

The background of the book cover is a sepia-toned historical photograph. It depicts a street scene, likely from the American Civil War era. In the foreground, several men in military uniforms are visible. One man stands on the left, while others are positioned around a horse-drawn carriage or a similar piece of equipment. The street is wide and appears to be in an urban or military camp setting. In the background, there are buildings, including a two-story structure on the left with multiple windows. The overall tone is historical and documentary.
