Guide to a Happy, Healthy, and Successful Marriage Danielle Pesch, 2024-07-08 Have you ever looked at a couple and said I wish I had what they had I have before but I am now the person who gets told I wish I had what you guys have This book is written from the author's heart and inspired by her personal relationship with her husband Marriage is not easy all the time but it can be rewarding happy healthy secure and fun when you are on the same page as your spouse We will tackle what a healthy marriage entails how to understand each other and what has worked for us personally What works for us may not work for everyone but the hope is to inspire others to show great marriage does exist Marriage is a partnership that includes growing and learning together In a healthy marriage you work as a team to tackle any issue life throws your way The goal is to help set you up for a successful and healthy marriage It takes two people willing to set aside pride put God and each other first and be open to learning and understanding each other in a way the world does not tend to teach Marriage is not about an image to show the world but your marriage can be a solid example of what a great marriage really is and show others that it can be healthy and happy for them as well Dear Old Love Andy Selsberg, 2009-11-15 Call it wisdom of the heart Or the broken heart A knowing funny gift for everyone who's ever been in love and then out of love the newly single the lonely hearted and even the happily re paired Dear Old Love is a collection of anonymous love notes to the ones who got away or were left behind They're the notes that ex lovers have written to set the record straight Or crooked They're concise witty melancholy revealing sweet sentimental outrageous withering indignant sometimes all at the same time And like a pitch perfect little poem each entry paints a complete picture with just a handful of apt words A current snapshot of you erased 25 years of fantasizing about what could have been Or I don't care that you miss my dog When you cheated on me you cheated on him too Or I say I love you to people all the time now to make that time I said it to you mean less And for anyone wanting help to write their own love note the book ends with clever fill ins I wonder if we'd still be together if I had just admitted I was a ____ instead of saying you had a ____ so big it blocked out the ____ Try it on someone you loved *You Can Be What You Want to Be* , **!!!!!!Warning!!!!!!
