Luke The Bible:

Studies in the Gospel of Luke Robert Elliott Speer, 1892 **Luke** Leon Morris, 1988 Morris's study on the Gospel of Luke is part of the Tyndale New Testament Commentaries a popular series designed to help the general Bible reader understand clearly what the text actually says and what it means without overuse of scholarly technicalities Luke Justo L. Gonzalez, 2010-09-02 The volumes in *Belief A Theological Commentary on the Bible* from Westminster John Knox Press offer a fresh and invigorating approach to all the books of the Bible Building on a wide range of sources from biblical studies the history of theology the church's liturgical and musical traditions contemporary culture and the Christian tradition noted scholars focus less on traditional historical and literary angles in favor of a theologically focused commentary that considers the contemporary relevance of the texts This series is an invaluable resource for those who want to probe beyond the backgrounds and words of biblical texts to their deep theological and ethical meanings for the church today What are They Saying about Luke? Mark Allan Powell, 1989 Offers a concise summary of and an excellent introduction to recent Lucan scholarship Major positions on several important subjects are clearly expressed in nontechnical language Luke C. D. "Jimmy" Agan III, 2015-07-15 The *Knowing the Bible* series is a resource designed to help Bible readers better understand and apply God's Word These 12 week studies lead participants through books of the Bible and are made up of four basic components 1 Reflection questions help readers engage the text at a deeper level 2 Gospel Glimpses highlight the gospel of grace throughout each book 3 Whole Bible Connections show how any given passage connects to the Bible's overarching story of redemption culminating in Christ and 4 Theological Soundings identify how historic orthodox doctrines are taught or reinforced throughout Scripture With contributions from an array of influential pastors and church leaders these gospel centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible The Gospel of Luke is the most thorough historical account of the birth life death and resurrection of Jesus Christ But Luke's book is more than just history it's also a rich source of life giving theology revealing Jesus's identity as Israel's long awaited Messiah and the Savior of the world In this study New Testament scholar Jimmy Agan III walks readers through Luke's Gospel helping Christians see that Jesus is not simply a great teacher but the great Savior **Luke** Kevin Perrotta, Gerald Darring, 2010-06 The book of Luke has been described as one of the most beautiful books ever written and Luke The Good News of God's Mercy brings this beauty to life for teens as they study the life of Jesus and what Jesus can mean for their lives Luke's Gospel deals with the issue of being open to God's work through Jesus Luke shows us that God has made salvation available through Jesus birth life death and resurrection In many ways God's action through Jesus was unexpected even for the Jewish people of the time The salvation Jesus brings goes far beyond what people were looking for It also makes demands on those who accept it So we meet people in Luke's Gospel who are astonished by Jesus They are struggling to understand what Jesus was offering them and how they should respond In the Gospel of Luke we make contact with a will other than our
