Luttrell Village:

The Luttrell Village Sheila Sancha, 1982 **The Luttrell Village** Sheila Sancha, 1982 Traces a year in the Lincolnshire village of Gerneham from ploughing through sowing harvesting and threshing with illustrations of village life inspired by the fourteenth century Luttrell Psalter Principled Leadership Kevin Dougherty, 2024-03-20 Among dozens of leadership theories types and styles principled leadership is increasingly in demand as ethical crises plague more and more organizations and individuals But despite strong consensus surrounding the need for principled leadership there is little common understanding of it as an art and science What exactly is principled leadership How does it work How does a leader practice it What distinguishes it from other leadership types What does it look like in action How is principled leadership more than just individual principled behavior This book answers these and more questions introducing principled leadership theory and illustrating it through practical case studies Principled leadership holds powerful positive effects for leaders who practice its concepts **Pursuing the Honorable** Justin M. Anderson, Kenneth W. McDonald, 2019-05-15 Pursuing the Honorable argues that our modern understanding of honor as seen through example of today's military training is deficient To remedy this the book returns to an understanding of the honorable good especially manifested for philosophers like Aristotle and Cicero in a life of the human virtues However because honor as defined by the honorable good needs to be applicable to the 21st Century occidental world of liberal democratic values the study includes careful attention to those conditions under which honor can once again become a live option While special attention is given to military training including concrete proposals for its renewal what the study discovers extends to many forms of human life **The Reformation in Dublin, 1536-1558** Myles Vincent Ronan, 1926 Sleeping Beauties Jo Spain, 2020-06-09 International bestselling author Jo Spain's third Inspector Tom Reynolds mystery puts him and his task force in the crosshairs of one of most sinister killers yet The inspector frowned and examined the earth under the trees As he scanned the glade his stomach lurched One two three four Five counting the mound of earth disturbed under the tent Somebody had cleared the earth of its natural layer and sown their own flowers In five places Five graves A young woman Fiona Holland has gone missing from a small Irish village A search is mounted but there are whispers Fiona had a wild reputation Was she abducted or has she run away A week later a gruesome discovery is made in the woods at Ireland's most scenic beauty spot the valley of Glendalough The bodies are all young women who disappeared in recent years DI Tom Reynolds and his team are faced with the toughest case of their careers a serial killer who hunts vulnerable women and holds his victims captive before he ends their lives Soon the race is on to find Fiona Holland before it's too late **American War Stories** Brenda M. Boyle, 2020-11-13 American War Stories breaks down the American perception of wars and focuses on how and why we conceptualize the war story It is one of the first studies to ask readers to contemplate what constitutes a war story and how that constitution obscures the normalizing of militarism in American culture *Opening the Parables* M. D. Hayden, 2024-07-11 For centuries Jesus

parables have been and still are extensively interpreted by those who impose Christian dogma and tradition on a parable told decades before Christianity per se even existed There was no Christian tradition when Jesus was teaching his followers and he was teaching regular people not theologians No wonder then that after two millennia Jesus parables coated with a confusing overlay of Christian dogma still puzzle readers of the New Testament Opening the Parables is based on the premise that Jesus taught a singular spiritual truth which once the clutter of others words and interpretations is cleared away appears consistently in all his teachings even in his parables In the best possible way Jesus was a one subject teacher one subject using various teaching techniques both deductive and inductive a one sermon preacher one message told in various ways Everything he taught or preached was about love in the infinite here and now Kingdom of God All his parables proverbs aphorisms and direct statements teach one lesson in the highest realm we can imagine compassionate love is all that matters

Medieval Greece Michael Heslop,2020-11-29 Medieval Greece brings together twelve articles by historian Michael Heslop showcasing his long standing interest in the medieval castles of Greece Ten of the articles in this volume focus on the Dodecanese islands mainly Rhodes at the time of their rule by the Hospitallers during the period 1306 1522 Scholarly and popular interest in the military orders has grown substantially over the last twenty years but comparatively little has been written about the Hospitaller Dodecanese What distinguishes this work is the author s use of hitherto unpublished documents from the Hospitaller archives in Malta and his assiduous field work on the island sites discussed Heslop s work on the Hospitallers on the island of Rhodes has also enabled him to put together an important gazetteer of place names in the countryside of Rhodes published here for the first time The remaining two chapters of the collection summarize ground breaking detective work to locate Villehardouin s lost castle of Grand Magne in the Mani and present a wider study of Byzantine fortifications in medieval Greece This book will appeal to scholars and students of medieval history and to all those interested in the history of the Hospitallers CS1093
