

HEAVEN

(BRYAN ADAMS)

Oh thinkin' about all our younger years
There was only you and me
We were young and wild and free
Now nothing can take you away from me
We've been down that road before
But that's over now
You keep me comin' back for more

Baby you're all that I want
When you're lyin' here in my arms
I'm findin' it hard to believe
We're in heaven
And love is all that I need
And I found it there in your heart
Isn't too hard to see
We're in heaven

Oh once in your life you find someone
Who will turn your world around
Bring you up when you're feelin' down
Yeah nothin' can change what you mean to me

Oh there's lots that I could say
But just hold me now
'Cause our love will light the way

And baby you're all that I want
When you're lyin' here in my arms
I'm findin' it hard to believe
We're in heaven
Yeah love is all that I need
And I found it there in your heart
It isn't too hard to see
We're in heaven

I've been waitin' for so long
For somethin' to arrive
For love to come along

Now our dreams are comin' true
Through the good times and the bad
Yeah I'll be standin' there by you, oh!

And baby you're all that I want
When you're lyin' here in my arms
I'm findin' it hard to believe
We're in heaven
And love is all that I need
And I found it there in your heart
Isn't too hard to see
We're in heaven, heaven
Whoa, oh, oh!

You're all that I want

You're all that I need

African Americans and the Bible Vincent L. Wimbush, 2012-09-01 Perhaps no other group of people has been as much formed by biblical texts and tropes as African Americans From literature and the arts to popular culture and everyday life the Bible courses through black society and culture like blood through veins Despite the enormous recent interest in African American religion relatively little attention has been paid to the diversity of ways in which African Americans have utilized the Bible African Americans and the Bible is the fruit of a four year collaborative research project directed by Vincent L Wimbush and funded by the Lilly Endowment It brings together scholars and experts sixty eight in all from a wide range of academic and artistic fields and disciplines including ethnography cultural history and biblical studies as well as art music film dance drama and literature The focus is on the interaction between the people known as African Americans and that complex of visions rhetorics and ideologies known as the Bible As such the book is less about the meaning s of the Bible than about the Bible and meaning s less about the world s of the Bible than about how worlds and the Bible interact in short about how a text constructs a people and a people constructs a text It is about a particular sociocultural formation but also about the dynamics that obtain in the interrelation between any group of people and sacred texts in general Thus African Americans and the Bible provides an exemplum of sociocultural formation and a critical lens through which the process of sociocultural formation can be viewed
