Pesantubbee, Michael J. Zogry, 2021-03-01 *Native Foodways* is the first scholarly collection of essays devoted exclusively to the interplay of Indigenous religious traditions and foodways in North America Drawing on diverse methodologies the essays discuss significant confluences in selected examples of these religious traditions and foodways providing rich individual case studies informed by relevant historical ethnographic and comparative data Many of the essays demonstrate how narrative and active elements of selected Indigenous North American religious traditions have provided templates for interactive relationships with particular animals and plants rooted in detailed information about their local environments In return these animals and plants have provided these Native American communities with sustenance Other essays provide analyses of additional contemporary and historical North American Indigenous foodways while also addressing issues of tradition and cultural change Scholars and other readers interested in ecology climate change world hunger colonization religious studies and cultural studies will find this book to be a valuable resource *Eye Floaters in the Art and Religion of Indigenous Cultures*

Floco Tausin, 2022-05-01 We all have them most of us see them but only a few people pay attention to them the scattered transparent and mobile dots and strands in our field of vision In ophthalmology they are called eye floaters and explained as vitreous opacities But is this explanation correct In this book the author Floco Tausin follows the seers experience that eye floaters are not a cloudiness of the vitreous humour but a shining structure and an expression of our state of consciousness In this collection of previously published and revised texts the author explores the shining structure of consciousness in the arts and religion of indigenous cultures Topics include the geometric art in Stone Age Europe the shamanic beliefs and art of traditional societies in Central Asia and South America as well as the rock art crafts architecture

and myths of Native Americans of the USA and Canada Encyclopedia of Global Religion Mark Juergensmeyer, Wade Clark Roof, 2011-10-18 The multi volume Encyclopedia of Global Religion provides a comprehensive overview of the globalization of religious culture and society around the world in both its historical and contemporary aspects The encyclopedia includes topics related to the diaspora of cultures and dispersions of peoples the transitional aspects of religious ideas and practices the cultural diversity of religious traditions and the responses of religion both negative and positive to multicultural society The volumes include essays on the contemporary religious society of every country in the world The contributors to the encyclopedia are leading authorities on these topics from around the world The editors Mark Juergensmeyer and Wade Clark Roof are sociologists of religion at the University of California Santa Barbara **Christianity and Religious Plurality** Wilbert R. Shenk, Richard J. Plantinga, 2016-10-11 Over the past two centuries the Christian faith has spread to all continents Although more global than ever Christians are religious minorities in most societies Religious freedom is hardly universal In the past fifty years millions of people have been uprooted from their traditional homelands in Asia Africa and Latin America Some have emigrated to Western Europe and North America The West has become the scene of cultural linguistic and religious variety on a scale unimagined in 1900 Today the full range of faiths and religious practices from all continents are present in Europe and North America Christians are challenged to come to terms with this changed situation These developments have intensified religious plurality Christians all over the world are being urged to understand and engage with this new situation This volume highlights this new reality and specifies some sources for engagement not least among them the Judeo Christian scriptures fundamental to all Christianities that emerged out of religious plural contexts On the basis of their faith in the Triune God disclosed in this text all followers of Jesus Christ must interact with these opportunities in today's radically context sensitive world The Invention of the Creek Nation, 1670-1763 Steven C. Hahn, 2004-01-01 In this context the territorially defined Creek Nation emerged as a legal concept in the era of the French and Indian War as imperial policies of an earlier era gave way to the territorial politics that marked the beginning of a new one **BOOK JACKET**

Pagan Theology Michael York, 2005-04 In Pagan Theology Michael York situates Paganism one of the fastest growing spiritual orientations in the West as a world religion He provides an introduction to and expansion of the concept of Paganism and provides an overview of Paganism's theological perspective and practice He demonstrates it to be a viable and distinguishable spiritual perspective found around the world today in such forms as Chinese folk religion Shinto tribal religions and neo Paganism in the West While adherents to many of these traditions do not use the word pagan to describe their beliefs or practices York contends that there is an identifiable position possessing characteristics and understandings in common for which the label pagan is appropriate After outlining these characteristics he examines many of the world's major religions to explore religious behaviors in other religions which are not themselves pagan but which have pagan elements In the course of examining such behavior York provides rich and lively descriptions of religions in action including Buddhism

and Hinduism Pagan Theology claims Paganism's place as a world religion situating it as a religion a behavior and a theology

Colonialism on the Prairies Blanca Tovias, 2012-07-23 This book spans a century in the history of the Blackfoot First Nations of present day Montana and Alberta It maps out specific ways in which Blackfoot culture persisted amid the drastic transformations of colonisation with its concomitant forced assimilation in both Canada and the United States It portrays the strategies and tactics adopted by the Blackfoot in order to navigate political cultural and social change during the hard transition from traditional life ways to life on reserves and reservations Cultural continuity is the thread that binds the four case studies presented encompassing Blackfoot sacred beliefs and ritual dress practices the transmission of knowledge and the relationship between oral stories and contemporary fiction Blackfoot voices emerge forcefully from the extensive array of primary and secondary sources consulted resulting in an inclusive history wherein Blackfoot and non Blackfoot scholarship enter into dialogue Blanca Tovias combines historical research with literary criticism a strategy that is justified by the interrelationship between Blackfoot history and the stories from their oral tradition Chapters devoted to examining cultural continuity discuss the ways in which oral stories continue to inspire contemporary Native American fiction This interdisciplinary study is a celebration of Blackfoot culture and knowledge that seeks to revalorise the past by documenting Blackfoot resistance and persistence across a wide spectrum of cultural practice The volume is essential reading for all scholars working in the fields of Native American studies colonial and postcolonial history ethnology and literature

Empowerment of North American Indian Girls Carol A. Markstrom, 2008-01-01 Empowerment of North American Indian Girls is an examination of coming of age ceremonies for American Indian girls past and present featuring an in depth look at Native ideas about human development and puberty Many North American Indian cultures regard the transition from childhood to adulthood as a pivotal and potentially vulnerable phase of life and have accordingly devised coming of age rituals to affirm traditional values and community support for its members Such rituals are a positive and enabling social force in many modern Native communities whose younger generations are wrestling with substance abuse mental health problems suicide and school dropout Developmental psychologist Carol A Markstrom reviews indigenous historical and anthropological literatures and conveys the results of her fieldwork to provide descriptive accounts of North American Indian coming of age rituals She gives special attention to the female puberty rituals in four communities Apache Navajo Lakota and Ojibwa Of particular interest is the distinctive Apache Sunrise Dance which is described and analyzed in detail Also included are American Indian feminist interpretations of menstruation and menstrual taboos the feminine in cosmology and the significance of puberty customs and rites for the development of young women
