reflects and shapes the societies in which it is created We will then turn our attention to the role of art in society We will consider how art can be used to communicate ideas to promote social change and to heal wounds We will also examine the role of art in education and we will discuss the importance of art appreciation for all ages Finally we will look to the future of art We will consider how technology is changing the way art is created and consumed and we will explore the new possibilities that are emerging for artists in the digital age We will also discuss the challenges facing the art world today such as the increasing commodification of art and the declining support for the arts in education Throughout this book we will be exploring a wide range of art from paintings and sculptures to photography and film We will encounter works of art from all over the world from ancient times to the present day We will also hear from artists themselves as they share their insights into the creative process Whether you are a seasoned art lover or a newcomer to the world of art this book is for you It is an invitation to explore the beauty the power and the mystery of art If you like this book write a review

The Medieval Fold
S. Verderber, 2013-05-14 Striking cultural developments took place in the twelfth century which led to what historians have termed the emergence of the individual The Medieval Fold demonstrates how cultural developments typically associated with this twelfth century renaissance autobiography lyric courtly love romance can be traced to the Church's cultivation of individualism However subjects did not submit to pastoral power passively they constructed fantasies and behaviors redeploying or folding it to create new forms of life and culture Incorporating the work of Nietzsche Foucault Lacan and Deleuze Suzanne Verderber presents a model of the subject in which the opposition between interior self and external world is dislodged
