 This book is an introduction to three questions on love according to St Thomas Aquinas Summa Theologiae I II qq 26 28 These three questions reflect on the nature of love q 26 the causes of love q 27 and the effects of love q 28 It is thus an introduction to the entire phenomenon of love both as a bodily passion and an act of the will The purpose is to present the Thomistic and broadly scholastic account of human and divine love from a philosophical and theological perspective It aims to be a theological and philosophical study of the topic useful both for a graduate professional audience as part of an undergraduate or graduate course and perhaps for the educated reader The thesis of the book is that contrary to contemporary conceptions not all loves are created equal Some loves perfect us and some loves corrupt us The worth of a love depends on its object and end St Thomas thus presents an objective and teleological account of human and divine love that is of philosophical and theological interest The method is broadly exegetical presenting a careful reading of the text and supplying the philosophical and theological background which

the text of Aquinas assumes The scope of the work is limited to three questions ST I II qq 26 28 References to interpretative disputes of Aquinas and references to further resources in the secondary literature will be mostly limited to the footnotes making the body of the text accessible to more readers *The Form of Love* James Kuzner, 2021-08-03 Can poetry articulate something about love that philosophy cannot The Form of Love argues that it can In close readings of seven metaphysical poems the book shows how poets of the early modern period and beyond use poetic form to turn philosophy to other ends in order not to represent the truth about love but to create a virtual experience of love in all its guises The Form of Love shows how verse creates love that can't exist without poetry's specific affordances and how poems can in their impossibility prompt love's radical reimagining Like the philosophies on which they draw metaphysical poems imagine love as an intense form of non-sovereignty of giving up control They even imagine love as a liberating bondage to a friend a beloved a saint a God or a garden Yet these poems create strange striking versions of such love made in rather than through the devices structures and forces where love appears Tracing how poems think Kuzner argues requires an intimate form of reading close even too close attention to and thinking with the text Showing how poetry thinks of love otherwise than other fields the book reveals how poetry and philosophy can nevertheless enter into a relation that is itself like love *Woman and Love* Bernhard Adam Bauer, 1927 Some treatment of gay and lesbian issues anti for the most part but not so benighted as one might expect pt

The Triumph of Love Benedict Williamson, 1923 *The Metaphysical Foundations of Love* Anthony T. Flood, 2018-10-17 The Metaphysical Foundations of Love Aquinas on Participation Unity and Union offers a systematic treatment of St Thomas Aquinas's account of the metaphysical relations of unity to union and unity to participation in God as the key structuring elements to the nature of love and friendship In general Aquinas identifies love as the source and summit of the life of each human being Everything in the created realm issues forth from God's creative love and the ultimate end of all human persons is the greatest possible union with God Aquinas contends that the love of friendship allows for the greatest union between two persons thus the greatest union with God takes the form of friendship with him **The Razor's Edge** OSHO, 2023-08-22 This series of questions and answers reveals the unique relationship of immense love and trust between Osho and those who ask him for guidance on their path Osho illuminates the very essence of each question and gives his uniquely tailored responses to such topics as the meditative qualities of the new man the art of being fully alive the misuse of power and how power can be used creatively He inspires all who are courageous enough to take a step upon the unknown spiritual path A path which because unknown can feel both perilous and ecstatic as if being on the razor's edge *Making Love Modern* Nina Miller, 1999 In the teens and twenties New York was home to a rich variety of literary subcultures Within these intermingled worlds gender lines and other boundaries were crossed in ways that were hardly imaginable in previous decades Among the bohemians of Greenwich Village the sophisticates of the Algonquin Round Table and the literati of the Harlem Renaissance certain women found fresh powerful voices through which to speak and write Enda St Vincent Millay

Love I. Dilman, 2016-01-13 The book is concerned with questions about love, questions about its many forms, strands, and aspects, and the relation in which they stand to each other. It is concerned with the way different aspects of sexual love conflict with each other, with the way self-regard and self-interest can corrupt love, and with spiritual love and its difficulties. It seeks the views of some writers who have suggested some distinctive solutions to the existential problems that love poses in the face of its obstacles: Plato, Proust, Sartre, Freud, D. H. Lawrence, Erich Fromm, C. S. Lewis, Kierkegaard, Simone Weil, and Kahlil Gibran.

The Nature of Love Emmanuel Berl, Fred Rothwell, 1924

Gifts Glittering and Poisoned Chanon Ross, 2014-11-18 Spectacles designed to capture our attention surround us. Marketing, movies, shopping malls, concerts, and virtual realities capture our imaginations and cultivate our desires. We live in a society of the spectacle. However, is the power and prevalence of spectacle unique to the modern era? In the pages of *Gifts Glittering and Poisoned*, early Christian voices echo across the centuries to show that the society of the spectacle is not new. Our era resembles a time when the spectacular entertainments of ancient Rome had a profound effect on every aspect of social life. By drawing on the rich theology and witness of early Christianity, *Gifts Glittering and Poisoned* asks what it means for us to live in a new era of empire and spectacle. Through Augustine's description of the demonic, it shows how consumerism constructs a sophisticated symbolic order, a society of the spectacle that corrupts our deepest longings for God.
