Loves Argument Gender Relations In Shakespeare:

Love's Argument Marianne Novy, 2017-12-01 Novy demonstrates how the plays are theatrical transformations of tensions in both ideals and practices in Renaissance society Analyzing the dramatic images of lover and beloved of husband and wife of parent and child Novy examines the ways in which the conflicts are resolved in the comedies and romances and how they are acted out in the tragedies Chapters on individual plays provide original interpretations that delineate the tone and texture of gender relations A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

Love's Argument Marianne Novy, 2003 Novy demonstrates how the plays are theatrical transformations of tensions in both ideals and practices in Renaissance society Analyzing the dramatic images of lover and beloved of husband and wife of parent and child Novy examines the ways in which the conflicts are resolved in the comedies and romances and how they are acted out in the tragedies Chapters on individual plays provide original interpretations that delineate the tone and texture of gender relations A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

The Love Story in Shakespearean Comedy Anthony J. Lewis, 2021-10-21 In this fascinating study Anthony J Lewis argues that it is the hero himself rejecting a woman he apprehends as a threat who is love s own worst enemy Drawing upon classical and Renaissance drama iconography and a wide range of traditional and feminist criticism Lewis demonstrates that in Shakespeare the actions and reactions of hero and heroine are contingent upon social setting father son relations patriarchal restrictions on women and cultural assumptions about gender appropriate behavior This compelling analysis shows how Shakespeare deepened the familiar love stores he inherited from New Comedy and Greek romance Beginning with a penetrating analysis of the hero s contradictory response to sexual attraction Lewis s discussion traces the heroine s reaction to abandonment and slander and the lover s subsequent parallel descents into versions of bastardy and death In arguing that comedy s happy ending is the product of the gender role reversals brought on by their evolving relationship itself Lewis shows in meticulous detail how sexual stereotypes influence attitudes and restrict behavior This perceptive discussion of male response to family and of female response to rejection will appeal to Shakespeare scholars and students as well as to the theater community Lewis s persuasive argument that Shakespeare s heroes and heroines are from the first three dimensional figures far removed from the stock types of Plautus Terence and his continental sources will prove a valuable contribution to the ongoing feminist reappraisal of Shakespeare

The Tragic Paradox Leonard Moss, 2014-03-24 Paradox informs the narrative sequence images and rhetorical tactics contrived by skilled dramatists and

novelists Their literary languages depict not only a war between rivals but also simultaneous affirmation and negation voiced by a tragic individual They reveal the treason flux and duplicity brought into play by an unrelenting drive for respect Their patterns of speech action and image project a convergence of polarities the convergence of integrity and radical change of constancy and infidelity A fanatical drive to fulfill a traditional code of masculine conduct produces the ironic consequence of de forming that code the tragic paradox Tragic literature exploits irony In Athenian and Shakespearean tragedy self righteous male or female aristocrats instigate their own disgrace shame and guilt an un expected diminishment They are victimized by a magnificent obsession a fantasy of un alloyed authority or virtue a dream of perfect self sufficiency or trust The authors of tragedy revised the concept of nobility to reflect the strange fact that grandeur elicits its own annulment Strengths by strengths do fail Shakespeare wrote in *Coriolanus* The playwrights made this paradoxical predicament concrete with a narrative format that equates self assertion with self detraction images that revolve between incredible reversals and provisional reinstatements and speech that sounds impressively weighty but masks deception disloyalty cynicism and insecurity Three heroic philosophers Plato Hegel and Nietzsche contributed invaluable but contrasting accounts of these literary languages Aristotle s *Poetics* will be discussed in connection with Plato s attitude toward poetry Their divergent descriptions can be reconciled to show that invalidations as well as affirmations the transmission of contraries are essential for tragic composition An equivocal rhetoric a mutable imagery and an ironic progression convey the tortuous pursuit of personal preeminence or in later tragic works by Kafka and Strindberg family solidarity and communal safety I am trying to integrate the disparate arguments offered by several notable theorists with technical procedures fashioned by the Athenian dramatists and recast by Shakespeare and other writers procedures that articulate the tragic paradox

