Machine Beneath The Streets:

Tomorrow City Nathan Russell, 2024-01-25 A dieselpunk roleplaying game of action mystery and mad science *Tomorrow City* was one of the cities of the future built to usher in a new age of prosperity seizing upon scientific achievements at the dawn of the twentieth century Then came the War Radium powered soldiers assembled diesel fuelled nightmares rolled off production lines city fought city and the world burned in atomic fire We survived barely *Tomorrow City* still stands an oil stained beacon of hope part refuge part asylum Beset by dangers from both within and without a secret war now rages on its streets Diesel born monstrosities stalk the alleyways air pirates strike from the wastelands mad scientists continue their dark work occultists manipulate the city's strange geometry and secret societies plot in the shadows *Tomorrow City* is a roleplaying game of dark science and dieselpunk action Swift and simple character creation and an easy to learn dice pool system places the emphasis on unique personalities and the momentum of the plot Join the Underground and fight the crime and corruption at the heart of the city Sell your dieselpunk tech occult knowledge and sheer grit as troubleshooters for mysterious paymasters Hunt down spies saboteurs and science run amok As weary sky rangers fringe scientists and radium powered veterans you might be all that stands between a better tomorrow and no tomorrow at all **Archeological**

Investigation of the Armory Street, Lower Armory Grounds, Harpers Ferry Armory 46JF518 Darlene Hassler, Justin Ebersole, 2016 The archeological investigation of the Armory Street within the Lower Armory Grounds provides us with a broader view of both the Native American and early Armory occupation periods and yields further data to better understand the early history and prehistory of Harpers Ferry A number of interesting artifacts were collected during the course of the excavations Some interesting items included a cache of 75 100 three piece long range rear sights for the U S Model 1855 rifle in a small deposit at the corner of the warehouse China plates commissioned by the railroad to commemorate the funding of the B O Railroad were also discovered plus several items from the Civil War era were found Other products produced by the National Park Service American Indians collection Buildings Landmarks Historic Sites resources collection

Stockton, William S. Ray, 2014-01-29 El Hajj Malik El Shabazz Malcolm X once said In the hectic pace of the world today there is not enough time for meditation or for deep thought A prisoner has time that he can put to good use I'd put prison second to college as the best place for a man to go if he needs to do something If he's motivated in prison he can change his life Strong blood flows through my veins It is the blood of my ancestors which sustains me They persevered through capture and enslavement and they triumphed even as they lay in the filthy hatches of slave ships My ancestors survived the Middle Passage and the auction blocks One of my favorite female authors Elwidge Danticat once wrote in her book *The Farming of Bones* The dead who have no more use for words leave

them as an inheritance for their children This book is for my great grandparents Arthur and Minnie Taylor my grandparents Arlen and Emily Whaley and my parents Lenel Whaley and Walton Stockton The words of this book are my own But they originated in the blood of the people who came before me my family gave these words to me **The Mechanics' Magazine and Journal of Engineering, Agricultural Machinery, Manufactures and Shipbuilding** ,1861 Official Gazette of the United States Patent Office United States. Patent Office,1882 Street Shadows Jerald Walker,2010-01-26 Masterfully told marked by irony and humor as well as outrage and a barely contained sadness Jerald Walker s Street Shadows is the story of a young man s descent into the thug life and the wake up call that led to his finding himself again Walker was born in a Chicago housing project and raised along with his six brothers and sisters by blind parents of modest means but middle class aspirations A boy of great promise whose parents and teachers saw success in his future he seemed destined to fulfill their hopes But by age fourteen like so many of his friends he found himself drawn to the streets By age seventeen he was a school dropout a drug addict and a gangbanger his life spiraling toward the violent and premature end all too familiar to African American males And then came the blast of gunfire that changed everything His coke dealing friend Greg was shot to death less than an hour after Walker scored a gram from him Twenty five years later tossing the drug out the window is still the second most difficult thing I ve ever done The most difficult thing is still that I didn t follow it So begins the story told in alternating time frames of the journey that Walker took to become the man he is today a husband father teacher and writer But his struggle to escape the long shadows of the streets was not easy There were racial stereotypes to overcome his own as well as those of the very white world he found himself in and a hard grappling with the meaning of race that came to an unexpected climax on a trip to Africa An eloquent account of how the past shadows but need not determine the present Street Shadows is the opposite of a victim narrative Walker casts no blame except upon himself sheds no tears except for those who have not shared his good fortune and refuses the temptations of self pity and self exoneration In the end what Jerald Walker has written is a stirring portrait of two Americas one hopeless the other inspirational embodied within one man
