Machiavellis The Prince A Bilingual Edition:

Machiavelli's The Prince Niccolò Machiavelli, 1964 *Machiavelli's the Prince* Niccolo Machiavelli, 1969-10-01 Written in 1513 for the Medici immediately following their return to power in Florence The Prince remains as relevant a text on the craft of ruling and the exercise of power in today's world as it was in the 16th century **The Prince / Il Principe** Niccolò Machiavelli, 2017-06-23 This edition contains the English translation and the original text in Italian The Prince Italian Il Principe is a 16th century political treatise by the Italian diplomat and political theorist Niccol Machiavelli From correspondence a version appears to have been distributed in 1513 using a Latin title *De Principatibus* About Principalities However the printed version was not published until 1532 five years after Machiavelli's death This was done with the permission of the Medici pope Clement VII but long before then in fact since the first appearance of the Prince in manuscript controversy had swirled about his writings Although it was written as if it were a traditional work in the mirrors for princes style it is generally agreed that it was especially innovative This is only partly because it was written in the vernacular Italian rather than Latin a practice which had become increasingly popular since the publication of Dante's Divine Comedy and other works of Renaissance literature The Prince is sometimes claimed to be one of the first works of modern philosophy especially modern political philosophy in which the effective truth is taken to be more important than any abstract ideal It was also in direct conflict with the dominant Catholic and scholastic doctrines of the time concerning how to consider politics and ethics Although it is relatively short the treatise is the most remembered of Machiavelli's works and the one most responsible for bringing the word Machiavellian into usage as a pejorative It also helped make Old Nick an English term for the devil and even contributed to the modern negative connotations of the words politics and politician in western countries In terms of subject matter it overlaps with the much longer Discourses on Livy which was written a few years later In its use of near contemporary Italians as examples of people who perpetrated criminal deeds for politics another lesser known work by Machiavelli which The Prince has been compared to is the Life of Castruccio Castracani Il Principe titolo originale in lingua latina *De Principatibus* lett Sui Principati un trattato di dottrina politica scritto da Niccol Machiavelli nel 1513 nel quale espone le caratteristiche dei principati e dei metodi per mantenerli e conquistarli Si tratta senza dubbio della sua opera più nota e celebrata quella dalle cui massime spesso superficialmente interpretate sono nati il sostantivo machiavellismo e l'aggettivo machiavellico L'opera non ascrivibile ad alcun genere letterario particolare in quanto non ha le caratteristiche di un vero e proprio trattato se ne ipotizzata la natura di libriccino a carattere divulgativo Il Principe si compone di una dedica e ventisei capitoli di varia lunghezza l'ultimo capitolo consiste nell'appello ai de Medici ad accettare le tesi espresse nel testo

The Prince Niccolo Machiavelli, 2015-12-01 The ultimate treatise on statecraft Machiavelli's work has held such power to shock that he was at one time identified with Satan himself Published in 1532 it remains relevant and fascinating for modern readers Sayre Street Books offers the world's greatest literature in easy to navigate beautifully designed digital

editions **Feminist Interpretations of Niccolò Machiavelli** Maria J. Falco, 2010-11-01 Resistant Structures Richard Strier, 2023-09-01 Taking Wittgenstein's Don't think but look as his motto Richard Strier argues against the application of a priori schemes to Renaissance and all texts He argues for the possibility and desirability of rigorously attentive but pre-theoretical reading His approach privileges particularity and attempts to respect the resistant structures of texts He opposes theories critical and historical that dictate in advance what texts must or cannot say or do The first part of the book Against Schemes demonstrates in discussions of Rosemond Tuve Stephen Greenblatt and Stanley Fish among others how both historicist and purely theoretical approaches can equally produce distortion of particulars The second part Against Received Ideas shows how a variety of texts by Shakespeare Donne Herbert and others have been seen through the lenses of fixed mainly conservative ideas in ways that have obscured their actual surprising and sometimes surprisingly radical content Taking Wittgenstein's Don't think but look as his motto Richard Strier argues against the application of a priori schemes to Renaissance and all texts He argues for the possibility and desirability of rigorously attentive but pre-theoretical read

Hypocrisy and Integrity Ruth W. Grant, 2008-04-15 Questioning the usual judgements of political ethics Ruth W Grant argues that hypocrisy can actually be constructive while strictly principled behavior can be destructive Hypocrisy and Integrity offers a new conceptual framework that clarifies the differences between idealism and fanaticism while it uncovers the moral limits of compromise **Cunning** Donald Herzog, 2008-03-17 Want to be cunning You might wish you were more clever more flexible able to cut a few corners without getting caught to dive now and again into iniquity and surface clutching a prize You might want to roll your eyes at those slaves of duty who play by the rules Or you might think there's something sleazy about that stance even if it does seem to pay off Does that make you a chump With pointedly mischievous prose Don Herzog explores what's alluring and what's revolting in cunning He draws on a colorful range of sources tales of Odysseus texts from Machiavelli pamphlets from early modern England salesmen's newsletters Christian apologetics plays sermons philosophical treatises detective novels famous infamous and obscure historical cases and more The book is in three parts bookended by two murderous churchmen Dilemmas explores some canonical moments of cunning and introduces the distinction between knaves and fools as a time honored but radically deficient scheme Appearances assails conventional approaches to unmasking Surveying ignorance and self-deception Despair deepens the case that we ought to be cunning and then sees what we might say in response Throughout this beguiling book Herzog refines our sense of what's troubling in this terrain He shows that rationality social roles and morality are tangled together and trickier than we thought Shakespeare and Moral Agency Michael D. Bristol, 2011-11-03 Shakespeare and Moral Agency presents a collection of new essays by literary scholars and philosophers considering character and action in Shakespeare's plays as heuristic models for the exploration of some salient problems in the field of moral inquiry Together they offer a unified presentation of an emerging orientation in Shakespeare studies drawing on recent work in ethics philosophy of mind and analytic aesthetics to construct a

powerful framework for the critical analysis of Shakespeare's works Contributors suggest new possibilities for the interpretation of Shakespearean drama by engaging with the rich body of contemporary work in the field of moral philosophy offering significant insights for literary criticism for pedagogy and also for theatrical performance The Prince Niccolo Machiavelli, 2008-03-15 To investigate the imaginative leaps of so agile and incisive a mind as Machiavelli's one needs as much commentary about history political theory sources and language as possible I have gradually come to realize that readers who remain unaware of these topics frequently finish reading The Prince put down their copies and wonder what the shouting was all about Thus commented eminent Machiavelli scholar James B Atkinson thirty years ago in justifying what remains today the most informative English language edition of Machiavelli's masterpiece available