Shakespeare, Romeo and Juliet, and Civic Life Silvia Bigliuzzi, Lisanna Calvi, 2015-09-16 This volume introduces civic Shakespeare as a new and complex category entailing the dynamic relation between the individual and the community on issues of authority liberty and cultural production It investigates civic Shakespeare through *Romeo and Juliet* as a case study for an interrogation of the limits and possibilities of theatre and the idea of the civic The play s focus on civil strife political challenge and the rise of a new conception of the individual within society makes it an ideal site to examine how early modern civic topics were received and reconfigured on stage and how the play has triggered ever new interpretations and civic performances over time The essays focus on the way the play reflects civic life through the dramatization of issues of crisis and reconciliation when private and public spaces are brought to conflict but also concentrate on the way the play has subsequently entered the public space of civic life Set within the fertile context of performance studies and inspired by philosophical and sociological approaches this book helps clarify the role of theatre within civic space while questioning the relation between citizens as spectators and the community The wide ranging chapters cover problems of civil interaction and their onstage representation dealing with urban and household spaces the boundaries of social relations and legal economic

political and religious regulation and the public dimension of memory and celebration This volume articulates civic Romeo and Juliet from the sources of genre to contemporary multicultural performances in political contact zones and civic Shakespaces exploring the Bard and this play within the context of communal practices and their relations with institutions and civic interests

Teaching Shakespeare and Early Modern Dramatists A. Hiscock, L. Hopkins, 2007-07-02 This collection offers practical suggestions for the integration of non Shakespearean drama into the teaching of Shakespeare It shows both the ways in which Shakespearean drama is typical of its period and of the ways in which it is distinctive by looking at Shakespeare and other writers who influenced and developed the genres in which he worked

A Companion to Shakespeare's Works, Volume III Richard Dutton, Jean E. Howard, 2008-04-15 This four volume Companion to Shakespeare's Works compiled as a single entity offers a uniquely comprehensive snapshot of current Shakespeare criticism Brings together new essays from a mixture of younger and more established scholars from around the world Australia Canada France New Zealand the United Kingdom and the United States Examines each of Shakespeare's plays and major poems using all the resources of contemporary criticism from performance studies to feminist historicist and textual analysis Volumes are organized in relation to generic categories namely the histories the tragedies the romantic comedies and the late plays problem plays and poems Each volume contains individual essays on all texts in the relevant category as well as more general essays looking at critical issues and approaches more widely relevant to the genre Offers a provocative roadmap to Shakespeare studies at the dawning of the twenty first century This companion to Shakespeare's comedies contains original essays on every comedy from The Two Gentlemen of Verona to Twelfth Night as well as twelve additional articles on such topics as the humoral body in Shakespearean comedy Shakespeare's comedies on film Shakespeare's relation to other comic writers of his time Shakespeare's cross dressing comedies and the geographies of Shakespearean comedy

Shakespeare and Historical Formalism Stephen Cohen, 2016-04-01 Located at the intersection of new historicism and the new formalism historical formalism is one of the most rapidly growing and important movements in early modern studies taking seriously the theoretical issues raised by both history and form it challenges the anti formalist orthodoxies of new historicism and expands the scope of historicist criticism Shakespeare and Historical Formalism is the first volume devoted exclusively to collecting and assessing work of this kind With essays on a broad range of Shakespeare's works and engaging topics from performance theory to the emergence of the literary and from historiography to pedagogy the volume demonstrates the value of historical formalism for Shakespeare studies and for literary criticism as a whole Shakespeare and Historical Formalism begins with an introduction that describes the nature and potential of historical formalism and traces its roots in early modern literary theory and its troubled relationship with new historicism The volume is then divided into two sections corresponding to the two chief objectives of historical formalism a historically informed and politically astute formalism and a historicist criticism revitalized by attention to issues of form The first section Historicizing

Form explores from a variety of perspectives the historical and political sources meanings and functions of Shakespeare's dramatic forms The second section Re Forming History uses questions of form to rethink our understanding of historicism and of history itself and in doing so challenges some of our fundamental literary critical pedagogical and epistemological assumptions Concluding with suggestions for further reading on historical formalism and related work Shakespeare and Historical Formalism invites scholars to rethink the familiar categories and principles of formal and historical criticism

Romeo and Juliet John F. Andrews, 2015-05-08 Originally published in 1993 Presenting excerpts and articles on the themes and characters from the most famous story of young lovers this collection brings together scholarship relating to the language performance and impact of the play Ordered in three parts the chapters cover analysis reviews and interpretation from a wide ranging array of sources from the play's contemporary commenters to literary critics of the early 1990's The volume ends with an article by the editor on the action in the text which concludes the final section of 8 pieces looking at the story as being a product of Elizabethan Culture It considers the attitude to the friar to morality and suicide the stars and fate and gender differences Comparisons are made to Shakespeare's source as well as to productions performed long after the Bard's death

