Lynching And Vigilantism In The United States An Annotated Bibliography:

Lynching and Vigilantism in the United States Norton Moses, 1997-02-25 Beginning with the 1760s when lynching and vigilantism came into existence in what is now the United States this bibliography fills a void in the history of American collective violence It covers over 4 200 works dealing with vigilante movements and lynchings including books articles government documents and unpublished theses and dissertations Following a chapter listing general works the book is arranged into four chronological chapters a chapter on the frontier West a chapter on anti lynching and chapters on literature and art The book opens with a chapter devoted to general works It then includes chapters on the period from the Colonial era to the Civil War the Civil War through 1881 and the periods from 1882 to 1916 and 1917 to 1996 The work then turns to the frontier West and to anti lynching bills laws organizations and leaders Finally the book includes chapters on vigilantism in literature and art

Reconstruction in the United States David Lincove, 2000-01-30 The only comprehensive bibliography on Reconstruction this book provides the definitive guide to literature published from 1877 to 1998 In over 2 900 entries the work covers a broad range of topics including politics agriculture labor religion education race relations law family gender studies and local history It encompasses the years of the Civil War through the conclusion of the 1876 election and the end of the federal government s official role in reforming the postwar South and protecting the rights of Black citizens In detailed annotations the book covers a range of literature from scholarly and popular studies to published memoirs letters and documents as well as reference sources and teaching tools The issues of Reconstruction civil rights states rights and federal state relations racism nationalism government aid to individuals continue to be relevant today and the literature on Reconstruction is large This book provides a systematic and comprehensive bibliographic guide to that literature It is organized by topics and geographical regions and states thereby emphasizing the local diversity in the South In addition to a variety of literature it covers the relevant Supreme Court cases through 1883 provides full citations to federal acts and cases cited and includes the texts of the 13th 14th and 15th Amendments to the Constitution The book will be useful to scholars and students researching a wide range of topics in Southern history constitutional history and national politics in post Civil War United States

Peyotism and the Native American Church Phillip M. White, 2000-09-30 The largest religion begun organized and directed by and for Native Americans Peyotism includes the use of peyote in its ceremonies As a sacred plant of divine origin peyote use was well established in religious rituals in pre Columbian Mexico Toward the end of the 19th century Peyotism spread to the Indians of Texas and the Southwest and it spread rapidly in the United States after the subsidence of the Ghost Dance It persists today among Native Americans in Northern Mexico the United States and Southern Canada Possibly because of the controversy over peyote use a lot has been written about the Native American Church This bibliography provides a useful guide for scholars students and Native Americans who want to research Peyotism The bibliography includes books and book chapters master s theses Ph D dissertations magazine and journal articles

conference papers museum publications U S government publications audiovisual materials and World Wide Web sites In addition it includes selected articles from newspapers law reviews medical and psychiatric journals and scientific journals that provide information on Peyotism A valuable research guide the bibliography will help to provide a greater understanding of the history ceremonies and significance of the pan Indian religion *Witnessing Lynching* Anne P. Rice, 2003 Their words provide today s reader with a chance to witness lynching and better understand the current state of race relations in America

BOOK JACKET Encyclopedia of Community DAVID LEVINSON, KAREN CHRISTENSEN, 2003-06-30 Click Additional Materials for downloadable materials and samples Incredibly this is the first encyclopedia to focus on community as concept and experience so stands alone in its field as the one title any library must buy to cover this topic Essential for all readerships CHOICEA timely comprehensive and very welcome overview of a rich and rapidly growing field of inquiry Robert D Putnam Professor at Harvard University and author of *Bowling Alone* With every passing minute it becomes more and more apparent that our world is one community The Encyclopedia of Community serves as recognition of this trend and as a needed resource The four volume set not only explains the emerging buzz words of community such as social capital or civic engagement but also tells many stories of community institutions that work such as public libraries Sarah Ann Long Past President 1999 2000 American Library Association As we yearn to connect with our fellow citizens during these uncertain times we have a unique moment to encourage greater participation in our democracy and reinvigorate our communities The Encyclopedia of Community provides a timely diverse array of theories and practices that will help citizens understand the value of engaging together to make the critical choices that enrich the way we live learn work and govern in our local communities The Encyclopedia deserves a prime spot in the libraries homes and offices of all communities that want to invest in a brighter future for their residents and their children Nancy Kranich Past President of the American Library Association whose presidential theme was *Libraries The Cornerstone of Democracy* 2000 2001 American politicians often pair the word community with the word freedom to describe our basic values Yet though used constantly the word community is defined in widely different and contested ways Most people like the idea of community but some intellectuals worry that it might imply collectivism The great value of this new Encyclopedia is that it gives readers a chance to sample the many uses of the term and gain clarity about the issues at stake It is a major contribution to a more coherent understanding of this fundamental idea Robert Bellah Professor of Sociology Emeritus University of California Berkeley and co author of *Habits of the Heart* SAGE Publications is proud to announce the Encyclopedia of Community a major reference work that summarizes the many fascinating and important concepts of a global topic Community itself is a concept an experience and a central part of being human Whether the reader is a student researcher or professional in the field of psychology sociology or even economics this three volume work will provide the necessary definitions of community beyond traditional views Arranged in an A to Z fashion the Encyclopedia can also be viewed topically via a Reader s Guide This allows for interdisciplinary compare and

