My Treasured Memories James Branner, 2008-04-04 My Treasured Memories by James Dale Branner April 4 2008 I wrote this story so my family to include grandchildren and great grandchildren would know the story of my life I have included a great number of pictures to support my memories Most of the pictures were from family albums as my family had great interest in collecting pictures Through my memories I have relived the greatest days of my life To keep my story in a chronological perspective the story starts with my first day at Sunny View Elementary lists successive memories to the end of high school and highlights various events and periods during my life I hope readers will recognize my attempt to accomplish this I also hope that this writing will inspire future generations to continue to tell their stories for others to read I am indebted to several people for helping to document my story I wish to express my special thanks to my Masonic Brother Gerald C Matthews Jr of Aberdeen Maryland who spent hours on my computer helping to organize topics and pictures to my sister Annalyn Hatten of Indianapolis Indiana and nephew Llewellyn Ivory Giles of West Saint Paul Minnesota who read my story and advised me on the arrangement and finally to my wife Margaret for tenaciously encouraging me from the beginning to put my life story in print As you read My Treasured Memories I hope you will find it enjoyable I encourage you to make good memories to keep them and to Treasure them for the rest of your life James Dale Branner April 4 2008 Post Author note The royalty proceeds from each book sold are donated to the CSM James Dale Branner Faith Memorial Scholarship This fund is in memory of my father who believed in helping others achieve their educational goals You can donate directly to this fund at <http://www.oregonstudentaid.gov/donate.aspx> Ricky Branner July 31 2012 *My Treasured Memories* Mauro Loresto, 2002-03 My Treasured Memories Sarah Connolly, 2013-07-26 Everyone has treasured moments that they want to remember and the best way to do that is to document it The challenge is to find the best solutions to solve that problem This is where EURoeMy Treasured Memories EUR becomes a valuable asset The author of this book has basically handed over the information that is required for any interested individual to use to properly document the information As we advance technologically many opt to take hundreds of digital picture or make numerous videos and at the end of the day they have challenges remembering when or even where they took a specific picture With the book this will all become pretty easy as documenting the information is as simple as following the outline Any individual that is seeking an easy method to preserve treasured memories must have a copy of this book My treasured memories of Elvis , **Treasured Memories** Patsy Turner-Ruffin, 2018-08-31 Treasured Memories By Patsy Turner Ruffin There are a lot of books in the world and a lot of different types of books This is a book of quotations intended to give the reader a sense of warmth appreciation and wisdom from the Bible as well as a chuckle here and there Oh and it s a very good conversation piece The author feels this generation has lost so many values and she prays for everyone We have not been short of God s blessings However so many people don t take time to give Him thanks and praise Well the author gives Him thanks for the wisdom that our parents grandparents and

others shared with us The things they used to say were wise funny and a lot of it came from God s word This is a book of legacy that the author was inspired by God to write It is not about superstition it s just plain truth Things our ancestors used to say like Who wouldn t serve a God like that is contained within these pages and so much more The author also explains what each expression means and how valuable each expression is based on God s word The author prays you will be richly blessed

What Are Your Treasures? Cindy Barry Strobel,2015-11-04 But store up for yourselves treasures in heaven Where moths and vermin do not destroy and where thieves do not break in and steal For where your treasure is there your heart will be Matt 6 20 21 KJV Do you fear death even though you are a believer Fear is conquered by the knowledge that you understand the question Witness how I answered the soul searching question that Jesus asked me when I was found blue without a heartbeat at the age of nineteen This faith affirming true account of how I walked through heaven is here for your instruction and education My tale of an angler and his catch on the bank of the river of life may make you realize that even the fish stories are true in the afterlife The sights and sounds of the great plaza just beyond the Pearly Gates can inspire deep reflection on your expectations based on the accounts you have read before The first encounter with Jesus reveals aspects of the Lord to modify your vision of the Shepherd as he tends his flock in His own delightful way The indescribable sights were boundless as I entered through the massive doors to the mansion that He had prepared for me Hear how I reacted when I saw my name written in the Book of Life Inspired by the grace of God these connections and recollections were revealed during my struggles as God guided me down life s untraveled roads Follow the revelations of my multiple births rebirths the beauty of death and how I found true treasures I pray that you don t miss this miraculous story and be the one who is forgotten and left behind No one likes to carry their own boots and saddle during life s difficult challenges

