The Macedonian Question and the Macedonians Alexis Heraclides, 2020-12-30 This book is a comprehensive and dispassionate analysis of the intriguing Macedonian Question from 1878 until 1949 and of the Macedonians and of their neighbours from the 1890s until today with the two themes intertwining The Macedonian Question was an offshoot of the wider Eastern Question i e the fate of the European remnants of the Ottoman Empire once it dissolved The initial protagonists of the Macedonian Question were Greece Bulgaria and Serbia and a Slav speaking population inhabiting geographical Macedonia in search of its destiny the largest segment of which ended up creating a new nation comprising the Macedonians something unacceptable to its three neighbours Alexis Heraclides analyses the shifting sands of the Macedonian Question and of the gradual rise of Macedonian nationhood with special emphasis on the Greek Bulgarian and Serbian claims to Macedonia 1870s 1919 the birth and vicissitudes of the most famous Macedonian revolutionary organization the VM O RO and of other organizations 1893 1940 the appearance and gradual establishment of the Macedonian nation from the 1890s until 1945 Titos s crucial role in Macedonian nationhood cum federal status the Greek Macedonian name dispute 1991 2018 including the skeletons in the cupboard the deep seated reasons rendering the clash intractable for decades the final Greek Macedonian settlement the 2018 Prespa Agreement the Bulgarian Macedonian dispute 1950 today and its ephemeral settlement in 2017 the issue of the Macedonian language and the Macedonian national historical narrative The author also addresses questions around who the ancient Macedonians were and the fascination with Alexander the Great This monograph will be an essential resource for scholars working on Macedonian history Balkan politics and conflict resolution

The Macedonian Slavs in the Greek Civil War, 1944-1949 James Horncastle, 2019-06-03 In this study of Macedonian Slavs in the Greek Civil War the author examines how their participation in the conflict and the attempts by other groups to manipulate them gave rise to modern issues that continue to affect politics in the region today The Macedonian Question has confounded academics politicians and the people of the Balkans since the nineteenth century While the countries have resolved the territorial component of the Macedonian Question the critical and confusing question surrounding the ethnic and linguistic identity of the people of the region continues to be the source of international debate Part of the reason for this confusion is because the history of the Macedonian Question is shrouded in

nationalist polemics The role of the Macedonian Slavs involvement in the Greek Civil War is particularly contentious and embedded in nationalist polemics which has impacted academic inquiry This book argues that the preponderance of Macedonian Slavs within the communist forces during the Greek Civil War influenced the actions of all the major actors involved and is a significant factor in shaping the modern Macedonian national identity Historical Dictionary of the Republic of Macedonia Dimitar Bechev,2009-04-13 Located at the very heart of the Balkans the Republic of Macedonia has a rich and turbulent history which reflects all the complexities of the region s past and present day politics In the late 19th and the early 20th century it became the focal point of competition by the fledgling Balkan nation states over the declining Ottoman Empire s European possessions Late Ottoman Macedonia was a region which impressed the external observer with its diversity ethnic religious linguistic clannish and territorial identities all overlapped in a complex and puzzling mosaic It is this diversity that has led to the Macedonian Question of the late 19th and early 20th centuries and continues to raise questions today The Historical Dictionary of the Republic of Macedonia traces the key political socio economic and cultural developments in the multiethnic mosaic that is Republic of Macedonia following its secession from the Yugoslav federation in the autumn of 1991 It also surveys often overlooked topics such as the social transformations underwent in the course of the 20th century and during the decades of socialism as well as the recent debates about historical memory and roots of the Slav Macedonian nation Complete with a chronology an introductory essay a bibliography and over 400 hundred cross referenced dictionary entries this reference provides a rich account of the history present day politics and society of the Republic of Macedonia *The Macedonian Question* Dimitris Livanios,2008-04-17 The Macedonian Question the struggle over a territory with historically ill defined borders and conflicting national identities is one of the most intractable issues in Balkan history Dimitris Livanios explores the British dimension to the problem from the outbreak of the Second World War to the aftermath of the Tito Stalin split **Historical Dictionary of North Macedonia** Dimitar Bechev,2019-09-03 Located in the middle of the Balkans North Macedonia reflects the turbulent history of the region The country emerged from former Yugoslavia in the 1990s without violence but struggled to achieve international recognition due to a dispute with neighboring Greece over its name and symbols The name issue was resolved only in 2018 with the signature of the Prespa Agreement reviving prospects for membership in NATO and the European Union EU Yet North Macedonia s story goes centuries back to the Middle Ages the period of Ottoman Rule which lasted until 1912 and the various reincarnations of Yugoslavia The historical dictionary traces the country s past and present with a wealth of articles on issues events institutions personalities shaping political economic and cultural life It looks at the majority Macedonian as well as other ethnic communities such as the Albanians Turks and the Roma There are also entries on North Macedonia s relations with neighbors in history and today as well as with global powers This second edition of Historical Dictionary of North Macedonia contains a chronology an introduction and an extensive bibliography The dictionary section has over 500 cross referenced entries on important