contrast among topics such as types of communities social capital technology urban life politics and law community design and global studies Edited by the award winning team at Berkshire Reference and assisted by an editorial board of world renowned scholars the Encyclopedia of Community will prove to be one of the most widely used reference works in your collection Key Features 500 signed articles 3 volumes 2000 pages Reader s Guide Master bibliography 250 sidebars Appendices Resource Guides Master Bibliography Libraries Build Community Libraries and Popular Culture The Harvard Guide to African-American History Evelyn Brooks Higginbotham,2001 This massive guide sponsored by the W E B Du Bois Institute for Afro American Research at Harvard University and compiled by renowned experts offers a compendium of information and interpretation on over 500 years of black experience in America **Vengeance in a Small Town** George R. Nielsen,2011-02-08 One hundred years ago in 1911 two young men lost their lives one from a stab wound and the other by mob action In an attempt to explain how such violence could take place in a prosperous and forward looking community the author first examines the growth of Thorndale as a small agricultural town on the railroad and then connects Thorndales geographical setting in central Texas with its tradition of violence This particular lynching was unusual in that it took place at night thereby complicating apprehension of the members of the mob However as a result of intervention by the governor four men were arrested for the crime and three were tried The lynching was also unusual because the victim was of Mexican heritage thereby inciting the Mexican community to voice its outrage and demand justice The nature of its reaction testifies to the political awareness of the Mexican minority and also provides an insight into its perception of Anglo society

Encyclopedia of the Harlem Renaissance Cary D. Wintz,Paul Finkelman,2012-12-06 From the music of Louis Armstrong to the portraits by Beauford Delaney the writings of Langston Hughes to the debut of the musical Show Boat the Harlem Renaissance is one of the most significant developments in African American history in the twentieth century The Encyclopedia of the Harlem Renaissance in two volumes and over 635 entries is the first comprehensive compilation of information on all aspects of this creative dynamic period For a full list of entries contributors and more visit the Encyclopedia of Harlem Renaissance website Getting Away with Murder Vanessa A. Holloway,2014-12-15 Throughout the late nineteenth and early twentieth century the U S Congress engaged in bitter debates on whether to enact a federal law that would prosecute private citizens who lynched black Americans In Getting Away with Murder the fundamental question under scrutiny is whether Southern Democrats racist attitudes toward black Americans pardoned the atrocities of lynching The book investigates underlying motives of opposition to Senate filibustering and invites an intellectual discussion on why Southern Democrats thought states rights were the remedy to lynching when in fact the phenomenon was a baffling national crisis A rebuttal to this query may include notions that congressional investigations into state protected rights were deemed unconstitutional In a unifying theme the appeal ties into questions of the federalism civil rights debate by noting intervals that warrant research and advancing new perspectives intended to accentuate the matrices of race based politics To examine

the federalism civil rights debate this book asks three practical questions 1 Would Southern Democrats suspend their friendships with private citizens and enact a federal law that would prosecute them for lynching 2 Was the national government limited in its constitutional power to protect black Americans from private citizens who organized themselves as lynch mobs 3 Were concerns for states rights the core reasons for Senate filibustering or did Southern Democrats argue for states rights support the lie of racism

A Guide to Films on the Korean War Paul M. Edwards, 1997-03-30 Written by a knowledgeable film critic and Korean War scholar this is the only guide exclusively devoted to the study of Hollywood and television films based on the Korean War 1950-1953 It opens with eight short essays discussing the appeal of the war film genre government and filmmaker cooperation the isolation of Korean War films from other war films why John Wayne didn't make a Korean War film the other actors who did the plots of Korean War films television and Korean War films and the myths resulting from films Eighty-four films are then discussed in alphabetically arranged entries The entries include production unit color status producer director screenwriter actors and actresses movie length and the author's numerical rating of the film The commentary places each film within the context of other war films the Korean War trends in Hollywood and the social and political realities of the United States The films also are listed chronologically Producers directors screenwriters actors and actresses are indexed by responsibility and are included in the general index The book also provides a list of 109 documentary films available for public viewing

Lynching And Vigilantism In The United States An Annotated Bibliography Introduction

In today's digital age, the availability of Lynching And Vigilantism In The United States An Annotated Bibliography books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Lynching And Vigilantism In The United States An Annotated Bibliography books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Lynching And Vigilantism In The United States An Annotated Bibliography books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Lynching And Vigilantism In The United States An Annotated Bibliography versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Lynching And Vigilantism In The United States An Annotated Bibliography books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Lynching And Vigilantism In The United States An Annotated Bibliography books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely

distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Lynching And Vigilantism In The United States An Annotated Bibliography books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Lynching And Vigilantism In The United States An Annotated Bibliography books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Lynching And Vigilantism In The United States An Annotated Bibliography books and manuals for download and embark on your journey of knowledge?