No Time to Cry Vera Leinvebers,2011-10-31 Every story has a beginning a journey and an end Author Vera Leinveberss story begins in her beloved homeland of Latvia just prior to the outbreak of World War II Her early childhood is filled with joy and music but this idyllic carefree existence is irrevocably silenced by the advancing drumbeats of war The journey that follows proves so intense and harrowing that in order to find the emotional separation necessary to face her traumatic childhood memories Leinvebers filters her experiences through the eyes of a young Latvian girl called Lara *No Time to Cry* tells the story of Laras harrowing ordeal in war ravaged Europe It is a story about brutality hatred and unimaginable loss but it is also a lasting testament to one little girls indomitable will to survive When she loses nearly everything she holds dear Lara desperately clings to the all that remainsthe music indelibly etched in her memory and a small smooth stone that she retrieved from the charred remains of her former home That small stone became her symbol of strength If it could survive the inferno and devastation so could she Join Lara as a traveller on the path of her war ravaged childhood a path that clearly proves that no matter how much one might suffer when the goal is to survive there is simply no time to cry *Ellen's Story* Ellen Szita,2016-02-04 Ellen s Story is a testament of my persistent struggle for literacy the crippling defeat I suffered in my adult life due to this problem and the ultimate steps I needed to take toward triumph My story begins in England as World War II breaks out As a victim of the times and of a society unaware of learning disabilities I fell further and further behind in a system focused only on achievers At the age of eighteen contemplating a dim future as an ill educated factory worker and bearing thoughts of suicide I immigrated to Canada But dreams of a new life of marriage children and friendships never came to be struggles with learning disabilities sabotaged every hope My marriage failed I sunk into a deep depression and I tried to raise four children on welfare Eventually after intensive therapy I was diagnosed with dyslexia and only grade 7 reading skills Through the incredible support from the Victoria READ Society a special school in BC I came to believe I could learn and learn I did However my triumphs came with more pain Literacy problems had devastated my life and my relationships and I felt an incredible fear knowing the lives I d hurt But then I learned I was far from alone there were millions in Canada that were feeling the same shame and hopelessness that I was What was the true number of people particularly children suffering as a result of this issue The terrible effects of literacy and numeracy problems on human health wealth and happiness are unseen The victims face lifelong shame guilt and failure I hope my story will open eyes to the real destruction of this hidden epidemic and give courage to those willing to come forward and attend classes But more importantly since less than 5 percent of adults with learning difficulties seek help I hope my story will give courage and hope

The Gift of Small Allen T. Stanton, 2024-10-22 Most churches in the US are small membership congregations As Allen T Stanton notes most church leadership resources focus on membership growth as a central guiding paradigm for the work of the church The assumption is that membership growth is a natural outcome of a healthy congregation and successful ministry However Stanton argues that this assumption fails to engage theologically with the vocational gifts that small membership churches offer This oversight fuels the perception that small congregations are failing in their ministries or lack vitality Instead The Gift of Small argues that small membership congregations are well positioned for the faithful effective work of the church Stanton explores the roles that relationships play in faith formation and organizational leadership in small membership churches In doing so he highlights the profiles of people who belong to these congregations and examines the assets they bring The result is a renewed understanding of the critical role that small membership churches often play in their members vocational discovery and community leadership development Stanton grounds his observations in Jesus's teachings that use the imagery of small to represent powerful agents of transformation The Gift of Small can help clergy and lay leaders recover from discouragement and disillusionment regarding the often disregarded work done in small membership churches This book will serve as a reinvigorating guide to help such clergy and leaders see their congregations vital impact with clearer and fresher eyes This book in turn will facilitate a renewed commitment to the work of small membership churches