Two Gentlemen of Verona June Schlueter, 2013-02-01 Twenty nine collected essays represent a critical history of Shakespeare's play as text and as theater beginning with Samuel Johnson in 1765 and ending with a review of the Royal Shakespeare Company production in 1991 The criticism centers on three aspects of the play the love friendship debate

Shakespearean Gothic Christy Desmet, Anne Williams, 2009-09-15 This book explores the paradox that the Gothic today's werewolves vampires and horror movies owe their origins and their legitimacy to eighteenth century interpretations of Shakespeare As Shakespeare was being established as the supreme British writer throughout the century he was cited as justification for early Gothic writers' fascination with the supernatural their abandoning of literary decorum and their fascination with otherness and extremes of every kind This book addresses the gap for an up to date analysis of Shakespeare's relation to the Gothic An authority on the Gothic E J Clery has stated that It would be impossible to overestimate the importance of Shakespeare as touchstone and inspiration for the terror mode even if we feel the offspring are unworthy of their parent Scratch the surface of any Gothic fiction and the debt to Shakespeare will be there This book therefore addresses Shakespeare's importance to the Gothic tradition as a whole and also to particular well known and often studied Gothic works It also considers the influence of the Gothic on Shakespeare both in print and on stage in eighteenth and nineteenth century Britain The introductory chapter places the chapters within the historical development of both Shakespearean reception and Gothic Studies The book is divided into three parts 1 Gothic Appropriations of Shakespeare 2 Rewriting Shakespearean Plays and Characters 3 Shakespeare Before After the Gothic

Shakespeare Encyclopaedia Britannica, 2006-12-01 An authoritative accessible overview of history's greatest literary figure The great dramatist Ben Jonson wrote that William Shakespeare was not of an age but for all time In the nearly four centuries since his death

Shakespeare's plays still have a tremendous impact on everything from the classroom to popular culture. Now you can have at your fingertips all the vital details on the most influential writer in the history of the English language straight from one of the most trusted sources of information in the world. In *Shakespeare Encyclopedia Britannica* presents a concise and balanced overview of the Bard's life, work, and legacy. From his upbringing in Stratford to his early theater career in London, from his poetry and plays to the controversy surrounding his authorship, from his contemporaries and collaborators to his critics past and present, this comprehensive guide provides the necessary background to appreciate Shakespeare's unique place in world literature. This informative volume also looks at new interpretive approaches to Shakespeare and his work and offers insights from the foremost Shakespeare scholars in the world, including David Bevington, University of Chicago; Stephen J. Greenblatt, Harvard University; and Gail Kern Paster, Folger Shakespeare Library, among others. Every concise entry, from *All's Well That Ends Well* to *The Winter's Tale*, promotes a deeper understanding of Shakespeare's life, times, writings, and influence that only *Encyclopedia Britannica* can provide. Since 1768, *Encyclopedia Britannica* has been a leading provider of learning products and one of the world's most trusted sources of information.

Shakespeare's Comic Commonwealths

Camille Wells Slight, 1993-01-01. Challenging the traditional view that Shakespeare's early comedies are about the experience of romantic love and constitute a genre called romantic comedy, Camille Wells Slight demonstrates that they dramatize individual action in the context of social dynamics, reflecting and commenting on the culture in which they originated. *Shakespeare's Comic Commonwealths* sheds new light on ten Shakespearean comedies: *The Comedy of Errors*, *The Taming of the Shrew*, *The Two Gentlemen of Verona*, *Love's Labor's Lost*, *A Midsummer Night's Dream*, *The Merchant of Venice*, *The Merry Wives of Windsor*, *Much Ado About Nothing*, *As You Like It*, and *Twelfth Night*. In a diversity of comic forms, from rollicking farce to tragicomedy, these plays offer varying perspectives on the forces that make and mar human communities. Dramatizing tensions between savagery and civilization, autonomy and dependence, and isolation and community, Shakespeare's comedies both reflect and comment on the society that produces them. Slight eschews viewing these comedies as endorsements of the prevailing ideologies of sixteenth-century England or as subversions of that hierarchical patriarchal culture. They can be most fruitfully understood as imaginative forms that present cultural practices, institutions, and beliefs as human constructions susceptible to critical scrutiny. While exposing the injustice and brutality as well as the assurances and satisfactions of social experiences, Shakespeare's comedies represent people as inescapably social beings. By combining historical scholarship with formal analysis and incorporating insights from social anthropology and feminist theory, *Shakespeare's Comic Commonwealths* offers new readings of Shakespeare's early comedies and analyses the interaction between the plays and the social structures and processes of early modern England.

