

Machine Politics In The Australian Labor Party

Gerald Hunt

Machine Politics In The Australian Labor Party:

Machine Politics in the Australian Labor Party Andrew Parkin, John Warhurst, 1983-01-01 Summary a group of actors in Montreal presents a radical version of the Passion Play creating controversy in the church and community

The Funding of Political Parties Keith Ewing, Jacob Rowbottom, Joo-Cheong Tham, 2012-01-25 This book explores the problems associated with regulating the funding of political parties and election campaigns in a timely assessment of a topic of great political controversy From interest in Obama's capacity to raise vast sums of money to scandals that have rocked UK and Australian governments party funding is a global issue reflected in this text with case studies from Australia Canada New Zealand United Kingdom and the United States Taking an interdisciplinary approach with leading scholars from politics geography and law this text addresses key themes contributions spending controls the role of broadcasters and special interests and the role of the state in funding political parties With regulatory measures apparently unable to change the behaviour of parties why have existing laws failed to satisfy the demands for reform and what kind of laws are necessary to change the way political parties behave The Funding of Political Parties Where Now brings fresh comparative material to inform this topical and intractable debate and assesses the wider implications of continuing problems in political funding This book will be of interest to students and scholars of political science political theory policy and law

Political Parties in Advanced Industrial Democracies Paul Webb, 2002-09-26 How relevant and vital are political parties in contemporary democracies Do they fulfill the functions that any stable and effective democracy might expect of them or are they little more than moribund anachronisms relics of a past age of political life now superseded by other mechanisms of linkage between state and society These are the central questions which this book aims to address through a rigorous comparative analysis of political parties operating in the world's advanced industrial democracies Drawing on the expertise of an impressive team of internationally known specialists the book engages systematically with the evidence to show that while a degree of popular cynicism towards them is often chronic though rarely acute parties have adapted and survived as organizations remodelling themselves to the needs of an era in which patterns of linkage and communication with social groups have been transformed This has enabled them to remain central to democratic systems especially in respect of the political functions of governance recruitment and albeit more problematically interest aggregation On the other hand the challenges they face in respect of interest articulation communication and participation have pushed parties into more marginal roles within Western political systems The implications of these findings for democracy depend on the observer's normative and theoretical perspectives Those who understand democracy primarily in terms of popular choice and control in public affairs will probably see parties as continuing to play a central role while those who place greater store by the more demanding criteria of optimizing interests and instilling civic orientations among citizens are far more likely to be fundamentally critical Comparative Politics is a series for students and teachers of political science that deals with contemporary issues in comparative government and

politics The General Editors are Max Kaase Vice President and Dean of Humanities and Social Sciences International University Bremen and Kenneth Newton Professor of Government at Southampton University The series is published in association with the European Consortium for Political Research **The Politics of Party Policy** A. Gauja, 2015-12-11 Examining the complexities and tensions in relations between party members and parliamentarians through an in depth analysis of the processes that shape the development of party policy in the UK Australia and New Zealand this book Presents new evidence on the challenges facing parties in encouraging citizen participation in policy development Australian Politics and Government Jeremy Moon, Campbell Sharman, 2003-02-26 Table of contents **Money and Politics** Joo-Cheong Tham, 2010 Examines the various ways in which money influences Australian politics private and public funding income and spending direct contributions to political parties as well as lobbying cover **Federal Democracies at Work** Arthur Benz, Jared Sonnicksen, 2021-04-19 Applying an innovative approach to capture varieties and dynamics of federal democracies this collection examines the conditions mechanisms and practices that make federal democracies work

Developments in Australian Politics Judith Brett, James A. Gillespie, Murray Goot, 1994 Written for university students and the general reader An examination of Australian politics in the last 15 years and the changes in ideology executive and political institutions and policies in all areas including economic ethnic immigration unions social welfare foreign affairs media the environment censorship and sexual politics The editors are lecturers in politics at La Trobe and Macquarie Universities and the 17 contributors include John Ravenhill Uldis Ozolin and Tim Rowse With subject and author indexes and 38 page bibliography **Laboring for Rights** Gerald Hunt, 2009 A global look at labor unions and sexual minorities

Latham Diaries Mark Latham, 2011-04-01 Here are the political diaries of one of Australia's most promising national leaders published within twelve months of his resignation from office an historic first The Latham Diaries are searingly honest bulletins from the front line of Labor politics They provide a unique view into the life of a man the Party and the nation at a crucial time in Australian history Mark Latham resigned from parliament in January 2005 after only fourteen months as Leader of the Opposition amid bitter post election recrimination and his own ill health From the beginning of his career he was viewed by many observers as the ALP's resident intellectual and larrikin the great hope of a new generation with the drive and talent to become prime minister So why did his career end so abruptly As The Latham Diaries reveal the rising tide of public cynicism about politics the cult of celebrity the dangerous liaison between politics and the media and the sickness at the heart of the Labor machine all played their part As did Latham's own errors as he candidly records in these diaries This is a riveting chronicle of life inside politics the backroom deals the frontroom conniving the bitter defeat of idealism and the triumph of opportunism The Latham Diaries is not just the story of the Labor Party in the last years of the twentieth century and the early twenty first century but a sobering account of the state of Australian democracy 100 years after Federation

Embracing the Melody of Expression: An Mental Symphony within **Machine Politics In The Australian Labor Party**

In a world consumed by monitors and the ceaseless chatter of quick conversation, the melodic elegance and emotional symphony produced by the prepared term often fade in to the background, eclipsed by the constant sound and disturbances that permeate our lives. Nevertheless, situated within the pages of **Machine Politics In The Australian Labor Party** an enchanting literary prize overflowing with raw emotions, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, that charming masterpiece conducts viewers on a mental trip, skillfully unraveling the concealed melodies and profound impact resonating within each carefully constructed phrase. Within the depths of this emotional review, we shall discover the book is main harmonies, analyze their enthralling writing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
