Morality, Mortality: Death and whom to save from it Frances Myrna Kamm, 1998 Critically examining other philosophers ideas the author of this work explores the thinking behind the distribution of scarce resources such as transplant organs Publisher *Jubilee Joe* Ellis Delmonte, 2017-09-15 *An Employees Bank which Promotes Systematic Saving for a Definite Purpose* Lakeside press mutual savings association, 1924 **Intricate Ethics** F.M. Kamm, 2008-09-18 Reading F M Kamm s latest book is like watching a brilliant astronomer map an uncharted galaxy the meticulousness and the display of mental stamina must inspire awe There is a kind of beauty in the performance alone *Intricate Ethics* is a major event in normative ethical theory by a living master of the subject In the end professional moral philosophers cannot reasonably ignore *Intricate Ethics* Kamm continues to prove herself the most imaginative detail oriented deontologist writing in English today Professor Kamm is in a class by herself Jeffrey Brand Ballard Notre Dame Philosophical Reviews The operative word in this masterful work is intricate Watching Kamm s mind dissect and reconstruct different cases is like watching a juggler riding a unicycle carrying on a conversation while getting dressed It is a glorious celebration of what moral philosophy does best and what one of its most gifted practitioners can do to enlighten our understanding of the most pressing ethical issues of our time But it is

also a rich playground for empirically minded philosophers and psychologists who want to play with the clever class of dilemmas that Kamm has created dilemmas that will both amuse and torture generations of people Marc Hauser is a Harvard College Professor and author of *Moral Minds* Frances Kamm once again proves herself to be an astonishingly subtle and creative defender of a deontological outlook Anyone at all interested in normative ethics will find something of value in *Intricate Ethics* There are striking and original views on a wide range of topics And no one absolutely no one compares to Kamm when it comes to constructing relevant test cases and carefully assessing our intuitive reactions to them This is a master at work at the height of her powers Shelly Kagan Clark Professor of Philosophy Yale University *Intricate Ethics* fully justifies its title It is as deep subtle imaginative and analytically rigorous as any work in moral philosophy written in a great many years It is dense with highly original and fertile ideas supported by powerful and ingenious arguments This book amply confirms Frances Kamm's standing as one of the greatest living philosophers Jeff McMahan Rutgers University Kamm's virtuosity in hypothesizing cases in defense or refutation of moral principles remains unsurpassed *Intricate Ethics* is also a testament to the fruitfulness of this rarefied method of ethics One might have thought that having already devoted several hundred path breaking pages to the topic of nonconsequentialism in her earlier two volume *Morality Mortality* it would have been impossible to break much new ground in this sequel Yet what Kamm has to say here on the topics of harming and saving from harm is as novel arresting and insightful as ever Michael Otsuka Professor of Philosophy University College London Kamm is the most sophisticated of the contemporary exponents of intuitionist or nonconsequentialist ethics No one else makes such extraordinarily meticulous and penetrating attempts to extract the principles behind our ordinary moral intuitions I highly recommend it as an inclusive and subtle attempt to work out nonconsequentialism on an intuitionist basis As a bonus *Intricate Ethics* also offers searching analyses of the work of Peter Unger Peter Singer Bernard Gert T M Scanlon Daniel Kahneman and Amos Tversky Ingmar Persson *Times Literary Supplement* *The Life and Times of Joe St. Roc* George Langston Cook, 2011-03-01 A series of positive short stories involving Black men Joe St Roc is a hero with a problem and some secrets Amos is going through a thing and only his friend can get through to him *Saving Joe* Laura Marie Altom, 2005 *Saving Joe* by Laura Marie Altom released on Oct 11 2005 is available now for purchase *The Portrait* Ilaria Bernardini, 2020-04-02 A gripping story of love death art and deceit Sofka Zinovieff author of *Putney* An internationally renowned writer Valeria Costas has dedicated her life to her work and to her secret lover Mart n Acla a prominent businessman When his sudden stroke makes headlines her world implodes the idea of losing him is terrifying Desperate to find a way to be present during her lover's final days Valeria commissions his artist wife Isla to paint her portrait insinuating herself into Mart n's family home and life In the grand chaotic London mansion where the man they share husband father lover lies in a coma Valeria and Isla remain poised on the brink transfixed by one another Day after day the two women talk to each other during the sittings revealing truths fragilities and strengths But does Isla know of the writer's long involvement

with Mart n Or that her husband had chosen Valeria for the years ahead Amidst their own private turmoil the stories of their lives are exchanged and as the portrait takes shape we watch these complex and extraordinary women struggle while the love of their lives departs in an unforgettable breathless tale of deception and mystery that captivates until the very end A stunning pas de deux that is enchanting thrilling and incredibly moving Marie Claire Italia *The U.S. Savings Challenge* Charles E. Walker, Mark A Bloomfield, Margo Thorning, 2020-01-29 Concern about the low U S saving rate and its negative impact on capital formation and economic growth prompted the American Council for Capital Formation ACCF Center for Policy Research to launch a multifaceted three year project to explore this issue in 1988 This volume is one element of that project This book contains slightly updated versions of the papers presented at a two and one half day conference entitled Saving The Challenge for the U S Economy held in Washington D C in October 1989
