Promise Keepers Another Trojan Horse:

Promise Keepers Phil Arms,1997 This book unravels the Promise Keepers organization to find the dangerous Vineyard movement behind it I think it is valuable for anyone who senses through the leading of the Holy Spirit that there is something wrong with Promise Keepers The material Phil Arms presents provides a confirmation there there IS something wrong with that organization *The Promise Keepers* Dane S. Claussen,2000 Now nearly 15 years old during which time it exploded in size then declined and has now plateaued the Promise Keepers and its policies have invited reactions ranging from celebration to suspicion Many see the Christian men s organization as a powerful tool to encourage and equip Christian men to face a morally complex future Others view the group as sexist or even heretical This book was the first and in most ways still the only objective analysis of the Promise Keepers and the many reactions to it Contributors to this collection of critical essays hail from the fields of political science history sociology religion and theology journalism and mass communication speech English women s studies American studies and sports science The responses range from supportive to skeptical and cover topics that go beyond the Promise Keepers to issues of evangelical Christianity gender roles men s organizations mass media and social movements **The Promise Keepers** Bryan W. Brickner,1999-01-01 This informative book explores the ideological practices that construct the Promise Keepers movement while investigating the fundamentals of the Promise Keepers belief system Based upon non participant observations of events as well as in depth interviews The Promise Keepers Politics and Promises studies the movement from the inside providing a better understanding of this evangelical phenomenon Examining the group from its modest beginning in 1990 of seventy men joining together in prayer Bryan Brickner discusses the meaning of the movement in a social context This book will be invaluable to scholars of religion gender studies and political theory Expressions of the Last Days Doris M. Arwine,2014-05 Something seems to be pushing our world into a new era People sense that something monumental is about to take place The book of Revelation describes a time of great upheavals and terrible events that will rock and shake planet earth This writing is designed to provide insights into the nature of those last days and how to survive in the midst of them **Standing on the Promises** Dane S. Claussen,1999 A collection of writings by members of the Promise Keepers opponents of the movement that analyzes how the Promise Keepers view masculinity friendship **Lost in the USA** Deborah Gray White,2017-03-09 Remembered as an era of peace and prosperity turn of the millennium America was also a time of mass protest But the political demands of the marchers seemed secondary to an urgent desire for renewal and restoration felt by people from all walks of life Drawing on thousands of personal testimonies Deborah Gray White explores how Americans sought better ways of living in and dealing with a rapidly changing world From the Million Man Million Woman and Million Mom Marches to the Promise Keepers and LGBT protests White reveals a people lost in their own country Mass gatherings offered a chance to bond with like minded others against a relentless tide of loneliness and isolation By participating individuals opened a door to self discovery that energized

their quests for order autonomy personal meaning and fellowship in a society that seemed hostile to such deeper human needs Moving forward in time White also shows what marchers found out about themselves and those gathered around them The result is an eye opening reconsideration of a defining time in contemporary America **Creationism's Trojan Horse**
