Love That Keeps Us Sane:

The Love That Keeps Us Sane Marc Foley, 2000 Seeing life in light of Eternity This is not a book about using Th r se s little way as a path to holiness Th r se s spirituality is often dismissed as cloyingly sweet and sentimental useless for modern seekers This new IlluminationBook uncovers how Th r se s sweetness was just a stylistic convention expected in the religious writing of her day Beneath the form says the author is a straightforward spirituality that offers a practical concrete and very realistic method for preserving one s sanity in an often insane world At the heart of Th r se s method is learning how to keep one s perspective by seeing all things in light of eternity seeing all things the way God sees This enables one to live more authentically and more attentively The method helps readers to become involved in life without being absorbed by it to love without becoming enmeshed and to deal with life s absurdities without losing faith or peace of mind Five simple everyday choices help foster this perspective and transform ordinary life into moments of true grace Those already devoted to the Little Flower will love this fresh new look at her spirituality In addition the book makes for enlightening and perhaps surprising reading for pastors clergy and religious directors of religious ed retreat directors chaplains and family counselors The principle of viewing life in light of eternity can also provide comfort and relief for parents dealing with children for those experiencing change or loss and for people in therapy

Townsend,2022-11-03 If you feel empty or in one of life's storms that seem to get more turbulent with each passing day then a rededication to prayer maybe what is missing in your life Prayer is the most powerful tool we have to connect with God It is one of the first methods of communication we are taught as a child to talk with God Most of us were taught to ask God to take our soul if we were to die before we woke While many of us devote time to prayer sadly most of us never experience more than the surface of its power Many never break through the heavenly realm where God reigns and the impossible happens This devotional encourages you to develop an intentional prayer life the kind that will cause God to perform mountain moving miracles increase your faith in prayer fill your emptiness and even help you see where God is taking you while in that storm It is my prayer that you will be inspired to step out on a newfound faith in prayer and join the many believers who are experiencing the ultimate joy of the power of prayer even when God's perfect will breaks our heart
