of Inescapable Axl Rhodes has always been a person who fixes problems and saves the day first during his years in the military and now in his current work as part owner of Caswallawn Security Even his romantic history is filled with women desperately seeking a savior So it s no wonder that despite his intense attraction to Regan Mitchell the irrepressible younger sister of his former SEAL teammate he can never envision a future with her Regan is anything but a damsel in distress As Caswallawn s only female protection officer she can hold her own against the toughest clients and her fellow guards She s had a thing for Axl since she was a teenager but she refuses to let any man call the shots in her life no matter how much or how long she s wanted him But when Regan and Axl are forced to work together to keep a high profile client safe from a dangerous stalker the sparks between them are too hot to ignore And as they give in to the passion between them they may find that losing control is much more fun than keeping it Includes a teaser of the first Men of Mercy novel Inescapable Praise for Joss Wood and Her Novels Believable and compelling Takes readers on a passionate emotional roller coaster ride RT Book Reviews Starts off HOT and just seems to pick up steam the entire way through Harlequin Junkie
