Lytton Strachey The New Biography:

Lytton Strachey Michael Holroyd,1995 When Michael Holroyd's life of Strachey appeared in 1967 it changed the course of modern biography setting a new standard for the recounting of literary lives and launching the enduring Bloomsbury revival In the 1960s however many of Strachey's friends and lovers were still alive much could not be said and access to letters and resources was restricted Since then almost all his circle has died and homosexuality in England has been decriminalized In telling Strachey's life anew Holroyd has drawn on a wealth of previously unavailable material bring fresh candor and accuracy to his account of Strachey's friendships with E M Forster Virginia and Leonard Woolf Duncan Grant and Vanessa Bell Ralph and Frances Patridge and his companion Dora Carrington among others In many of Bloomsbury's three cornered relationships Holroyd could lay claim to only two sides of the triangle Now he has all three with which to recount the story of this extraordinary man and his complex world At the center of the drama is the long lasting relationship between Strachey and Carrington and their Triangular Trinity of Happiness with Ralph Partridge In equally elegant and humorous prose Holroyd shows the parts that many men and women played in this comedy of manners as it developed into a tragedy