Shakespeare and Appropriation

Christy Desmet, Robert Sawyer, 2013-01-11. The vitality of our culture is still often measured by the status Shakespeare has within it. Contemporary readers and writers continue to exploit Shakespeare's cultural afterlife in a vivid and creative way.

This fascinating collection of original essays shows how writers efforts to imitate contradict compete with and reproduce Shakespeare keep him in the cultural conversation The essays analyze the methods and motives of Shakespearean appropriation investigate theoretically the return of the repressed author in discussions of Shakespeare s cultural function put into dialogue theoretical and literary responses to Shakespeare s cultural authority analyze works ranging from nineteenth century to the present and genres ranging from poetry and the novel to Disney movies

Shakespeare and the Classical Tradition Lewis Walker,2019-05-24 This bibliography will give comprehensive coverage to published commentary in English on Shakespeare and the Classical Tradition during the period from 1961 1985 Doctoral dissertations will also be included Each entry will provide a clear and detailed summary of an item s contents For pomes and plays based directly on classical sources like Antony and Cleopatra and The Rape of Lucrece virtually all significant scholarly work during the period covered will be annotated For other works such as Hamlet any scholarship that deals with classical connotations will be annotated Any other bibliographies used in the compiling of this volume will be described with emphasis on their value to a student of Shakespeare and the Classics

Antony and Cleopatra Marga Munkelt,2024-04-04 This new volume in the Shakespeare The Critical Tradition series increases our knowledge of how Antony and Cleopatra has been received and understood by critics editors and general readers The volume provides in separate sections both critical opinions about the play across the centuries and an evaluation of their positions within and their impact on the reception of the play The chronological arrangement of the text excerpts engages the readers in a direct and unbiased dialogue and the introduction offers a critical evaluation from a current stance including modern theories and methods This volume makes a major contribution to our understanding of the play and of the traditions of Shakespearean criticism surrounding it as they have developed from century to century

Shakespearean Tragedy and Gender Shirley Nelson Garner,Madelon Sprengnether,1996-02-22 Shakespeare is not our contemporary the contributors to Shakespearean Tragedy and Gender emphatically conclude yet coping with his cultural influence is never a simple matter Ranging from Shakespeare s earliest attempts at tragedy in Richard III and Titus Andronicus this volume covers the major tragic period giving special attention to Othello Back cover

Shakespeare's Theatre Hugh Macrae Richmond,2004-01-01 Under an alphabetical list of relevant terms names and concepts the book reviews current knowledge of the character and operation of theatres in Shakespeare s time with an explanation of their origins

Radical Shakespeare Chris Fitter,2013-07-03 This book argues that Shakespeare was permanently preoccupied with the brutality corruption and ultimate groundlessness of the political order of his state and that the impact of original Tudor censorship supplemented by the relatively depoliticizing aesthetic traditions of later centuries have together obscured the consistent subversiveness of his work Traditionally Shakespeare s political attitudes have been construed either as primarily conservative or as essays in richly imaginative ambiguation irreducible to settled viewpoints Fitter contends that government censorship forced superficial acquiescence upon Shakespeare in establishment

ideologies monarchic aristocratic and patriarchal that were enunciated through rhetorical set pieces but that Shakespeare the dramatist learned from Shakespeare the actor a variety of creative methods for sabotaging those perspectives in performance in the public theatres Using historical contextualizations and recuperation of original performance values the book argues that Shakespeare emerged as a radical writer not in middle age with King Lear and Coriolanus plays whose radicalism is becoming widely recognized but from his outset with Henry VI and Taming of the Shrew Recognizing Shakespeare's allusiveness to 1590s controversies and dissident thought and recovering the subtextual politics of Shakespeare's distinctive stagecraft reveals populist at times even radical meaning and a substantially new and astonishingly interventionist Shakespeare *Shakespeare's Tragedies and Modern Critical Theory* James Cunningham, 1997 Individual chapters deal with cultural materialism new historicism poststructuralism and feminist criticism The theoretical basis of each critical mode is examined and some representative critiques analyzed Most importantly in each chapter the various interpretations are tested against Shakespeare's texts and the strengths and weaknesses of the different readings are assessed

The Enigmatic Realm of **Loves Argument Gender Relations In Shakespeare**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **Loves Argument Gender Relations In Shakespeare** a literary masterpiece penned by a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting effect on the hearts and minds of those that partake in its reading experience.
