Perkins, 1999 This collection is the first focused effort to bring modern research techniques to bear on Kierkegaard's earliest polemical writings and literary efforts as gathered in the first volume of Kierkegaard's Writings under the title *Early Polemical Writings* Some of these pieces the speech at the student union *Our Journalistic Literature* and the rather strident though silly play *The Battle between the Old and the New Soap Cellars* were not published during Kierkegaard's lifetime

The Oxford Handbook of Percy Bysshe Shelley Madeleine Callaghan, 2013 The book is an authoritative and up to date collection of original essays on one of the greatest of all English poets Percy Bysshe Shelley It covers a wide range of topics exploring Shelley's life and work from various angles [The Complete Poetry of Percy Bysshe Shelley](#) Percy Bysshe Shelley, 2021-05-04 A landmark event in literary scholarship the publication of the Johns Hopkins edition of *The Complete Poetry of Percy Bysshe Shelley* makes available for the first time critically edited clear texts of all poems and translations that Shelley published or circulated among friends as well as diplomatic texts of his significant incomplete poetic drafts and fragments Edited upon historical principles by Donald H Reiman and Neil Fraistat the multi volume edition will offer more poems and fragments than any previous collective edition arranged in the order of their first circulation These texts are followed by the most extensive collations hitherto available and detailed commentaries that describe their contextual origins and subsequent reception Rejected passages of released poems appear as supplements to those poems while other poetic drafts that Shelley rejected or left incomplete at his death will be grouped according to either their publication histories or the notebooks in which they survive Writing to his publisher in 1813 Shelley expressed the hope that two of his major works should form one volume nearly two centuries later the second volume of the Johns Hopkins edition of *The Complete Poetry* fulfills that wish for the first time This volume collects two important pieces *Queen Mab* and *The Esdaile Notebook* Privately issued in 1813 *Queen Mab* was perhaps Shelley's most intellectually ambitious work articulating his views of science politics history religion society and individual human relations Subtitled *A Philosophical Poem With Notes* it became his most influential and pirated poem during much of the nineteenth century a favorite among reformers and radicals *The Esdaile Notebook* a cycle of fifty eight early poems exhibits an astonishing range of verse forms Unpublished until 1964 this sequence is vital in understanding how the poet mastered his craft As in the acclaimed first volume these works have been critically edited by Donald H Reiman and Neil Fraistat The poems are presented as Shelley intended with textual variants

included in footnotes Following the poems are extensive discussions of the circumstances of their composition and the influences they reflect their publication or circulation by other means their reception at the time of publication and in the decades since their re publication both authorized and unauthorized and their place in Shelley s intellectual and aesthetic development
