Spacing Ireland Caroline Crowley, Denis Linehan, 2016-05-16. In light of the innumerable interventions that characterise the transformation of Ireland over the last two decades, *Spacing Ireland* explores place, society and culture in a post-boom era. It explores questions of space and place to understand the nature of major social, cultural and economic change in contemporary Ireland. The authors explore the intersections between everyday life and global exchanges through the contexts of the stuff of contemporary everyday encounters: food, housing, leisure, migration, music, shopping, travel and work. These are the multiple layers of space we now inhabit. Ireland is a turbulent place. It is fruitful to consider the contemporary geographies of the island through the various forms where change is expressed. The wide range of topics addressed in the collection and the plurality of spaces they represent make the book appealing not only to students and academics but to anyone who follows social, cultural and economic developments in Ireland.
