M J The Life And Times Of M J Coldwell:

M.J. Walter Stewart,2000 Revival and Change John C. Courtney,2022-11-01 Revival and Change is a compelling account of the elections accomplishments challenges failures and ultimate end of the Diefenbaker era The Liberals had been in office for two decades when the 1957 election was called and were widely expected to win another majority government But new Conservative leader John Diefenbaker completely overshadowed his opponents Highlighting Liberal arrogance Diefenbaker seized the opportunity that television and boisterous supportive rallies offered to present his vision of a new Canada He was ultimately victorious A second election in 1958 resulted in a landslide victory with the Liberals reduced to their smallest number of seats since Confederation the CCF reduced to eight seats and losing its leader and Social Credit wiped out completely It was a rout never before seen in Canadian history Revival and Change is the story of those elections the government and opposition they produced the issues that defined the government and the era s legacy in Canadian politics and society **Visionaries, Crusaders, and Firebrands** Lynn Gidluck,2012-03-27 It s visionary principled leaders not just policies and programs that are key to the NDP s importance in Canadian public life *Tommy Douglas and the Quest for Medicare in Canada* Gregory Marchildon,2024-11-30 How and why was universal health coverage implemented so early in a poverty stricken province in Canada Why was its design so faithfully replicated in the national standards that ultimately shaped Medicare across the rest of Canada Seeking to answer these questions Tommy Douglas and the Quest for Medicare in Canada explores the history of universal health care through the life of Canadian politician Tommy Douglas identifying the pivotal moments and decisions that led to the establishment of Medicare in Canada The book traces the origins of Medicare back to the 1930s Depression and its devastating impact on the Prairie populations Marchildon examines how Tommy Douglas and a new generation of reformers radicalized by the Depression prioritized socialized health care The book reveals how as the provincial party leader Douglas leveraged support from both local and external allies to rapidly implement universal hospital insurance and lay the groundwork for a new health system Despite strong opposition from physician and business lobbies Douglas continued to pressure the government for federal cost sharing of universal health coverage Drawing on archival sources including speeches television broadcasts and cabinet documents Tommy Douglas and the Quest for Medicare in Canada illuminates how Douglas s vision leadership and coalition building among unions were crucial to the successful establishment of Medicare in Canada **A Great Restlessness** Faith Johnston,2006-10-30 Dorise Nielsen was a pioneering feminist a radical politician the first Communist elected to Canada s House of Commons and the only woman elected in 1940 But despite her remarkable career until now little has been known about her From her youth in London during World War I to her burial in 1980 in a hero s cemetery in China Nielsen lived through tumultuous times Struggling through the Great Depression as a homesteader s wife in rural Saskatchewan Nielsen rebelled against the poverty and injustice that surrounded her and found like minded activists in the CCF and the Communist Party of Canada In 1940

when leaders of the Communist Party were either interned or underground Nielsen became their voice in Parliament But her activism came at a high price As a single mother in Ottawa she sacrificed a close relationship with her family for her career As a woman in an emerging political organisation her authority was increasingly usurped by younger male party members As a committed communist she moved to Mao's China in 1957 and dedicated her life's work to a cause that went seriously awry Faith Johnston illuminates the life of a woman who paved the way for a generation of women in politics who tried to be both a good mother and a good revolutionary and who refused to give up on either *King* Allan Gerald Levine, 2011 Advance Praise for *King* Here we have Allan Levine one of the aces of Canadian historical chronicles channelling Mackenzie King And what a story they have to tell our longest serving prime minister getting advice from his dog and having two way conversations with his long dead mother If Canadian history was ever dull it isn't now Get this book Book jacket **The**

World is Our Parish Keith Fleming, 2015-02-05 One of Canada's most outspoken and respected advocates of internationalism during the early Cold War John King Gordon had a remarkably eclectic professional life Keith R Fleming's biography of Gordon explores the man's many careers from his start as a Manitoba clergyman in the 1920s to his work as a United Nations field officer in Korea the Middle East and the Congo In *The World Is Our Parish* Fleming traces how Gordon's passion for social reform and humanitarianism led him to become a clergyman a political activist a journalist a professor and one of Canada's leading advocates of liberal internationalism in the years after World War Two An exceptional biography of an extraordinary but little known Canadian *The World Is Our Parish* uses Gordon's professional and intellectual journey to reveal the confluence of liberal Christianity social democracy and internationalism in Canadian politics and thought

Toward the Charter Christopher MacLennan, 2003 At the end of the Second World War a growing concern that Canadians civil liberties were not adequately protected coupled with the international revival of the concept of universal human rights led to a long public campaign to adopt a national bill of rights While these initial efforts had been only partially successful by the 1960s they laid the foundation for the radical change in Canadian human rights achieved by Pierre Elliott Trudeau in the 1980s In *Toward the Charter* Christopher MacLennan explores the origins of this dramatic revolution in Canadian human rights from its beginnings in the Great Depression to the critical developments of the 1960s Drawing heavily on the experiences of a diverse range of human rights advocates the author provides a detailed account of the various efforts to resist the abuse of civil liberties at the hands of the federal government and provincial legislatures and the resulting campaign for a national bill of rights The important roles played by parliamentarians such as John Diefenbaker and academics such as F R Scott are placed alongside those of trade unionists women and a long list of individuals representing Canada's multicultural groups to reveal the diversity of the bill of rights movement At the same time MacLennan weaves Canadian made arguments for a bill of rights with ideas from the international human rights movement led by the United Nations to show that the Canadian experience can only be understood within a wider global context **Dynasties and**
