captured me from the first word a truly stunning novel Nicola Cornick Love Notes to Myself Priya Maurya, Self care self compassion and self love It could appear egotistical and indulgent But for the sake of your mental health and welfare it is very necessary Additionally it does not imply that you should constantly put your wants before of everyone else s If anything being kind to yourself is an act of selflessness Considering that way you treat other people typically reflects how you treat yourself The one relationship you will have for the rest of your life whether you re married or single is with yourself You must develop self love because you will spend the rest of your life with yourself So today and every day be kind to yourself and show yourself some care compassion and love Love Notes to Myself is a book all about self care self compassion and self love
