best known Catholic writers in America explain difficult doctrines of the Church in lively readable essays Now the very best of those essays are here in permanent books each book filled with wise and entertaining chapters by a wide variety of favorite writers Fostering Children's Faith Jeanne Hall, 2012-03-29 Fostering faith in children is a shared privilege and responsibility of parents godparents and the church community We promise our children at baptism that we will support them in their faith formation in the formation of their relationship with God We need to take this promise seriously This book is intended to be an accessible and helpful resource for parents and other adults who seek to foster children s faith This book succinctly explores many ways we can support children s faith formation including our day to day interactions with children the images of God we share with them how we pray together the rituals we create service opportunities we provide music we share together the stories we tell and listen to our celebration of the sacraments and more While this book has a distinctly Roman Catholic orientation much of the content will be relevant for a wider Christian audience Lastly but perhaps most importantly this book is rooted in the conviction that the God we seek relationship with and that we hope to foster our children s relationship with is one who is infinitely loving welcoming and always yearning for deeper connection with us

Escape From Evil's Darkness Fr. Robert Spitzer, S.J., 2021-02-22 In this second volume of the Called Out of Darkness trilogy Father Robert Spitzer S J draws together some of the best advice given by Catholic spiritual masters across the ages and brings it into harmony with modern scientific research offering practical ways to live out the gospel in our busy days It is a roadmap to a deeper relationship with the Lord and to authentic transformation through the imitation of Christ Giving evidence that Jesus established just one Church with Peter as its head Spitzer shows that the Catholic Church with its rich array of sacraments teachings prayer traditions and lived examples of holiness continues to be fertile ground for profound Christian conversion But no true conversion is purely spiritual it must bear fruit in our daily lives Father Spitzer guides readers through the workings of moral transformation with detailed sketches of all the cardinal and theological virtues
