Lunch With The Generals:

Lunch with the Generals Derek Hansen, 2014-06-01 Celebrating 10 years of *Lunch with Derek Hansen* a new edition of his bestselling first *Lunch* novel Ramon self styled master storyteller has steered his listeners down a sinister path littered with love and betrayal secret police and death squads But as the Argentinian s tale nears its startling conclusion his audience is struck with horror at the possibility that Ramon s clever invention is nothing more than the cunningly disguised chronicle of his own shadowy past Is Ramon a gifted artist of the imagination or the perpetrator of a terrible act of revenge that defies all forgiveness Hansen is a great novelist Only the bravest and most confident writer could grant his characters such intelligence and insight and still remain in command West Australian

Lunch With A Soldier Derek Hansen, 2014-06-01 My story is the story of my brother Billy Neil stared down at the table momentarily lost for words When they finally came his friends had to strain to hear him It is my family s darkest secret If the secret is to be revealed unfortunately I am the one obliged to do it Why Why you asked Lucio Because I took my brother s life Once again four friends gather to share lunch and their mutual passion for storytelling this time it is Neil s turn and this time the story will be distinctively Australian A bitter critic of his friends insistence on telling true stories Neil reluctantly challenges them with a true story of his own He protests that they left him no choice claiming that fiction can never compete with truth and that the baring of his shame is a consequence His shocking admission is the first of many shocks in a story that begins in the desperate red ridge country of north west New South Wales when a city woman rents a disused house in an isolated corner of Billy s vast grazing property She is beautiful worldly and out of place She is also on the run Both she and Billy have dark secrets which take readers into the country s toughest prisons the opal mines of the Grawin and war torn Vietnam It is a story in which truth is never constant and friendships are tested to the limit

The Fate of the Generals Jonathan Horn, 2025-04-15 One of the very best World War II books in many years A great read General David Petraeus US Army Ret former Director of the CIA Fans of *Unbroken* will love this book Doug Stanton In the tradition of *Ghost Soldiers* a gripping Kirkus Reviews World War II story of bravery survival and sacrifice the vow Douglas MacArthur made to return to the Philippines and the oath his fellow general Jonathan Mayhew Wainwright made to stay with his men there whatever the cost For the doomed stand American forces made in the Philippines at the start of World War II two generals received their country s highest military award the Medal of Honor One was the charismatic and controversial Douglas MacArthur whose orders forced him to leave his soldiers on the islands to starvation and surrender but whose vow to return echoed around the globe The other was the gritty Jonathan Mayhew Wainwright who became a hero to the troops whose fate he insisted on sharing even when it meant becoming the highest ranking American prisoner of the Japanese In *The Fate of the Generals* bestselling author Jonathan Horn brings together the story of two men who received the same medal but found honor on very different paths MacArthur s journey would require a daring escape with his wife and young child to Australia and then years of fighting over thousands of miles to

make it back to the Philippines where he would fulfill his famous vow only to see the city he called home burn Wainwright's journey would take him from the Philippines to Taiwan and Manchuria as his captors tortured him in prisons and left him to wonder whether his countrymen would ever understand the choice he had made to surrender for the sake of his men A story of war made personal based on meticulous research into diaries and letters including boxes of previously unexplored papers The Fate of the Generals is a vivid account that raises timely questions about how we define honor and how we choose our heroes and is destined to become a classic of World War II history

Remember Me Derek Hansen, 2010-02-01 From the bestselling author of SOLE SURVIVOR comes a story of loss of innocence and unexpected repercussions of war It began innocently It destroyed innocence forever When a twelve year old boy writes an essay and inadvertently uncovers a wartime secret he unleashes a chain of events which rips a close community apart turning neighbour against neighbour friend against friend It is Auckland 1956 While the country has been spared the destruction which ravaged Europe and Asia beneath the surface bitter memories and old enmities run deep the war may be over but as the boy discovers it is far from done with In a poignant and gripping tale of events which challenge and define a post war community master storyteller Derek Hansen superbly captures the spirit of inner city life in the mid fifties when migrants and war survivors came to a land of peace and the promise of a new life only to have it challenged in unexpected and life changing ways Derek Hansen has an uncanny knack for bringing back the substance and subtleties of the times and places about which he writes In this instance having been raised in Auckland in the 1950s his eye is unerring Ripping yarn builds to an enthralling climax

