May Days:

Maydays, Maypoles, and Morris Dancing (Folklore History Series) John Brand,2012-12-03 Morris dancing is unique to the British Isles In this book we explore the rich history of this long standing tradition Many of the earliest books particularly those dating back to the 1900 s and before are now extremely scarce and increasingly expensive We are republishing these classic works in affordable high quality modern editions using the original text and artwork **Daily Report, Foreign Radio Broadcasts** United States. Central Intelligence Agency,1970 **Mañana es San Perón** Mariano Ben Plotkin,2002-10-01 The regime of Juan Per n is one of the most studied topics of Argentina s contemporary history This new book an English translation of a highly popular critically acclaimed Spanish language edition provides a new perspective on the intriguing Argentinian leader Mariano Plotkin s cultural approach makes Per n s popularity understandable because it goes beyond Per n s charismatic appeal and analyzes the Per nist mechanisms used to generate political consent and mass mobilization Ma ana es San Per n is the first book to focus on the cultural and symbolic dimensions of Per nism and populism Plotkin also presents important material for the study of populism and the modern state in this region Ma ana es San Per n explores the creation of myths symbols and rituals which constituted the Per nist political imagery This political imagery was not designed to reinforce the legitimacy of a political system defined in abstract terms but to assure the undisputed loyalty of different sectors of society to the Per nist government and to Per n himself The evolution of the institutional framework that made the creation of this symbolic apparatus possible is also discussed This well researched book shows the methods designed by the Per nist regime to broaden its social base through the incorporation and activation of groups which had traditionally occupied a marginalized position within the political system non union workers women and the poor Plotkin investigates how Per n used the education system to build his popularity He examines the public assistance programs financed through the Eva Per n Foundation and demonstrates how they were used to politicize women for the first time He explains how Eva Per n and the Per nist regime not only tried to gain the support of women as voters but also as potential missionaries who would spread the Per nist word in the privacy of their homes This well written and engaging account of one of Latin America s most colorful and appealing leaders is an excellent resource on Argentina and Latin American history and politics Federal Register ,1993-08 **Capital Tax Acts 2021** Michael Buckley,2021-04-09 Now in its twenty ninth edition this indispensable guide to capital taxes provides the reader with annotated legislation in the areas of stamp duty CAT and local property tax All changes brought by the Finance Act 2020 are included All relevant information issued by the Revenue Commissioners is also included Each section of the book takes the area of tax it deals with and runs through each Act and SI which is relevant to it with notes which detail definitions amendments cross references e Briefings Tax Briefings former enactments and relevant case law **Business America** ,1982 Includes articles on international business opportunities *Encyclopedia of North Dakota* Nancy Capace,2001-01-01 The Encyclopedia of North Dakota contains

The American Dream and the National Game Leverett T. Smith (Jr.), 2004 This engaging study examines sports as both a symbol of American culture and a formative force that shapes American values Leverett T. Smith Jr uses high culture in the form of literature and criticism to analyze the popular culture of baseball and professional football He explores the history of baseball through three important events the fixing of the 1919 World Series the appointment of Judge Landis as commissioner of baseball with dictatorial powers and the emergence of Babe Ruth as the new kind of ball player He also looks at literary works dealing with leisure and sports including those of Thoreau Twain Frost Lardner and Hemingway Finally he documents the emergence of professional football as the national game through the history and writings of former Green Bay Packers coach Vince Lombardi who emerges as both a critic of the business oriented society and a canny businessman and manager of men himself First paperback edition Catalogue of the Guildhall Library of the City of London Guildhall (London). - Library, 1889
