Conscripted Femi Reis, 2021-10-18 The intensity of data breaches and ransomware attacks has been unprecedented Barely midway into the year 2021 we had recorded over 1000 ransomware attacks far exceeding what has ever been seen in previous years Millions of dollars have been paid in ransom and there have been thousands of reported data breaches affecting organizations of various sizes Depending on whose report you re reading 80% to 95% of these breaches are caused by human error in the workplace someone downloaded something she shouldn t have someone else forgot to download something he should have This proliferation of fatal errors has driven organizations to increase their spending on employee cybersecurity awareness trainings in hopes that this will save the situation and exempt them from the fast growing list of cyberattack victims However this increase in awareness trainings does not seem to have changed much in the grand scheme of things The curve of employee awareness trainings and corporate data breaches resulting from human error when plotted on a simple time graph both progress upward and to the right simultaneously Recently it has been discovered that while awareness trainings produce immediate results there are certain limitations in them that make those results short lived and the approach unsustainable This book was born from a careful evaluation of those limitations in a bid to remedy the situation and provide enduring results It is a self led boot camp that does not merely educate employees and employers with cybersecurity best practices for the workplace but goes much further to practically equip them with strategic

tactics for effective combat in cyberwarefare within and outside the organization If cyberspace is at war and indeed it is then this book in your hands is a conscription plan **The Teaching of the Apostles** James Rendel Harris,1887 *Theater Week* ,1988 Share My Pleasant Stones Eugenia Price,2021-03-23 Share My Pleasant Stones offers personal insights and practical guidelines for expanding one s relationship with Jesus Christ through daily reading and meditation Each page one for every day of the year is headed by a quotation from the Bible and followed by notes the author has written in the margins of her own Bible over the years It is perhaps Eugenia Price s most personal book First published in 1957 and now reissued with a new preface by the author Share My Pleasant Stones is a book Eugenia Price s readers will want to open every day

The Uses of Obscurity Allon White,2023-10-09 Originally published in 1981 this book examines why and how textual difficulty became a norm of modernist literature and questions how we can begin to account for the forms of obscurity and difficulty which developed in the late 19th Century and which became so important to modernism The author argues that the decline of realism entailed the growth of symptomatic or subtextual reading which tended to treat fiction as compromised autobiography This kind of reading left the author dangerously isolated and exposed in the midst of a newly sophisticated public Within this general cultural perspective the book traces the private anxieties that led George Meredith Joseph Conrad and Henry James to conceal themselves within their complex and resistant fictions It discusses opacity in the texts

themselves embarrassment and shame in Meredith enigmas in Conrad and the fear of vulgarity and knowledge in Henry James **The Family that Overtook Christ** M. Raymond,2014-01-10 This book is the fascinating account of a family that took seriously the challenge to follow Christ and to overtake Him With warmth and realism Venerable Tescelin Blesseds Alice Guy Gerard Humbeline Andrew Bartholomew Nivard and St Bernard step off these pages with the engaging naturalness that attracts imitation Here is a book that makes centuries disappear as each member of this unique family becomes an inspiration in our own quest of overtaking Christ One of the Biggest figures in this book is Bernard of Clairvaux He was called the man of his age the voice of his century His influence towered above that of his contemporaries and his sanctity moved God Himself Men flocked to him some in wonder others in curiosity but all drawn by the magnetism of his spiritual giant hood Bernard who or what fashioned him to be suitable for his role of counseling Popes healing schisms battling errors and filling the world with holy religious and profound spiritual doctrine Undoubtedly Bernard is the product of God s grace But it is hard to say whether this grace is more evident in Bernard himself or in the extraordinary family in which God chose to situate this dynamic personality **The Obscurity of Scripture: Disputing Sola Scriptura and the Protestant**

Notion of Biblical Perspicuity Casey J. Chalk,2023-03-07 Turn on Christian radio anywhere in the United States and see how long it takes before someone declares that Scripture clearly teaches fill in the blank There s a reason for that and it has to do with the very origins of Protestant Christianity more than five hundred years ago The Protestant Reformation coalesced around five core doctrines sola scriptura sola fide sola gratia solus Christus and soli Deo gloria But another founding

principle served as bedrock for all of them the doctrine of clarity or perspicuity According to this doctrine which was upheld in various forms by all the major Reformers and remains central to Protestantism today the Bible is clear enough so that any Christian relying on the Holy Spirit will be able to determine at least what is necessary for salvation if not much more The Obscurity of Scripture Disputing Sola Scriptura and the Protestant Notion of Biblical Perspicuity catalogues and analyzes the historical theological and philosophical dimensions of perspicuity and finds the doctrine not only confused but erroneous destructive and self defeating The Obscurity of Scripture exposes the hopeless dead ends of clarity and through a consideration of Catholic teaching on the Bible offers the only way out **Twelve obscure texts of Scripture illustrated according to the spiritual sense** afterwards ROTHERY HUME (Mary Catherine),1861 *Saving Vincent* Joan Fernandez,2025-07-30 For historical fiction fans of women s untold true stories an early twentieth century novel about Jo van Gogh who battled the male dominated art elite in her fifteen year crusade to save her genius brother in law Vincent from obscurity In the tradition of The Paris Bookseller and Her Hidden Genius the story of a real woman overshadowed in history by the giant talent she saved Vincent van Gogh How did a failed belligerent Dutch painter become one of the greatest artists of our time In 1891 timid Jo van Gogh Bonger lives safely in the background of her art dealer husband Theo s passionate work to sell unknown artists especially his ill fated dead brother Vincent When Theo dies unexpectedly Jo s brief happiness is shattered Her inheritance hundreds of unsold paintings by Vincent is worthless Pressured to move to her parents home Jo defies tradition opening a boarding house to raise her infant son alone and choosing to promote Vincent s art herself But her ingenuity and persistence draw the powerful opposition of a Parisian art dealer who vows to stop her once and for all and so sink Vincent into obscurity *Saving Vincent* reveals there was more than one genius in the Van Gogh family Obscurity's Myriad Components R. Rio-Jelliffe,2001 On that paradoxical premise Faulkner s theory addresses the writer s dilemma of having only the inadequate word to surmount itself and the practice in fiction seeks to vanquish the enemy not in the wordless as it is often denoted but in silence past the word **BOOK JACKET** The Cactus Hunters Jared D.

Margulies,2023-11-14 An exploration of the explosive illegal trade in succulents and the passion that drives it Cacti and succulents are phenomenally popular worldwide among plant enthusiasts despite being among the world s most threatened species The fervor driving the illegal trade in succulents might also be driving some species to extinction Delving into the strange world of succulent collecting *The Cactus Hunters* takes us to the heart of this conundrum the mystery of how and why ardent lovers of these plants engage in their illicit trade This is a world of alluring desires where collectors and conservationists alike are animated by passions that at times exceed the limits of law What inspires the desire for a plant What kind of satisfaction does it promise The answer Jared D Margulies suspects might be traced through the roots and workings of the illegal succulent trade an exploration that traverses the fields of botany and criminology political ecology and human geography and psychoanalysis His globe spanning inquiry leads Margulies from a spectacular series of succulent