THE PRESS Lunch with the Stationmaster Derek Hansen, 2014-06-01 the bestselling author of Sole Survivor Lunch with the Generals and Lunch with Mussolini returns with a gripping new novel that crosses decades and continents Derek Hansen takes us back to Gancio 9291s restaurant It is a thursday and as usual Ramon Lucio Milos and Neil have gathered for their weekly lunch appointment It is Neil 9291s turn to take the floor except that Milos steps in and demands to tell his story He has no choice in the matter he says 9291this story has already been too long awaiting the telling It is not just an obligation but a repayment of a debt 9291 With those words he hooks the three other men and Derek Hansen hooks his readers We are taken back to Hungary in the 1940s a time when Jews are persecuted and rumours of the terrifying death camps are already circulating this is a novel with huge range set within a real historical landscape populated by figures like Adolf Eichmann and the Russian and Hungarian secret police It is also the story of two brothers who vie for the affections of the same girl during a time of turmoil and separation a story which begins in Hungary and seeks its conclusion in Australia two boys who are forced to deal steal and kill to survive

The Papers of Dwight David Eisenhower Dwight David Eisenhower, 2003-04-30 The final set of volumes Vol 18 21 sold separately of The Papers of Dwight David Eisenhower contain 1 783 documents drawn from Eisenhower's second term as president from 20 January 1957 to 20 January 1961 Completing a monumental project that began with publication of The War Years in 1970 this final set of volumes of The Papers of Dwight David Eisenhower contains

1 783 documents drawn from Eisenhower's second term as president from 20 January 1957 to 20 January 1961. In these years Eisenhower worked hard to hold the focus of American national politics on the two major objectives he had set for his presidency in 1952: to sustain the policy of containment without precipitating a war with the Soviet Union and to reduce the role of the federal government in U.S. domestic affairs. In both cases, events at home and abroad intruded, diverting attention to immediate problems endangering the peace and forcing the White House to devote most of its leadership to the crises of the day. As president during this tense period, Eisenhower maintained an extensive and revealing correspondence with prominent individuals as well as with personal friends. These letters, together with the occasional entries made in his diary, shed considerable light upon the major national concerns of the 1950s. The volumes also include private and secret correspondence previously unavailable to scholars. Some of these items have been only recently declassified and many appear here in print for the first time. Taken as a whole, the Eisenhower papers from 1957-61 provide firm documentary evidence of the manner in which Eisenhower dealt with the complex internal and external problems faced by all of our modern political leaders.

Shadows of Destruction J.P. Marshall, 2020-09-02 Book Delisted *Harper's Weekly* John Bonner, George William Curtis, Henry Mills Alden, Samuel Stillman Conant, Montgomery Schuyler, John Foord, Richard Harding Davis, Carl Schurz, Henry Loomis Nelson, John Kendrick Bangs, George Brinton McClellan Harvey, Norman Hapgood, 1914

Inspiring Leadership Jonathan Perks MBE, 2013-04-30 Do you consider yourself to be a successful leader or do you aspire to be so? If so, then this book is for you. Do you wish to lead your teams in the most effective and energising way? Are you a follower seeking to be well led? Are you in the business of helping others to improve their performance? If you answer yes to any of these questions, then you will find much to help you in these pages. From the author's own practical experience, from his observation of other leaders, and from his wide research, he found that people who have become highly respected usually display the eight characteristics described within the inspiring leadership philosophy. Employing these qualities is how they manage to get others to follow them willingly. You could do the same. A coaching client, Sarah Jane Mills, who critically reviewed a draft of this book, described the benefits as follows: "This is a fresh approach to leadership and it is named perfectly. It brings together a wealth of different ideas and concepts under a very clear and simple set of 8 principles. This is about leadership based on relationship. It gives people permission to be inspiring leaders. You can analyse your own strengths, weaknesses, opportunities, and threats using the compass, and you will be given a set of tools to develop your skill so you become a better inspiring leader. If you focus on these principles, you will affect others in a highly positive way."
